9 - South Peninsula 2009

The legislative power of the Kenai Peninsula Borough is vested in an assembly of nine members. This assembly meets in regular session every first and third Tuesday of the month in the Assembly Chambers located in the Borough Administration Building at 144 North Binkley Street, Soldotna, Alaska.

## KENAI PENINSULA BOROUGH

DATE: June 3, 2008
TO: Grace Merkes, Assembly President
Kenai Peninsula Borough Assembly Residents of the Kenai Peninsula Borough Other Users of Borough Financial Information

We are pleased to present the Kenai Peninsula Borough's budget for Fiscal Year 2009 (FY09). It is submitted in accordance with the Borough Code and Alaska State Statutes. The budget includes operating and capital plans for FY09 as well as projections for the Borough's operational funds through Fiscal Year 2012 and capital plans through Fiscal Year 2013.

There have been a number of changes to the budget document this year in hopes of making the process not as arduous as it has been in the past and to make the document more reader friendly. This includes expansion of each department's function page to include: mission statements, major long-term issues and concerns, budget objectives, accomplishments, significant budgetary changes and various amounts of measurement data. In addition there are numerous narrative pages that were added that will provide the reader of the document a better understanding of the budget process and the document. They include a user guide, descriptions on why funds were established and fiscal policies that guide the budget process.

## Key Budget Principles

The FY09 budget is based on policies developed to maintain the stewardship of public funds and reflects the Borough's commitment to prudent financial planning. The overachieving principles that guided development of the proposed budget are:

- Basic services will be maintained at current levels and will be adequately funded
- Program cost will be developed to reflect a true picture of the cost of operations
- Revenues will be estimated at realistic to guarded optimistic levels
- Fees for services will be adjusted based on the cost of service provision
- The recommended budget will comply with provisions of Alaska Statutes and Borough code

## Goals \& Objectives

The Borough's major budgetary goals for FY09 include:

- The highest level of local educational funding borough residents can reasonably afford and sustain
- A high quality capital and operational maintenance program ensuring the continued use and economic value of borough assets
- Support for the needs of Borough Service Areas as communicated by service area residents and their elected service area boards
- A sufficient level of funding for borough departments to ensure their continued ability to meet the needs of borough residents, visitors, and the communities served
- A balancing of revenue sources in the Borough's General Fund
- Stabilization of the borough's financial condition including compliance with the borough's fund balance policy

## Major budget issues

- Public Employee Retirement System (PERS). Due to poor investment returns and incorrect actuarial assumptions regarding the cost of health insurance and life expectancies, the Borough has seen their PERS rate increased from $7.81 \%$ in FYO4 to a projected rate of almost $38 \%$ for FY 09 . This increase was necessary to address an unfunded liability amount currently estimated at $\$ 41,000,000$. The State of Alaska provided funding in FY07, FY08, and FY09 to reduce the rate to approximately 22\%. Until a long-term plan is approved to address this issue, the Borough could see rates approaching $40 \%$ in future years. If the State of Alaska does not provide this funding, the impact to the various funds would range from .02 mills to .23 mills.
- Continued operational funding for the School District at the maximum amount allowed by the State of Alaska, Department of Education. The amount included in the proposed FY09 budget is $\$ 40,886,886$, an amount equal to $\$ 4,516$ per student. The total amount appropriated for school purposes is $\$ 44,471,624$, of which $\$ 40,886,886$ is for operations, $\$ 2,334,738$ for school related debt, and $\$ 1,550,000$ for school district capital projects. The Borough continues to be one of the few communities within the State that funds at the maximum allowed by State law. For comparative purposes, the Borough budgeted $\$ 37,712,068$ in FY2008 for 9,250 students; the Fairbanks North Star Borough contributed $\$ 42,222,700$ for 14,103 students and the Mat-Su Borough contributed $\$ 43,632,999$ for 15,847 students. The Borough's contribution was $\$ 4,076$ per student; the Fairbanks North Star Borough contribution per student was \$2,994 and Mat-Su Borough contribution per student was $\$ 2,753$. The total amount of funding provided for school purposes of $\$ 44,471,624$ is equivalent to 7.47 mills. Sales tax revenue is expected to cover $\$ 29,214,000$, debt reimbursement from the State covers $\$ 1,616,817$; the balance of funding of $\$ 13,637,807$ (equivalent to 2.29 mills) comes from property taxes, federal revenue, and other sources. The total funding provided by the Borough represents an amount equal to $65.6 \%$ of the Borough's General Fund budget.
- Potential impact to the Borough's tax base brought about by the closure of the Agrium plant.
- Continued increase in request for services from emergency medical and fire service areas and road improvements.
- Increases in the cost of operating the Borough's Solid Waste Program. Due to both State and Federal requirements, the cost of operating the Borough's landfills has increased $59.5 \%$ in the last four years. The Borough's General Fund contribution to support these expenditures have increased $45.6 \%$, during this period of time and now represents an amount equal to $10.0 \%$ of total General Fund expenditures.
- State funding for municipal operations. The former municipal revenue sharing program ended in FY2003; however, the State has been funding one-time appropriations for energy assistance for the last two years in amounts ranging from $\$ 1,700,000$ to $\$ 3,700,000$. The Alaska legislature passed legislation to fund State Revenue Sharing for FY2009 and the Borough has included \$2,150,000 in the current year budget.

## Financial Condition Summary

The assessed value of taxable property located within the borough increased by $11.1 \%$ in FY2009. This follows increases of $8.8 \%, 9.9 \%, 5.5 \%$, and $1.1 \%$ in FY2008, FY2007, FY2006, and FY2005 respectively. The last three years has seen consistent growth in the value of most categories of real property with the exception of oil and gas. Oil and gas property is subject to significant fluctuations in value. Oil and gas property assessed by the State of Alaska under AS 43.56, decreased 12.0\% in FY2000, increased slightly in FY2001, increased 30.1\% in FY2002, increased 10.2\% in FY2003, increased 1.6\% in FY2004, decreased 8.6\% in FY2005, decreased 8.0\% in FY2006, decreased 1.6\% in FY2007, and increased 9.0\% in FY2008. It is projected to increase by $\$ 29,281,000$, or $4.6 \%$ for FY2009. Future years indicate a slow decline. Projections vary widely as to expectations for either growth or further decline in Cook Inlet oil and gas activity. Short-term, the borough's property tax base will continue to be impacted both up and down by fluctuations in oil and gas property values. In the long-term, oil and gas development in Cook Inlet will have a major impact on the overall value and distribution of taxable property within the borough.

## Financial Plans

## General Fund

Revenues and other financing sources of $\$ 65,969,603$ support the FY2009 general fund budget. This total consists of $\$ 28,557,233$ in property tax revenue, $\$ 29,214,000$ in sales tax revenue, $\$ 4,586,817$ in state revenue, $\$ 1,975,000$ in federal revenue, and $\$ 1,636,553$ in other revenues and financing sources. Proposed expenditures exceed projected revenues by $\$(2,307,613)$.

Overall expenditures are up $\$ 5,144,474$ when compared to the original FY 2008 approved budget, but only $\$ 4,258,407$ (which includes carryover encumbrances and supplemental appropriations), when compared to the estimated final FY2008 budget. Factors impacting the budget for FY2009 are as follows:

- School funding increase of $\$ 3,174,818$ to maintain at the cap funding, an $8.4 \%$ increase when compared to the FY2008 original budget.
- Decrease in interest income of $\$ 1,145,681$ from the $\operatorname{FY} 08$ original budget and $\$ 1,845,681$ from the estimated FY08 budget due to fair value adjustment, which requires that interest to be recognized in FY08 even though it won't be earned until FY2009, FY2010 and FY2011. This fair value adjustment will keep interest low for the next few years.
- Solid waste increase of $\$ 777,921$, or $12.9 \%$.
- Increase of $\$ 250,000$ for Borough funded capital projects.
- Pay table increase of $2.9 \%$ due to COLA adjustment.

The FY2009 budget proposes local funding for school district operations of $\$ 40,886,886$, the maximum level allowable under current Alaska Statutes. This is an increase of $\$ 3,174,818$ compared to the original approved FY2008 budget. Enrollment has decreased from a high of 10,396 in 1997 to a projected enrollment of 9,053 for FY2009.

The total amount appropriated for school purposes is $\$ 44,771,624$, and is at an amount equal to $65.6 \%$ of the Borough's General Fund budget. Local educational funding proposed for FY2009 includes $\$ 40,886,886$ for school district operations, the projected maximum allowable under current Alaska Statutes, $\$ 2,334,738$ for school related debt service, and $\$ 1,550,000$ for school district capital projects.

The FY2009 general fund tax rate is 4.5 mills, a decrease of 1.0 mills. This is due to an increase in taxable property values of approximately $11.1 \%$, and a bigger increase in sales tax revenue than expected. Sales tax revenue for FY 2009 is expected to increase to $\$ 29,214,000$; this is an increase of $\$ 7,334,000$ and is largely due to the increase in the rate from $2 \%$ to $3 \%$, which went into effect January 1,2008 . Sales tax revenue generates the equivalent of 4.9 mills in property tax revenue.

State revenues are projected to increase $\$ 560,343$ to $\$ 4,586,317$; the majority of this increase is for revenue sharing. Total state revenues consist of $\$ 2,150,0000$ for revenue sharing, $\$ 1,651,921$, for school debt reimbursement, $\$ 650,000$ for fish tax, and $\$ 170,000$ from co-op distributions.

Per the Borough's Unreserved Fund Balance Policy, the general fund unreserved balance should be between $\$ 12,364,000$ and $\$ 23,567,000$. The projected fund balance as of June 30, 2009 is $\$ 17,777,926 ; \$ 5,413,926$ higher than the minimum level but $\$ 5,789,074$ lower than the maximum level indicated by borough policy. The Borough's General Fund, fund balance has increased $\$ 2,492,623$ since FY2006. This increase in fund balance is largely attributable to payments received from the State Alaska for energy assistance totaling \$5,396,659.

## Service Areas and Special Revenue Funds

As a whole, the FY2009 service area budgets have increased in comparison to FY2008. Individually, some have increased while others have decreased. Overall, the service areas and special revenue funds are projected to show an increase of $\$ 3,896,025$ in expenditures during FY2009, when compared to FY2008.

## Selected individual funds are as follows:

The Nikiski Fire Service Area Service Area is faced with increasing cost of operations and minimal increases or as is the case for FY2009, a decrease in assessed values. To address this issue, the Service Area is reducing the number of authorized personnel by two. In addition, the service area is in need of increasing their contribution to their capital plan to fund replacement of their emergency response vehicles. By reducing staff, the service area is able to increase their contribution to their capital plan while at the same time reducing their operating budget by $\$ 13,785$. The service area and Borough administration are looking at various options for replacement of the emergency response vehicles, including grant and debt financing. Previously the service area forward funded the replacement cost of their equipment by making annual contributions to a capital project fund.

The Anchor Point Fire and Emergency Medical Service Area is decreasing their mill rate from 2.00 mill to 1.75 mills. This is due to an increase in assessed values of over $30 \%$ since FY2006. Future decreases in the mill rate are possible if the growth in assessed values continue at the current rate.

Central Emergency Services budget is increasing $\$ 286,052$ or $5.0 \%$, primarily due to the cost of operating new stations at Funny River and Kasilof and standard wage increases per the negotiated agreement. The service area budget has increased $44.7 \%$ since FY2006, with staffing increasing from 26 to 33.5 during that period of time.

The Road Service Area budget is up $\$ 896,244$ or $18.3 \% ; \$ 125,000$ of this increase is for utility relocates that are being required in order to do road maintenance, $\$ 405,217$ for contracted road maintenance, and $\$ 125,000$ is for a new engineer/assistant director. Due to increased fuel prices, the service area is seeing an increase in rates from their road contractors.

The Land Trust Fund budget is up $\$ 714,396$ or $55.2 \%$; due to costs associated with developing a subdivision in Hope, Alaska, of $\$ 450,000$ and Wood Drive Subdivision of $\$ 650,000$. The cost of developing these subdivisions should be offset in the future with revenue from the sale of the subdivision lots.

The Solid Waste Fund budget is up $\$ 743,324$ or $10.4 \%$. This includes staffing increase of 1.5 FTE, an increase in closure cost of $\$ 218,871$, and an expected increase in contract services of $\$ 119,338$ for operational cost associated with increased contracting cost on the various transfer stations and hauling of waste to the Central Landfill.

The School Fund budget is up $\$ 3,174,818$ or $8.4 \%$. As mentioned previously, this is the amount necessary to fund the School District at the cap.

The Central Kenai Peninsula Hospital Service Area budget has decreased $\$ 3,306,936$, largely due to a reduction of $\$ 3,315,897$ in the contribution to their Capital Project Fund.

## Capital Projects

The FY2009 budget includes transfers of $\$ 1,550,000$ from the General Fund for school district major maintenance projects. The projects include: $\$ 100,000$ for HVAC upgrades, ADA compliance of $\$ 80,000$, and \$100,000 for auditorium seat replacement at Seward High School; \$70,000 for playground equipment; \$200,000 for bleacher replacement at SOHI and Homer Middle Schools; \$100,000 for outbuildings; \$100,000 for door replacements; \$100,000 for flooring replacements; \$100,000 for electrical upgrades and ballast replacements; $\$ 100,000$ for elevator upgrades; and $\$ 200,000$ for paving upgrades, $\$ 300,000$ for teacher housing is contingent on additional funding from the state.

Solid waste capital projects include $\$ 451,000$ for transfer site upgrades and $\$ 190,000$ for the junk vehicle removal program. General capital projects include $\$ 100,000$ for upgrades to borough conference rooms, $\$ 100,000$ for security upgrades, and $\$ 250,000$ for remodel and renovation of the major projects and solid waste facilities.

Service Area capital budgets include equipment purchases of \$30,000 at Nikiski Fire Service Area, \$160,000 at Bear Creek Fire Service Area, \$160,000 at Anchor Point Fire and Emergency Medical Service Area, $\$ 2,018,007$ at Central Emergency Services, \$70,000 at Kachemak Emergency Service Area, \$60,000 at North Peninsula Recreation Service Area, \$1,427,071 at Road Maintenance, $\$ 2,559,400$ at Central Peninsula General Hospital, and \$1,315,808 at South Peninsula Hospital.

## Tax Rates

The Borough Code of Ordinances, section 5.12 .010 (A), establishes a maximum 8.00 mill tax levy for operations of the Borough general government, including the local effort for education. Per the Code, the maximum is increased for the tax equivalent of the local payments for voter-approved debt, or to meet an emergency threatening the public peace, health, or safety. The maximum mill rate that could be levied for FY2009 is 8.27 mills. It is our goal to keep the general fund mill rate at or below the current level unless borough voters authorize significant additional debt.

The General Fund tax rate for FY2009 is 4.5 mills, a decrease of 1.0 mill. (see comments on page 13 regarding The Future)

All service area tax rates are staying at their FY2008 levels with the following exceptions: South Kenai Peninsula Hospital Service Area is increasing from 2.00 mills to 2.30 mills to pay for voter approved debt; Road Service Area is increasing from 1.3 mills to 1.4 mills to cover increasing cost of maintaining Borough roads; Central Kenai Peninsula Hospital Service Area is decreasing from 1.00 mill to .90 mill; CES is decreasing from 2.55 mills to 2.45 mills; and Anchor Point Fire and Emergency Medical Service Area is decreasing from 2.00 mills to 1.75 mills.

## Summary Data - Governmental Functions

The following schedule is a summary of the FY2009 estimated revenues for the General Fund, special revenue funds, debt service funds, capital projects funds, and internal service funds including the amount and increases or decreases in relation to the original FY2008 budget.

| Revenues: | FY2008 <br> Original <br> Revenue | FY2009 <br> Proposed Revenue | Increase (Decrease) |
| :---: | :---: | :---: | :---: |
| General Property Taxes | \$ 53,768,158 | \$ 53,249,741 | \$ $(518,417)$ |
| Sales Tax | 21,880,000 | 29,214,000 | 7,334,000 |
| Intergovernmental: |  |  |  |
| Federal | 1,925,000 | 1,975,000 | 50,000 |
| State | 4,026,474 | 5,375,317 | 1,348,843 |
| Other Revenue | 20,095,733 | 15,222,143 | $(4,873,590)$ |
| Fund Balance Appropriated, net | 2,546,638 | 4,324,203 | 1,777,565 |
|  | \$ 104,242,003 | \$ 109,360,404 | \$ 5,118,401 |

Property and sales tax revenues are up by a combined $9.1 \%$ and represents approximately $75.4 \%$ of total revenues.

- Property taxes are projected to decrease. Increases of $11.1 \%$ in assessed values are offset a decrease in the General Fund tax revenues due to a reduction of 1.0 mills in the mill rate, an increase in tax revenues at South Peninsula Hospital Service Area due to voter approved increase of hospital expansion bonds that required a mill rate increase of .3 mills, an increase in the mill rate for roads of .10 mill.
- Sales tax is up due to a change in the sales tax rate from $2 \%$ to $3 \%$, which was effective January 1 , 2008.
- State revenues are projected to increase $29.5 \%$, mainly due to funding for capital projects and revenue sharing.
- Other revenues are expected to show a decrease of $24.2 \%$ due to a decrease in contributions from Central Peninsula Hospital in the amount of $\$ 3,480,490$ for hospital capital projects.
- The use of fund balance as a revenue source is up $69.9 \%$. Much of this is attributable to the General Fund, which proposes to use approximately $\$ 1.9$ million in fund balance. In the long run, continued use of the General Fund, fund balance as a revenue source is not sustainable. Future years budgets will either require additional revenues, a reduction in expenditures, or a combination of both. The Land Trust Fund is using $\$ .8$ million in fund balance for one-time capital expenditures associated with subdivision development. Central Emergency Services Capital Project Fund and South Kenai Peninsula Hospital Capital Project Fund are using $\$ .5$ million of their respective fund balances in accordance with their ten-year capital plans.

The following schedule presents a summary of General Fund, special revenue funds, debt service funds, capital project funds, and internal service funds appropriations for FY2009. Also included are the percentage increases and decreases in relation to prior year amounts. Please note that the FY2008 amounts are based on the original Assembly approved budget and do not include encumbrances and certain contingency balances carried forward from the prior year, or supplemental appropriations.

## Expenditures:

General Government Solid Waste
Public Safety
Recreation
Education
Road Maintenance
Hospitals
Internal Service

Total appropriations are up 4.91\% in comparison to the original FY2008 budget. The primary drivers of this increase include:

- Increased expenditures for education of $\$ 3,113,988$ and consists of the following: an increase of $\$ 3,174,818$ for the Kenai Peninsula Borough School District, an increase of $\$ 70,000$ for school capital projects, a decrease of $(\$ 50,149)$ for Debt Service, and an increase of $\$ 59,319$ for Kenai Peninsula College.
- Increased expenditures for general government of $\$ 1,626,847$ consists largely of the following; $\$ 745,000$ for subdivision development by the Land Trust Fund, and a net increase in personnel cost for cost of living adjustments, and normal union and management longevity.
- Increase expenditures for road maintenance contracts and road capital projects.
- Increase expenditures in solid waste include a 1.5 FTE in staff, a $\$ 218,871$ increase in closure cost, and increased cost for managing and transferring waste for the various transfer sites.

## The Future

In reviewing the department and service area budget requests, the Mayor considered carefully the thoughts of the management staff, service area boards, the assembly and borough citizens. In the end, relatively few changes were made to the budgets as submitted. We believe that this budget is consistent with the Mayor's budget priorities that include:

- Delivery of Borough services at a standard of excellence.
- The highest level of local educational funding borough residents can reasonably afford and sustain.
- A high quality capital and operational maintenance program that ensures the continued use and economic value of borough assets.
- Support for the needs of borough service areas as communicated by service area residents and their elected service area boards.
- A budget that can be supported by the borough's current area-wide general fund tax rate.
- Maintenance of the borough's financial condition.

This Borough's General Fund mill rate does not appear to be sufficient to fund government in the out-years and the out-year projections include a mill rate increase of .25 mills. Without this increase, the Borough's fund balance would fall below the minimum amount per the Borough's Fund Balance Policy.

Currently, there is a voter initiative being proposed that would exempt sales tax on food sales. It is estimated that the loss in sales revenue to the Borough's General Fund would be in the $\$ 2,000,000$ to $\$ 2,500,000$ range, an amount equivalent to approximately .4 mills. As proposed, the initiative would be effective January 1, 2009. The estimated impact FY2009 is in the range of $\$ 700,000$ to $\$ 1,100,000$.

## Acknowledgment

Credit is given to those who have participated in the preparation of the FY2009 budget. Service area boards, department heads, and their staffs have all worked hard to develop department/service area budgets that will provide residents with a high level of service at a reasonable cost. It has been a challenging task. Finance Department staff deserving recognition include: Borough Controller Terry Eubank, Financial Planning Manager Cathey Wallace, who coordinated this year's budget process, Accounting Supervisor Brandi Harbaugh, Treasury/Budget Analyst Penny Carroll, Finance Department Administrative Assistant, Jerri Braun, and Jamie Riley from the Borough's print shop for designing the cover. All have put in long hours preparing this document.

We look forward to working with the borough assembly, the borough business community and all residents of the borough in making the Kenai Peninsula a great place to live, work, visit and conduct business.

Respectfully submitted,

# Kenai Peninsula Borough <br> FY2009 Budget 

## User Guide

This user guide is a tool to guide you through the budget document. It provides some basic information about the area and its government structure. It explains the formatting of individual departmental budget sections, and the process of creating and adopting the Borough's primary planning and policy tool - the annual budget.

The user guide has been developed to answer some of the more commonly asked questions regarding the Kenai Peninsula Borough's budget and other topics.

- Under what type of government structure does the Borough operate?
- What are the Borough's areas of responsibilities or powers?
- How does the Borough and School District interrelate?
- When is the budget prepared, and how does the budget cycle operate?
- What is the Borough's basis of budgeting?
- How is the budget data organized?

## Structure

The Borough was incorporated in 1964 as a second-class borough. It occupies a geographic area of approximately 25,600 miles. The Borough is located in the south central part of the state of Alaska.

The Borough operates under an assembly-mayor form of government. Policy-making and legislative authority are vested in a governing assembly consisting of nine members. The assembly is responsible, among other things, for passing ordinances, adopting the budget, and appointing committees. The mayor is the Borough's executive officer and is responsible for carrying out the policies and ordinances of the Borough, for overseeing the day-to-day operations of the government, and for appointing the heads of the various departments. The assembly and mayor are elected on a nonpartisan basis. Assembly members serve three-year staggered terms, with 3 members elected each year and are elected by district. The mayor is elected at large and serves a three-year term.

## Powers/Areas of Responsibilities

State of Alaska law mandates that second-class boroughs provide certain services on an areawide basis to all taxpayers. All other services must be approved by a majority of voters who are to receive the services. This gives taxpayers control over the type and level of services they receive and pay for.

Currently, the Borough has the following powers:

- Areawide powers: assessment and collection of property taxes and sales tax collection for the Borough and cities within the Borough, planning, solid waste disposal, education, post secondary education, 911 emergency communications, emergency management and general administrative services.
- Non-areawide services provided by the Borough include fire protection, hospital services, emergency medical and ambulance services, recreation, senior citizen funding, road maintenance, economic development, tourism promotion, and special assessment authority for utility extensions and road improvement districts.
- The Borough also has non-areawide powers of port and harbor that are authorized but not exercised.

## School District

The Kenai Peninsula Borough School District is a component unit of the Borough. The School District has its own elected board which is responsible for setting policy and expenditure appropriations. More information regarding the School District is available at their website, www.kpbsd.k12.ak.us or can be obtained from them at 148 North Binkley St., Soldotna, AK 99669.

The Borough does assume various funding responsibility for the School District. State of Alaska statutes require the Borough to contribute to the School District a minimum contribution in an amount equal to 4 mills of the real and true assessed value of property. The State has also established a maximum contribution, which is equal to the minimum contribution plus $23 \%$ of basic need. Basic need is defined as total of the adjusted average daily membership times the base student allocation. The Borough traditionally funds the School District at the maximum amount. For FY09, the maximum amount allowed is $\$ 40,886,886$. The Borough's sales tax revenue is estimated to fund $\$ 29,214,000$ of that amount; the balance or $\$ 11,672,886$ will come from other sources including property taxes and interest earnings.

The Borough is also responsible for the construction and capital improvement of all facilities used by the School District as well as the issuance and repayment of school construction debt.

Total funding for schools for FY09 is $\$ 44,471,624$, an amount equal to $66 \%$ of the Borough's General Fund budget.

## Basis of Accounting \& Budgeting

The basis of budgeting is explained here to assist readers of the budget document, and to provide a bridge between the budget presentation in this document and the accounting presentation in the Comprehensive Annual Financial Report (CAFR).

The Borough's governmental funds consist of the General Fund, Special Revenue Funds, Debt Service Funds, and Capital Project Funds. Governmental fund budgets are developed using the modified accrual basis of accounting. Under this basis, revenues are estimated for the fiscal year if they are susceptible to accrual, e.g. amounts can be determined and will be collected within the current period. Principal and interest on general long-term debt are budgeted as expenditures when due, whereas other expenditures are budgeted for liabilities expected to be incurred during the current period.

The Borough's budgets are prepared and adopted on a basis consistent with Generally Accepted Accounting Principles (GAAP) for all governmental funds and proprietary funds except capital project funds, which are adopted on a project length basis and the Solid Waste Special Revenue Fund, which is prepared on a budgetary basis. The Borough utilizes encumbrance accounting for its governmental fund types under which purchase orders, contracts and other commitments are recorded in order to set budget aside for that specific use. Encumbrances lapse and are automatically reappropriated and reencumbered as part of the subsequent year's budget. Encumbrances are recognition of commitments that will subsequently become expenditures when the goods or services are received.

The Proprietary Funds (Internal Service) budgets use a different budgetary basis from their accounting basis. Proprietary Funds use the accrual basis of accounting; however, their budgets more closely follow the modified accrual method used for governmental funds. For example, the proprietary fund budgets include capital outlay amounts for the initial purchase of fixed assets, but do not include budget amounts for depreciation of those fixed assets. For the CAFR, capital outlays are not recognized but depreciation is.

## Budget Process

The budget process begins in January with a meeting of all department heads and service area representatives. The Mayor makes a presentation on the financial condition of the Borough and a projection for the coming year, considering the economy and the legislature. The Mayor outlines his general budget policies and goals at this time, and budget preparation packets are distributed to the departments.

Throughout the remainder of January and February, the Finance Director, Controller, or Financial Planning Manager attend the various service areas budget workshop meetings and present information on their particular service area. Completed department and capital budget requests are then submitted to the finance department in late February. After draft budgets are prepared, budget review meetings are held with the Mayor, the Finance Director, and the appropriate department head or service area. A proposed budget is then prepared and submitted to the assembly in April.

The Assembly holds work sessions on the proposed budget throughout April and May. The ordinance setting the level of appropriation for the fiscal year is introduced at the second Assembly meeting in April; the resolution setting the mill rates for the General Fund and the service areas is presented at the last meeting in May. After holding public work sessions, the Borough establishes the budgets and tax rates for the General Fund and service areas prior to June 15th.

## Mill Levy

The mill rates must be established prior to June 15th in accordance with Alaska Statutes. The Borough voters have approved a tax cap of 8.0 mill not including the amount needed for debt service or to meet an emergency threatening public peace, health or safety. The maximum mill rate calculation for FY09 is 8.272 mills. The Assembly authorized the borough wide mill rate for FY 09 to be 4.5 mills.

## Budget Presentation

The budget document is divided into various sections: Introduction, Overview, Individual Fund detail, and the Appendix.

- The introduction section includes the table of contents, the transmittal letter, a user guide, major financial policies, a copy of the Distinguished Budget Presentation Award that was received for the FY08 budget, the budget calendar, an organizational chart, Kenai Peninsula Borough departmental staff chart, and the appropriating ordinance.
- The overview section includes data on the Borough as a whole
- The Fund section includes individual budgets for the General Fund, the Service Area Funds, Capital Project funds, Debt Service Funds, and Internal Service Funds.
- Operating budgets for the General Fund, Service Area Funds, Debt Service Funds, and Internal Service Funds present detailed expenditure plans. These plans contain a mission/program description and objectives, current year objectives, significant program changes, and previous year accomplishments. Expenditure detail is provided for each division and in summary for each department. All detail pages contain historical data for the current year budget and two fiscal years.
- Capital Project budgets include detailed expenditure plans that include general objectives, a description of the current year projects that have been authorized, prior authorized projects that were completed in the current year, and a five-year plan of expenditures.
- The appendix section includes data on salary schedules, full-time equivalent employees, a glossary of terms and abbreviations, and various analytical data.

## Financial Policies

The financial policies establish the framework for overall fiscal planning and management and set forth guidelines for both current and long-term planning. These policies are reviewed annually to assure the highest standards of fiscal management. The Mayor and the Department Directors have the primary role of reviewing financial actions and providing guidance on financial issues to the Borough Assembly.

## Overall Goals

The overall financial goals underlying these policies are:

1. Fiscal Conservatism: To ensure that the Borough is in a solid financial condition at all times. This can be defined as:
A. Cash Solvency - the ability to pay bills
B. Budgetary Solvency - the ability to balance the budget
C. Solvency - the ability to pay future costs
D. Service Level Solvency - the ability to provide needed and desired services
2. Flexibility: To ensure that the Borough is in a position to respond to changes in the economy or new service challenges without an undue amount of financial stress.
3. Adherence to the Highest Accounting and Management Practices: As set by the Government Finance Officers' Association (GFOA) standards for financial reporting and budgeting, the Governmental Accounting Standards Board, and other professional standards.

Based on the overall goals listed above the following Financial Policies are provided:

## 1. Operating Budget Policies

The budget is a plan for allocating resources. The objective is to enable service delivery with allocated resources. Services must be delivered to the citizens at a level that will meet real needs as efficiently and effectively as possible.

- The Borough's goal is to pay for all recurring expenditures with recurring revenues and to use nonrecurring revenues for non-recurring expenditures.
- It is important that a positive undesignated fund balance and a positive cash balance be shown in all governmental funds at the end of each fiscal year.
- When deficits appear to be forthcoming within a fiscal year, spending during the fiscal year must be reduced sufficiently to create a positive undesignated fund balance and a positive cash balance.
- The budget must be structured so that the Assembly and the general public can readily establish the relationship between expenditures and the achievement of service objectives.
- The individual department budget submissions must be prepared with the basic assumption that the Assembly will always attempt to maintain the current tax rates.
- The budget will provide for adequate maintenance of capital plant and equipment and for its orderly replacement.
- The Borough will develop and annually update a long-range (three to five years) financial forecasting system, which will include projections of revenues, expenditures, and future costs and financing of capital improvements that are included in the capital budget.
- A balanced budget is defined as revenues including the use of fund balance as a revenue source equaling expenditures as long as fund balance remains within fund balance policy limits.

## 2. Debt Policies

- The Borough will not fund current operations from the proceeds of borrowed funds.
- The Borough will consider short-term borrowing or lease/purchase contracts for financing major operating capital equipment when the Finance Director, along with the Borough's Financial Advisor, determines that this is in the Borough's best financial interest. Lease/purchase decisions should have the concurrence of the appropriate operating Manager.
- When the Borough finances capital projects by issuing bonds, it will repay the debt within a period not to exceed the expected useful life of the project.
- The Borough will maintain good communication about its financial condition with bond and credit institutions.
- The Borough will follow a policy of full disclosure in every annual financial statement and bond official statement.
- The Borough will avoid borrowing on tax anticipation and maintain an adequate fund balance.
- The Borough will endeavor to maintain a minimum bond rating for all debt issues of $A$ or better by Moody's and Standard \& Poor's rating agencies. Credit enhancements will be used to achieve higher ratings when there is an economic benefit.

## 3. Revenue Policies

- The Borough will try to maintain a diversified and stable revenue structure to shelter it from short-run fluctuations in any one revenue source.
- The Borough will attempt to maintain a diversified and stable economic base by supporting policies that promote tourism, agriculture, commercial, and industrial employment.
- The Borough will estimate its annual revenues by an objective, analytical process.
- The Borough, where possible and reasonable, will institute user fees and charges for specialized programs and services. Rates will be established to recover operational, as well as capital or debt service costs.
- The Borough will regularly review user fee charges and related expenditures to determine if preestablished recovery goals are being met.
- The Borough should routinely identify governmental aide funding possibilities. However, before applying for and accepting intergovernmental aide, the Borough will assess the merits of a particular program as if it were funded with local tax dollars. Local tax dollars will not be used to make up for losses of intergovernmental aide without first reviewing the program and its merits as a budgetary increment.

## 4. Investment Policies

- The Borough will maintain an investment policy based on the Government Finance Officers Association (GFOA) model investment policy.
- The Borough will conduct an analysis of cash flow needs on an ongoing basis. Disbursements, collections, and deposits of all funds will be scheduled to ensure maximum cash availability and investment potential.
- The Borough will invest public funds in a manner that will best meet the objective specified in Chapter 5.10 .010 of the Borough code of Ordinances. The relative order of importance is as follows: safety of
principal, maintaining sufficient liquidity to meet the borough's cash flow requirements, and achieving a reasonable market rate of return.

## 5. Accounting, Auditing and Reporting Policies

- The Borough will establish and maintain a high standard of accounting practices in conformance with Generally Accepted Accounting Principals (GAAP).
- The accounting system will maintain records on a basis consistent with accepted standards for government accounting according to the Government Accounting Standards Board (GASB).
- An independent firm of certified public accountants will perform an annual financial and compliance audit and will publicly issue an opinion, which will be incorporated into the Comprehensive Annual Financial Report (CAFR).
- The Borough will annually strive for the GFOA Certificate of Achievement for Excellence in Financial Reporting and the GFOA Distinguished Budget Presentation Award.

## 6. Capital Budget Policies

- The Borough will make all capital improvements in accordance with an adopted capital improvements program.
- The Borough will develop a multi-year plan for capital improvements that considers its development policies and links the development process with the capital plan.
- The Borough will enact an annual capital budget based on the multi-year capital improvements program.
- The Borough will coordinate development of the capital improvement budget with development of the operating budget. Future operating costs associated with new capital projects will be projected and included in operating budget forecasts.
- The Borough will maintain all its assets at a level adequate to protect its capital investments and to minimize future maintenance and replacement costs.

## 7. Fund Balance Policy

- The Borough will maintain the fund balances and retained earnings of the various Borough operating funds at levels sufficient to maintain the borough's creditworthiness, liquidity needs, and to provide financial resources for unforeseeable emergencies.
- The Borough will not approve an appropriation from the general fund that would cause the undesignated general fund balance to be less that the minimum undesignated fund balance, except in an emergency expenditure or a major capital purchase.

## November 2007

26 Begin work on Personnel Salary and Benefits and Insurance calculations. 27 Load current year budget information into financial system and personnel budgeting system and worksheets.

## December 2007

11 Develop budget calendar-Coordinate Assembly/Mayor/Departments and Service Areas.
12 Request information from departments on staffing changes for new year. 13 Meet with Mayor regarding budget calendar and his guidelines for the new year 22 Send memo to all Departments and Service Areas regarding budget kickoff Send me
meeting.
27 Update budget preparation instructions and forms to be used in submitting budget requests.
28 Draft budget guidelines memo.

## January 2008

02 Get approval of budget calendar from the Assembly President.
02-9 Update fund balance policy minimums/maximums ranges for all funds. 05 Send budget preparation instructions, preliminary personnel budgets,
timetables, Mayor's Guidelines Memo and budget forms to all department heads and administrators.
09 Get preliminary assessed value estimates from Assessor.
09 Budget kickoff meeting-Mayor, Department heads and Service Area Administrators.
09 Provide Departments and Service Areas with preliminary personnel budgets. 09 Internal budget development process begins-Departments and Service Areas
09-31 Finance Director/Controller/Planning Manager meet with Service Area Boards to provide results of operation and fund balance information and to discuss their 10-year CIP needs and projections.
21 Provide final Personnel/Benefits and insurance costs to departments and Service Areas
22 Assembly and Kenai Peninsula Borough School District budget worksession. 22 Obtain assembly member assignments for the budget process from the assembly president.
24 Schedule Mayor's budget review meetings: Departments and Service Areas.
31 Department budgets submitted to Finance, including goals, objectives and accomplishments and inventory of rolling stock.

## February 2008

01 Schedule budget presentations to the Assembly: Mayor, Department Heads, Service Area Administrators and outside agencies.
01-13 Review and get department budget requests ready for preliminary budget review meeting with the Mayor and Chief of Staff.
14-22 Department budget review meetings with Mayor, Finance and administrators. 20 Service Area Board approved budgets submitted to Finance Department. 20-24 Review and get Service Area budget requests ready for preliminary budget review meeting with the Mayor and Chief of Staff.
25-29 Service Area budget review meetings with Mayor, Finance and administrators.

## March 2008

01-12 Service Area budget review meetings continued.
01 Real Property assessment notices mailed.
13 Obtain most current projected revenue information from outside sources.
13 Preliminary General government budget projection to the Assembly.
14 No more changes to the preliminary budget document allowed
15 Conduct system input training for administrative assistants.
16 Complete input of budget into budgeting system.
16-31 Prepare preliminary budget document for printing
31 FY2009 Appropriating Ordinance to assembly packet

## April 2008

1-9 Review of preliminary budget document for errors and omissions.
10 Preliminary Borough budget completed and to the printer.
14 School Board meeting - budget approval
15 School district presents proposed budget to Assembly.
15 Mayor's proposed budget documents presented to the Assembly
15 Introduce appropriating ordinance for the General government and service area budgets.
16 Discussion of the preliminary budget on the local radio station.
21 Resolution setting school local effort amount to Assembly packet

## May 2008

06 Assembly budget work session \#1 - Departments \& Service Areas
06 Assembly determines local share for school budget by resolution.
06 Public hearing on FY2009 budget.
19-20 Assembly budget work session's \#2 \& \#3 - Departments \& Service Areas Public hearing on FY2009 budget.

## June 2008

01 Assessor certifies final assessment roll
03 Assembly budget work session \#4 - Departments \& Service Areas.
03 Public hearing and final adoption budgets and setting of mill rates.
4-18 Update budget document to reflect final adopted budget.
Finalize budget document for publication.
20 Roll FY2008/2009 budget into financial system.
20 Public hearing on FY2009 budget.
30 Distribute published budget document.
July 2008
28 Submit Published document to GFOA award program for review.

DISTINGUISHED BUDGET PRESENTATION AWARD
The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the Kenai Peninsula Borough, Alaska, for its annual budget for the fiscal year beginning July 1, 2007.

In order to receive this award, a government unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communications medium.

The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

## KENAI PENINSULA BOROUGH ORDINANCE 2008-19

## AN ORDINANCE APPROPRIATING FUNDS FOR FISCAL YEAR 2008-2009

#### Abstract

WHEREAS, Alaska Statutes 29.35.100 and the Borough Code of Ordinances 05.04.020 require that the Mayor present a budget proposal to the Assembly for the next fiscal year during or prior to the eighth week preceding the first day of the fiscal year; and

WHEREAS, the Assembly is empowered with making appropriations for the General Fund, the Special Revenue Funds, the Debt Service Funds, the Capital Projects Funds, the Enterprise Funds, and the Internal Service Funds of the Borough; and

WHEREAS, the Assembly is required by KPB 5.04.021 to introduce an ordinance on or before the May 6, 2008 meeting appropriating the amount to be made available from local sources for school purposes, and by AS 14.14.060 to enact such ordinance by June 30;

\section*{NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH:}

SECTION 1. That $\$ 68,277,216$ is appropriated in the General Fund for the fiscal year beginning July 1, 2008 and ending June 30, 2009 as follows:

| General Government Operations | $\$ 14,814,103$ |
| :--- | ---: |
| Transfer to School District for Operations and In-kind Services | $40,886,886$ |
| Transfer to School Debt Service | $2,334,738$ |
| Transfer to Special Revenue Funds: |  |
| Solid Waste | $6,812,194$ |
| Post Secondary Education | 595,302 |
| Kenai River Center | 547,451 |
| Nikiski Senior Service Area | 36,542 |
| Transfer to Capital Projects Funds: | 450,000 |
| General Government | $1,550,000$ |
| School Revenue | 250,000 |

SECTION 2. The following is appropriated to the school fund from local sources for operations purposes and in-kind services:

| A. | Local Effort | $\$ 32,456,264$ |
| :--- | :--- | ---: |
| B. | Maintenance | $6,182,830$ |
| C. | School District Utilities | 63,745 |
| D. | School District Insurance | $2,038,234$ |
| E. | School District Audit | 42,000 |
| F. | Custodial Services | $\underline{103,813}$ |
| Total Local Contribution per AS 14.17 .410 | $\$ \underline{40,886,886}$ |  |

SECTION 3. Disbursements from Section 2 item (A) shall be made monthly, and only as needed to supplement other revenues available and received by the school district to fund the operations portion of the school district budget. Any available balance remaining at the end of the fiscal year shall then be disbursed to the school district, provided that the total amount disbursed shall not exceed the amount allowed under AS 14.17.410 as determined after actual enrollment numbers are known.

SECTION 4. That the appropriations for the Special Revenue Funds for the fiscal year beginning July 1, 2008 and ending June 30, 2009 are as follows:

| Nikiski Fire Service Area | $\$ 3,725,886$ |
| :--- | ---: |
| Bear Creek Fire Service Area | 303,858 |
| Anchor Point Fire and Emergency Medical Service Area | 382,530 |
| Central Emergency Service Area | $6,002,722$ |
| Central Peninsula Emergency Medical Service Area | 13,872 |
| Kachemak Emergency Service Area | 613,392 |
| Seward Bear Creek Flood Service Area | 126,656 |
| Lowell Point Emergency Service Area | 12,014 |
| Kenai Peninsula Borough Road Service Area | $5,788,755$ |
| North Peninsula Recreation Service Area | $1,576,567$ |
| Post-Secondary Education | 595,302 |
| Land Trust | $1,934,386$ |
| Kenai River Fund | 678,198 |
| Disaster Relief | 50,000 |
| Nikiski Senior Service Area | 250,000 |
| Solid Waste | $7,911,090$ |
| Central Kenai Peninsula Hospital | $6,774,990$ |
| South Kenai Peninsula Hospital | $3,583,288$ |

SECTION 5. That $\$ 2,334,738$ is appropriated in the School Debt Service Fund for the fiscal year beginning July 1, 2008 and ending June 30, 2009.

SECTION 6. That $\$ 830,244$ is appropriated in the Solid Waste Debt Service Fund for the fiscal year beginning July 1, 2008 and ending June 30, 2009.

SECTION 7. That $\$ 192,578$ is appropriated in the Central Emergency Services Debt Service Fund for the fiscal year beginning July 1, 2008 and ending June 30, 2009.

SECTION 8. That $\$ 3,767,125$ is appropriated in the Central Kenai Peninsula Hospital Service Area Debt Service Fund for the fiscal year beginning July 1, 2008 and ending June 30, 2009.

SECTION 9. That $\$ 2,319,328$ is appropriated in the South Kenai Peninsula Hospital Service Area Debt Service Fund for the fiscal year beginning July 1, 2008 and ending June 30, 2009.

SECTION 10. That appropriations for the Capital Projects Funds for the fiscal year beginning July 1, 2008 and ending June 30, 2009 are as follows:

| School Revenue | $\$ 1,250,000$ |
| :--- | ---: |
| General Government | 450,000 |
| Solid Waste | 641,000 |
| Service Areas: | 30,000 |
| Nikiski Fire | 160,000 |
| Bear Creek Fire | 160,000 |
| Anchor Point Fire and Emergency | $2,018,007$ |
| Central Emergency | 70,000 |
| Kachemak Emergency | 60,000 |
| North Peninsula Recreation | $1,427,071$ |
| Road | $2,559,400$ |
| Central Kenai Peninsula Hospital | $1,315,808$ |

SECTION 11. That appropriations for the Internal Service Funds for the fiscal year beginning July 1, 2008 and ending June 30, 2009 are as follows:

| Insurance and Litigation | $\$ 3,388,903$ |
| :--- | ---: |
| Health Insurance Reserve | $3,663,740$ |
| Equipment Replacement | 435,521 |

SECTION 12. That the FY09 budget of the Kenai Peninsula Borough, as submitted to the Assembly on April 15, 2008, is incorporated as a part of this ordinance to establish the appropriations assigned to the various departments and accounts and the positions authorized therein.

SECTION 13. That funds reserved for outstanding encumbrances as of June 30, 2008 are reappropriated for the fiscal year beginning July 1, 2008 and ending June 30, 2009.

SECTION 14. That this ordinance takes effect at 12:01 a.m. on July 1, 2008.

ENACTED BY THE ASSEMBLY OF THE KENAI PENINSULA BOROUGH THIS 3RD DAY OF JUNE, 2008.

| Yes: | Fischer, Gilman, Knopp, Long, Martin, Smith, Sprague, Superman, Merkes |
| :--- | :--- |
| No: | None |
| Absent: | None |

## TOTAL GOVERNMENT ESTIMATED EXPENDITURES FY2009 - BY FUNCTION \$109,360,404

## MAJOR REVENUE SOURCES

## PROPERTY TAXES

Real, Personal and Oil Property Taxes: The Borough's authorization to levy a property is provided under Alaska State Statutes 29.45. Under this section, the State requires the assessor to assess property at full and true value as of January 1 each year. The full and true value is the estimated price that the property would bring in an open market between a willing seller and a willing buyer. The total taxable assessed value for the Borough for FY2009 is \$5,953,026,000.

The rate of levy is to be fixed by resolution, determined annually before June 15, per AS 29.45.240.

The State of Alaska also requires a number of property exemptions that municipalities must exempt when taxing property (AS 29.45.030). Two of the most significant exemptions in terms of dollars are the Senior Citizen and ANSCA native exemptions. In FY2009, these exemptions represent approximately $\$ 9.2$ million in property tax not collected. In addition, the Borough has granted optional exemptions. In FY2009, these exemptions represent approximately $\$ 4.2$ million in property tax not collected. See page 37 for the estimated exemption amount for the Borough's General Fund.

Penalty and Interest on Taxes Receivable: A.S. Title 29.45.250 and Kenai Peninsula Borough Code of Ordinances 05.12.080 outline the deadlines for payment and the rates of penalty and interest for late or nonpayment of taxes. Each service area of the Borough earns the interest on delinquent payments due its service area; however, the General Fund retains all penalties to offset costs involved with collections.

Motor Vehicle Tax: A.S. Title 28.10.431 and Kenai Peninsula Borough Code of Ordinances 05.12.245 authorizes the State of Alaska to collect personal property tax on registered motor vehicles based on a schedule outlined within A.S. 28.10.431, or an amount imposed by the municipality through passage of an ordinance. The tax is collected at the time of vehicle registration by the Department of Public Safety Motor Vehicle Division and remitted to the Borough monthly, less an administrative fee of $8 \%$.

## SALES TAX

A.S. Title 29.45.650-29.45.710 and Kenai Peninsula Borough Code of Ordinances 05.18.100-05.18.900 authorize the Borough and each of the five cities within the Borough to levy and collect sales tax on all retail sales, rents, and services made or rendered within the Borough
based on the gross sales of the seller. The current Borough rate is $3 \%$ and is collected on sales, rentals and services made or rendered within the Borough, subject to the exemptions that have been provided by code. The sales tax shall be applied only to the first $\$ 500$ of each separate sale. The Borough also collects sales tax on behalf of the cities within the Borough, which have various rates from $3 \%-4.5 \%$, and remits it to them monthly. Interest and penalty are assessed on delinquent sales taxes. The interest rate is set at $15 \%$ per annum, and penalty is assessed at $5 \%$ of the taxes due per month, up to a maximum of $25 \%$.

## FEDERAL REVENUES

Payment in Lieu of Taxes: A pro rata payment for federally-owned entitlement land is authorized by Chapter 69, 31 USC, Section 6902, based on the number of acres of federal lands within the Borough and the Borough population. However, the payment may not exceed a statutory limit. Funds received may be used for any governmental purpose. The estimated amount for FY2009 is $\$ 1,900,000$.

Civil Defense: A.S. Title 26.20 .030 authorizes reciprocal aid agreements between the State of Alaska and other governments. In cooperation with the Federal government, the State and the Borough have established procedures to provide protection should a disaster occur. Reimbursement up to $\$ 45,000$ for operations is received from the Federal government through the Alaska Department of Military and Veterans Affairs.

National Forest Receipts: In accordance with 43 CFR 1881.1-2, funds flow from the Federal government through the State of Alaska to municipalities for in-lieu-of-taxes on national forest lands. Payments are allocated on the basis of a formula. The estimated amount for FY2009 is $\$ 30,000$.

## STATE REVENUES

School Debt Reimbursement: A.S. Title 14.11.100, State Aid for Retirement of School Construction Debt, outlines the procedure by which the Alaska Department of Education will reimburse the Borough for expenditures on school debt. For Borough bonds issued after April 30, 1993, the reimbursement rate is $70 \%$. For FY2009 the Borough's entitlement for debt reimbursement is projected to be $\$ 1,616,817$.

## Energy Assistance

The State provided funding for this program for FY2007 and FY2008, in the amounts of $\$ 3,647,140$ and

State Revenue Sharing: Funding for this program ended in FY2003. The average revenue provided by the State under this program for the last 10 years ending FY2003 was approximately $\$ 1.5$ million. The State has passed legislation to fund this program in FY2009 and $\$ 2,150,000$ has been included in the general fund budget.

Fisheries Taxes: A.S. Title 43.75 .015 refunds to local governments a portion of the taxes levied on the fishing industry. Fishery businesses are those which take, purchase or otherwise acquire a fishery resource. This revenue sharing is based on $50 \%$ of the amount of taxes collected in the Kenai Peninsula Borough outside cities and $25 \%$ of the taxes collected within the cities of the Borough; the Borough's projected share for FY2009 is $\$ 650,000$.

Electric and Telephone Cooperative: A.S. Title 10.25.570 refunds to the Borough the gross revenue taxes collected from the electric and telephone cooperatives of the Borough for activities outside cities of the Borough, less an administrative fee for collection.

## OTHER REVENUES

Other revenues include service charges and fees for foreclosure, recording fees, election judge services, data processing charges, plat filing fees, fire service training seminars, ambulance service fees, recreation program admissions, and land sales and leases. In the internal service funds, other revenue includes amounts received from other funds for insurance premiums and repayment
for equipment purchases.
E911 service charges are authorized by the Alaska legislature as a surcharge on local telephone exchange lines for operation of the enhanced 911 system.

Solid waste disposal fees are those fees collected at each of the Borough landfill sites for certain commercial/business waste.

Miscellaneous revenues are those that may be nonrecurring receipts for cash received, and are generally insignificant amounts.

Interest is primarily interest on investments and land sales. Kenai Peninsula Borough Code of Ordinances 5.10.0105.10.120 established the investment policies of the Borough; and through the use of pooled funds, the interest earned from those investments is allocated on an equity basis to special revenue funds, special revenue capital projects funds, enterprise funds, and internal service funds.

## OTHER FINANCING SOURCES

Sale of Fixed Assets: This revenue is derived from the sale of fixed assets by sealed bid or at public auction.

Transfers from Other Funds: This source of funding includes interfund transfers for services provided by one fund to another fund and transfers from special revenue operating funds to capital projects and debt service funds. Major transfers from the General Fund include those made for school operations, debt service, solid waste operations, and capital improvements.

Interdeparmental charges represent the cost of services provided by a department or division to another department or division. The Borough's policy is to budget $100 \%$ of staff time within each oversight department and then charge/allocate the cost of work done to the respective department receiving the service.

## GENERAL FUND

The General Fund is the general operating fund of the Borough. It is used to account for all financial resources except those that must be accounted for in another fund. The General Fund accounts for the normal recurring activities such as general government, assessing, finance, legal, planning, along with funding for schools, solid waste, etc. These activities are funded primarily by property taxes, sales taxes and intergovernmental revenues.

## WHERE THE MONEY GOES <br> GENERAL FUND EXPENDITURE PROJECTIONS - FY2009 \$68,277,216

| Fund: | 100 | General Fund |
| :--- | :--- | :--- |
| Dept: | 11110 | Assembly - Administration |

## DEPARTMENT FUNCTION

Mission: To formulate policies and ordinances to guide the orderly development and administration of the Borough.

## Major long-term issues and concerns:

- Addressing solution to Public Employees Retirement System (PERS) funding shortfall.
- Development of sustainable revenue sharing program by the State of Alaska.
- School District Funding.
- Increased value of property assessments.

## Objectives FY2009/Budget highlights:

- Ensure that PERS funding is provided by the State for FY2009 in amount equal to that provided for in FY2008.
- Ensure that Revenue Sharing or comparable funding program is appropriated by the State for FY2009.
- Develop policy to reduce energy consumption.

## Previous year accomplishments:

- New lease and operating agreement with Central Peninsula General Hospital Inc. for operations of Central Peninsula Hospital.
- New lease and operating agreement with South Peninsula General Hospital Inc. for operations of South Peninsula Hospital.
- Senior citizen property tax exemption changed to $\$ 300,000$ from previous unlimited amount and provided for hardship cases.

## Significant budgetary changes:

- Due to new auditing standards required of CPA firms and the number of grants and entitlements the Borough receives, the cost of the Borough's annual audit has gone from $\$ 34,500$ to $\$ 72,000$.
- In-state travel up due to AML annual conference being in Ketchikan and AML summer legislative meeting being held in Wrangell.

| Dept: | 11120 | Assembly-Clerk |

## DEPARTMENT FUNCTION

Mission: To provide administrative support to the Borough assembly. This includes coordinating all assembly meetings with other governmental agencies and serve as a liaison between the assembly, borough administration, and the general public.

## Major long-term issues and concerns

Continued demands put upon department by initiatives. From 2005 through FY2008, the department worked on over 29 citizen initiatives. The clerk spent 1990 hours in responding to these initiatives.

## Objectives FY2009/Budget highlights

- Upgrade computers in the assembly chambers to provide quicker access to borough records.

## Previous year accomplishments:

- Reviewed all submitted voter initiatives within required time frame.
- Increased the amount of information provided to the public via the Internet.
- Coordinated and produced the 2008 State Legislative Priority Project book.
- Coordinated and produced the 2008 Federal Transportation and Federal Priority books.

## Significant budgetary changes

- Purchase of two PC's for assembly chambers.

## DEPARTMENT FUNCTION

Mission: The mission of the Office of the Mayor is to efficiently and effectively administer ongoing operations and functions of the Borough, advocate for the best interest of the citizens, facilitate economic growth, and provide community direction and leadership. As the chief administrator, the Mayor's powers and duties include, but are not limited to: (1) the appointment of administrative officials; (2) supervision of the enforcement of municipal law and directives of the Borough Assembly; (3) preparation, submission, and execution of an annual budget; (4) preparation of reports on finances and operations of the Borough.

## Major long-term issues and concerns:

- Resolving funding shortfall of the Public Employees Retirement System (PERS).
- Development of sustainable revenue sharing program by the State of Alaska.
- Further Exploration for Natural Gas in Cook Inlet.
- Construction of a North Slope Natural Gas Line to Cook Inlet or a Spur Line off of a major gas line project.
- Rapidly rising energy cost.

## Objectives FY2009/Budget highlights:

- Secure passage of legislation that will address the past PERS/TRS liability and provide a fixed rate for the borough's portion of the debt.
- Secure passage of a permanent and sustainable municipal assistance and revenue sharing program from the State of Alaska.
- Develop and coordinate an Energy Efficiency Action Plan as well as a Climate Change Impact Plan.

## Previous year accomplishments:

- Instituted a more broadened tax base through reduction of property taxes offset by an increase in sales tax.
- Completed Phase III of the Central Peninsula Hospital Expansion.
- Obtained final Certificate of Need approval for South Peninsula Hospital Phase III and completed Phase II of the expansion plan.
- Coordinated capital projects including the construction of the Kasilof Fire Station and Funny River Fire Station remodel
- Negotiated a new long-term lease and operating agreement for the South Peninsula Hospital.
- Worked cooperatively with peninsula mayors and the Tri-Borough mayors to address common issues including disasters, hospital expansions, bluff erosion, and energy related issues.

## Significant budgetary changes:

- The Community \& Economic Development Division was consolidated with Mayor's in FY2007. For comparative purposes, the FY2006 financial data has been combined into this department.

## DEPARTMENT FUNCTION

Mission: To provide purchasing support and service to the various entities of the Borough whose objectives are to obtain materials, equipment, and contracted services in a timely, cost effective manner, and at the best value to the Borough. To provide all departments and service areas of the Borough with clear guidance as it pertains to purchasing policies and procedures. To ensure that appropriations are used wisely and in the best interest of the Borough, while preserving the integrity and fairness of the competitive process. To administer the disposal of surplus tangible property of the Borough, School District, and Service Areas.

## Major long-term issues and concerns:

- Continuing to meet the challenge of providing procurement support and services to a growing Borough, whose needs continue to grow in number and complexity.

## Objectives FY2009/Budget highlights:

- Provide, to all Borough purchasers, direct access to vendor/supplier database.
- Research procurement card programs.
- Continue implementation and promotion of the Purchasing internet and intranet sites.
- Improve the knowledge base of departmental staff through professional training.

## Previous year accomplishments:

- Effectively streamlined the processing of insurance claims as it pertains to procurement.
- Affiliated the Borough with multiple cooperative purchasing programs.

## Significant budgetary changes:

- None

| Dept: | 11250 | Emergency Management - Administration |

## DEPARTMENT FUNCTION

Mission: The Office of Emergency Management has the primary day-to-day responsibility for natural and human-caused disaster management programs and activities. The objectives for OEM include disaster mitigation and preparedness.

## Major long-term issues and concerns:

- None.

## Objectives FY2009/Budget highlights:

- Pursue funding for and install Computer Aided Dispatch (CAD).
- Coordinate and development of information for processing master planning data including road conditions, emergency evacuation planning and routes, and sheltering areas for disaster preparedness. All such info could be used via the CAD system as well.
- Complete development of a Kenai Peninsula Borough Incident Management Team (KPB-IMT) and conduct training for KPB personnel from various departments in tabletop exercises at EOC.
- Establish voluntary registry of special needs populations for disaster response/evacuation.
- Coordinate enhanced mitigation efforts in floodplain areas in cooperation with State, Federal, Local agencies.

## Previous year accomplishments:

- Responded to local disasters including: major floods, Caribou Hills fire, and Glacier Dam Lake release causing ice jams resulting in a State disaster declaration.
- In cooperation with Capital Projects, initiated and completed tsunami warning system replacement in Seward, Homer, Nanwalek, Port Graham and Seldovia.
- Coordinated activation and use of ALMR digital radio system on the Kenai Peninsula, continued efforts on providing a "gateway" system to enable non-digital radio users to access the new Alaska Land Mobile Radio digital system in area-wide disasters.
- Worked with Legal, Planning, GIS, MIS, Purchasing and Dispatch to spec, procure and install a 911 data management system and 911 call routing system to improve service and 911 data accuracy.
- Initiated revisions of KPB Emergency Response Plan (ERP), Evacuation Annex, and Animal Annex.
- Citizen Corps program provided borough-wide emergency response training to majority of KPBSD school staff, GPS training, bear safety training for emergency responders, (September) Preparedness Month outreach and education, and four 24-hr. Community Emergency Response Team (CERT) classes throughout the Peninsula.
- Participated in Seldovia Pandemic Flu education.
- Participated in COML (communications unit leader) education in EOC.

## Significant budgetary changes:

- The FY2008 Budget estimated the costs for operations and maintenance of the newly constructed Emergency Operations Center. With one year of experience in this facility, the FY2009 Budget has been reduced to more accurate amounts.

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Staff includes: Emergency Manager, Administrative Assistant, Secretary (0.8) and a program coordinator (0.5).

43011 Contractual Services. USGS flood warning stations (\$47,292), Rapid Notify contract ( $\$ 11,500$ ), Custodial $(\$ 4,200)$, radio programming and antenna maintenance ( $\$ 18,000$ ). Decrease due to reduction in the number of warning stations being monitored.

43110 Communications. Connectivity, long distance, flood gauge phone lines, cable, satellite phones, and cell phone charges.

43610 Utilities. Electricity ( $\$ 9,551$ ), heating and cooling ( $\$ 5,934$ ), water and sewer (\$265) in new facility.

43720 Equipment Maintenance. Tsunami siren system maintenance \& operation, $(\$ 5,000)$; other emergency equipment, $(\$ 4,000)$; and copier maintenance agreement, $(\$ 2,000)$.

48311 Machinery \& Equipment. Flood control equipment.

## DEPARTMENT FUNCTION

Mission: Administration of Enhanced 911 emergency number services for all citizens living within the boundaries served by the Borough. An eight member 911 Advisory Board provides fiscal oversight and operational direction through the Borough Emergency Manager, Office of Emergency Management.

## Major long-term issues and concerns:

- None.

## Objectives FY2009/Budget highlights:

- Coordinate with KPB Planning Department, municipalities, agencies and contract personnel to ensure 911 mapping and addressing system is used effectively and contains accurate information.
- Develop program and initiatives to improve 911 -employee retention, including more localized training opportunities, and deployment of a non-emergency 3 -digit system for calls from the public that is nonemergency in nature.
- Plan, procure and installation of Computer Assisted Dispatch (CAD) system area-wide. Estimated cost of $\$ 500,000$ included in State, Federal and Local priority lists.
- Revamp training program to include regular TDD/TTY training (hearing \& vision impaired calls), wireless 911 systems deployment and use, and implementation of Emergency Medical Dispatch protocol training through the Kenai Peninsula College (KPC).
- Coordinate install of a "gateway" radio component to enable responders without ALMR ability to be patched onto the new digital system to provide true emergency interoperable communications between agencies and service areas. This will be provided by the State of Alaska.
- KPC provision of local training to reduce out of town training for Emergency Medical Dispatch protocols.
- Finalize protocols for use and assignment of ALMR (Digital) radio system for all agencies within KPB in mutual aid and disaster response, as well as for Tri-Borough mutual aid responses, upon installation of the "gateway".

## Previous year accomplishments:

- Participation in design, procurement and installation of the 911 data management system \& 911 call routing system in cooperation with KPB Planning and OEM.
- Initiated planning in cooperation with KPC to provide more local opportunities for training emergency dispatchers rather than sending them out of the area.
- Update of 911 systems and process to accommodate new technology use and State regulatory changes.

## Significant budgetary changes:

- None

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Staff includes: Communications Center Supervisor, 1 Shift Supervisors, 6.5 Public Safety Dispatchers, and 1 Secretary ( $20 \%$ of time).

43011 Contractual Services. Contract with ACS for update on access lines and CAN database information, ( $\$ 78,000$ ); payments to cities for E911 services, ( $\$ 146,894$ ); custodial, $(\$ 11,880)$; and miscellaneous items, $(\$ 10,906)$.

43110 Communications. Direct trunking charges related to 911 calls into the central call-taking center and directed to the remote dispatch centers. Dedicated long distance circuits, trunks, and data lines, (\$141,120); and connectivity, $(\$ 20,000)$.

43260 Training. Annual Navigator Conference for Dispatch Supervisor, $(\$ 1,120)$; NAED training for EMD recertifications, $(\$ 3,500)$; BLS ( $\$ 700$ ); APOA tactical training, (\$800); and ProQA training, (\$680).

43720 Equipment Maintenance. Maintenance agreement with ACS for CML equipment and labor $(\$ 42,000)$, Stancil recorder maintenance agreement $(\$ 2,500)$, generator costs $(\$ 2,000)$, maintenance agreement for fax and printers $(\$ 1,250)$.

60000 Charges (To) From Other Depts. $(\$ 83,229)$ These are charges from Resource Planning for all wages and benefits of the Addressing Officer responsible for all 911 addressing and database management.

## 911 PROGRAM REVENUES \& EXPENDITURES

The 911 program is projected to receive revenues of approximately $\$ 1,050,583$ during FY2009 with the City of Soldotna ( $\$ 70,000$ ), Central Emergency Services $(\$ 68,117)$, and Nikiski Fire Service Area $(\$ 68,117)$ contributing for dispatching services and $(\$ 836,000)$ generated from a $\$ 1.15$ per telephone line surcharge. The E911 for FY09 is being reduced from $\$ 1.35$ to reflect over recovery for FY07 and FY08.

The costs shown are approximately one-half of the total cost of operating the 911 program for the Kenai Peninsula. The State of Alaska Department of Public Safety budgets and pays for the other cost.

## DEPARTMENT FUNCTION

Mission: Administer human resources, information systems, risk management, print shop, mailroom and custodial functions for the Borough, including operations of the Homer and Seward Annexes.

## Major long-term issues and concerns:

- Managing Borough health care costs in connection with the rising cost of health care in the United States.
- Implementation and monitoring of more federal laws regarding benefits.

## Objectives FY2009/Budget highlights:

- Maintain good labor relations.
- Continue publication of policy guidelines.
- Continue providing on-line training.
- Closely monitor health care expenditures.

## Previous year accomplishments:

- Implemented new labor agreement.
- Implemented changes to health plan including separation of prescription drug coverage and increase in dependent premiums.
- Provided on-line harassment prevention training.
- Continued publication of policy guidelines.

## Significant budgetary changes:

- Changed $3 / 4$ time administrative assistant shared by general services and risk management to full time.
- Purchase new copier to be shared with risk management.

Department 11230-General Services - Administration

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Staff includes: General Services Director, 1.5 Administrative Assistant (General Services), 1 Secretary (Homer Annex) and $1 / 2$ time Secretary (Seward Annex).

Increased 0.3 Administrative assistant.
43011 Contractual Services. Labor arbitration contingency ( $\$ 3,000$ ), health care broker/consultant fees $(\$ 12,000)$.

43270 Employee Development. Amount required by labor contract.
43810 Rents and Operating Leases. Seward and Homer annex leases and post office box rentals.

48120 Office Machines. Copier (shared cost with Risk Management).

48710 Minor Office Equipment. 1 Workstation, \$2,000.

48720 Minor Office Furniture. Chair for Seward Annex.

## DEPARTMENT FUNCTION

Mission: To provide effective, courteous, and responsive end user support for the Kenai Peninsula Borough's computing systems. To provide direction, consultation, and guidance in regards to future planning as it relates to projects that have a computing based implementation.

## Major long-term issues and concerns:

The borough's long term issues and concerns, as they relate to information technology are no different than those of any other institution. We continue to posture ourselves to take advantage of efficiencies that can be derived from technology. This means maintaining and guarding the health of our computing environment and, more specifically, our network. Striving for service delivery over a cost effective medium must be an ongoing and conscious effort; which requires growth and development of our staff's skill sets.

## Objectives FY2009/Budget highlights:

- Introduce new flexibility and efficiencies by building the foundation for virtual server technology.
- Upgrade our 5-year IP telephony by replacing our call processing servers. This technology has grown from supporting 50 phones in a remote office setting (Poppy Lane) to servicing over 1400 phones on a Borough wide network (now encompasses KPBSD).
- Train staff in SQL Server 2005, and deploy vendor-approved applications to the SQL Server 2005 environment.
- Continue our transition from an in-house development environment to our application support roles with minor development projects.
- Develop front-end web-based applications for continued research capabilities into our historical legacy systems.
- Upgrade several of our minor in-house developed applications to the .NET development platform.
- Deploy the Web-based Sales Tax ETAX collection website for on-line Sales Tax reporting and collections.
- Reconfigure tech staff by changing one computer tech to helpdesk supervisor and one computer tech and one senior computer tech to senior helpdesk techs. This will complete implementation of our help desk service.

## Previous year accomplishments

- Expanded the Borough's IP Telephony system to the Kenai River Center and Kachemak Emergency Services.
- Provide clustered redundancy to voice mail services.
- Reorganized roles within the department to address the changing demands placed upon MIS.
- Implemented a help desk and incident flow system.
- Front ended our mail server for increased efficiencies.
- Initiated the process of migrating from in-house development environment to one including third-party application support roles.
- Initiated SQL Server 2005 in-house training via a CD training series.
- Developed and deployed the web-based Sales Tax Calculator to aid in the calculation of the new recreational sales tax requirement.
- Completed the configuration and integration of the Manatron electronic field PC Tablets for the Assessing department appraisers.
- Deployed the web-based WebEnvision student and employee injury reporting application for both the borough and school district.

## Significant budgetary changes:

- Implementation of Help Desk Concept resulted in reclassification and new job descriptions for many department personnel.
- New release of SQL, replaces 5-year old data base management system, one time cost of $\$ 20,000$.

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Staff includes: Systems Manager, 4 Enterprise 43019 Software Licensing. IP phones, (\$18,000); GEMS, (\$28,750); NT runtime Applications Developers, 1 Network/IT Administrator, 1 Network/PC Specialist, 2 Development, ( $\$ 39,000$ ); Anti-Virus, ( $\$ 2,500$ ); Anti-Spam, ( $\$ 3,000$ ); Spyware Senior Information Helpdesk Technicians, 1 Information Helpdesk Technician, and 1 Information Helpdesk Supervisor.

42120 Computer Software. The coming releases of our flag ship applications will run exclusively on SQL2005 requiring upgrade from our current SQL2000 version. This upgrade brings enhanced reporting capabilities that will likely reduce or eliminate licensing costs for other reporting tools in the future $(\$ 36,000)$. Miscellaneous ( $\$ 3,000$ ).

42210 Operating Supplies. Paper, toner, ink, tapes and miscellaneous supplies.
42310 Repair/Maintenance Supplies. Various parts for repairing and maintaining desktop and network computers, equipment and infrastructure. ( $\$ 2,850$ ); MICROFOCUS COBOL Compiler, $(\$ 2,000)$; Recurring charge for MS Office Pro, ( $\$ 35,000$ ); GoToMyPC, $(\$ 4,400)$; CommVault Backup, $(\$ 2,500)$; FrontPage, $(\$ 1,200)$; miscellaneous, $(\$ 4,000)$.

43110 Communications. Increase internet bandwidth to 7 Mb .
43260 Training. Web or media based training on VM Ware, web authoring, and ongoing application development tool training $(\$ 8,200)$.

43720 Equipment Maintenance. Printer, ( $\$ 16,000$ ); CommVault backup, ( $\$ 14,000$ ), P/C and server contracts and miscellaneous charges ( $\$ 13,538$ ).

43812 Equipment Replacement Payments. See schedule below.
43011 Contractual Services. Software modifications, ( $\$ 20,000$ ); Help desk calls, $(\$ 2,000)$; miscellaneous, $(\$ 2,000)$.

43920 Dues \& Subscriptions. Microsoft Developer, $(\$ 2,000)$ and Miscellaneous Publications, $(\$ 1,000)$.

48710 Minor Office Equipment. (3) Switches, $(\$ 7,500)$ and (4) workstations $(\$ 10,000)$.

| Dept: | 11232 | General Services - GIS |

## DEPARTMENT FUNCTION

Mission: The Geographic Information Systems (GIS) department provides map services and support for the Kenai Peninsula Borough, its cities, state, federal agencies and the public. GIS is responsible for map book production, developing and maintaining Internet based mapping, ad hoc map production and development and support of spatial applications for various borough departments.

## Major long-term issues and concerns:

- Geographic Information System technology is emerging from a back office map shop to a more mainstream, mission critical application in support of local government operations. As new software and data sources become available, our customers will demand we provide the tools for them to do their work in the office and in the field.
- Training technicians and analysts to provide advanced capabilities.

## Objectives FY2009/Budget highlights:

- Focus on data quality.
- Data grooming work in support of map preparation work for the 2010 US Census.
- Implementation of enhanced E911 system features.
- Development of a digital terrain model using LIDAR data.
- Support cadastral map updates, digital map book production, further development of the Zoom tool for data consumers, and support for Oil \& Gas industry mapping.

## Previous year accomplishments:

- Completed development of the digital versions of our Emergency Services Map Books.
- Expanded the map book library to include one specifically for the Kenai River.
- Completed digitizing historical aerial photographs.
- Provided support for the search and selection of Microdata, Inc. software to allow the Borough to take ownership of the E911 database.

## Significant budgetary changes:

- Enter into an Enterprise License Agreement (ELA) with ESRI, Inc. for unlimited ESRI software, virtual campus training, technical support and maintenance and a discount for instructor led training. This will enable us to provide better support to the cities and include them in the Enterprise.
- Contracted with Geodesy, Inc. to develop field computing applications.

## LINE-ITEM EXPLANATIONS

40110 Regular wages. Staff includes GIS Manager, 1 GIS Senior Technician, and 2 GIS Technicians.

43011 Contractual Services: Geodesy services to develop field computing applications.

43019 Software Licensing. ESRI \$45,250, GEODESY \$9,500, ER Mapper $\$ 2,000$, Autodesk $\$ 600$, Lizardtech $\$ 4,000$, Mapmakers $\$ 3,200$.

43410 Printing. Emergency Services Map Books to be provided to emergency responders. Decreased due to map book being available on CD has reduced printing needs.

43260 Training. ESRI related training/conference registration.
43812 Equipment Replacement Payments. See the payment schedule below.
48120 Office Machines: Replace (1) Mapping Computer $\$ 7,500$.

| Large Format Plotter | EQUIPMENT REPLACEMENT PAYMENT SCHEDULE |  |  |  |  |  |  |  |

| Dept: | 11233 | General Services - Print/Mail |

## DEPARTMENT FUNCTION

Mission: To provide printing service for Borough administration, service areas and school district. This includes routine copying services and copying and binding of special reports and documents. To process outgoing metered mail for Borough administration and school district and sort incoming mail for Borough administration. Handle folding, stuffing, sealing and mailing of bulk mail such as tax bills, sales tax forms and assessment notices.

## Major long-term issues and concerns:

- None

## Objectives FY2009/ Budget highlights:

- Continue providing timely and quality services.

## Previous year accomplishments:

- See "Key Measures " below.

## Significant budgetary changes:

- None

## LINE-ITEM EXPLANATIONS

40110 Regular wages. Staff includes: Lead Mail-Copy Technician and part-time Mail-Copy Clerk.

42110 Operating Supplies. Paper $\$ 26,000$ plus $\$ 4,000$ for letterhead, tape, binding supplies, laminate, color ink, and miscellaneous supplies.

43720 Equipment Maintenance. Maintenance costs on main printers, color copier, folder, stuffers, mail processor and other miscellaneous equipment. Higher cost due to rise in mailing equipment maintenance.

43812 Equipment Replacement Payments. See the payment schedule below.

| Fund: | 100 | General Fund |
| :--- | :--- | :--- |
| Dept: | 11235 | General Services - Custodial Maintenance |

## DEPARTMENT FUNCTION

Mission: Clean in and around the main Borough building, including human resources/Risk Management annex, school district portables, records center, and Homer Annex. Administer contracts with janitorial services for the cleaning of Poppy Lane Facility, Kenai River Center, and Emergency Operations Center.

NOTE: An equal number of staff are budgeted in the School Fund (see fund 241.11235 , School Fund Custodial Maintenance Division)

## Major long-term issues and concerns:

- None

## Objectives FY2009/ Budget highlights:

- Continue to provide a satisfactory level of service to those we serve.

Previous year accomplishments:

- Maintained all assigned buildings and grounds at a satisfactory level.

## Significant budgetary changes:

- None

| 11310 | Legal Department |  |

## DEPARTMENT FUNCTION

Mission: Provide effective legal services for the borough assembly, mayor, departments, school district, service areas, and borough boards and commissions.

## Major long-term issues and concerns:

- Establish public officials training program regarding common issues faced by public officials with probable legal implications.
- Establish employee-training programs regarding common issues faced by employees with probable legal implications.
- Finish establishing a single database of standard contracts that have been approved for legal form and sufficiency, reducing the need to route such forms through legal.
- Scan legal research files for storage on the computer system.
- Finish implementing timekeeping and project tracking system.
- Update the Borough Code of Ordinances.

## Objectives FY2009/Budget highlights:

- Favorably resolve outstanding claims and lawsuits throughout the year.
- Implement timekeeping system and issue regular internal reports, beginning July 1, 2008.
- Continue to improve department filing and organization systems throughout the year.
- Convert at least one file cabinet of research files to computerized format by June 30, 2009.
- Conduct training sessions for all service area boards, the Planning Commission, the Assembly, and advisory planning commissions regarding responsibilities, the Open Meetings Act, conflicts of interest, and other items as needed. Service Area Board training should be conducted commencing after the October 2008 election and completed by March 31, 2009.
- Conduct employee training in conjunction with other appropriate departments regarding matters likely to have legal ramifications. Deadline for completion is June 30, 2009, and annually thereafter.

## Previous year accomplishments:

- During calendar year 2007 the superior court upheld two BOE decisions, one of which is now before the Alaska Supreme Court. The Superior Court also entered a judgment in favor of the school district and the state in a case regarding the PPD tuberculosis-testing requirement for admission to school. Two cases were settled; one for personal injuries and one was a construction contract claim. Finally, the court granted the borough's motion for summary judgment in a case challenging the increase in sales taxes to 3 percent.
- Advised Planning Department in three appeals to the Board of Adjustment, including briefing and arguing these appeals in calendar year 2007.
- Advised Assessing Department in 17 appeals to the Board of Equalization, including briefing and arguing in two of the appeals in calendar year 2007.
- Purchased and began implementing timekeeping/project tracking program.
- Collected $\$ 149,894$ in delinquent sales taxes, $\$ 3,085$ in personal property taxes, and $\$ 21,531$ in bankruptcy proceeds during calendar year 2007.
- Worked on team to negotiate South Peninsula Hospital Sublease and Operating Agreement.

## Significant budgetary changes:

- None.

## DEPARTMENT FUNCTION

Mission: To provide overall administration and accountability of the financial activities of the Borough. To ensure that Borough financial practices are in compliance with Borough policies and state and federal law and reflect best practices within public sector financial management. Serve as an advisor to the Mayor and to the Assembly regarding fiscal management of the general operational budget and projects having a financial impact to the Borough.

## Major long-term issues and concerns:

The actions of the Government Accounting Standards Board (GASB) as well as recent legislation (Sarbanes-Oxely Act) indicates that more transparency in financial reporting at all levels is migrating to the government sector and should be expected to impact the Borough. This will result in increased workloads as well as placing new demands on an already stressed financial management system that will be challenged to offer greater functionality, efficiency, and easier access to information. During FY2007 \& FY2008, the Borough saw twelve new auditing standards (SAS) implemented. These SAS's will impact the finance department budgets and cost of the Borough's financial statement audits.

## Objectives FY2009/Budget highlights:

- Earn GFOA Certificate of Achievement for Excellence in Financial Reporting.
- Earn GFOA Distinguished Budget Presentation Award.
- Documentation of systems/processes for compliance with new SAS's.

## Previous year accomplishments:

- Earned GFOA Certificate of Achievement for Excellence in Financial Reporting for the FY2007 CAFR, $27^{\text {th }}$ consecutive year.
- Earned GFOA Distinguished Budget Presentation Award, $16^{\text {th }}$ year.
- Reviewed and documented the Borough's policies and procedures.
- Upgraded the Finance Department web page to allow access to the Borough's past and present Budgets and CAFR.

## Significant budgetary changes:

- Purchase new copier for the finance department

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Staff includes: Finance Director, Controller, and Administrative Assistant (Finance).

43011 Contractual Services. Miscellaneous financial services.
43019 Software Licensing. Annual maintenance agreement for CAFR 2000 software utilized for preparation of Borough's Comprehensive Annual Financial Report.

43017 Investment Portfolio Fees. Fees paid for managing a portion of the Borough's investment pool. Total costs are estimated at $\$ 120,000$, the general fund portion is approximately $\$ 58,000$; the balance is charged out to other funds and is shown as a reduction of interest earnings.

43210 Transportation/Subsistence. Travel by Finance Director and Controller for attendance at Alaska Government Finance Officers Association (AGFOA) and Government Finance Officer Association (GFOA) conferences; essential meetings; and other training seminars and workshops.

48120 Major Office Equipment. Replacement of copier for the finance department.

```
Fund: 100 General Fund
Dept: 11430 Finance - Financial Services
```

## DEPARTMENT FUNCTION

Mission: To provide accounting services for all departments and service areas of the Borough. Maintain the Borough's chart of accounts; conduct sales tax audits of businesses selling goods and services in the Borough to ensure compliance with sales and personal property tax ordinances; monitor, prepare, and submit financial reports for all Borough grants; and assist in the preparation of the Borough's Comprehensive Annual Financial Report and annual budget document.

## Major long-term issues and concerns:

- The implementation of new and frequent Governmental Accounting Standards Board pronouncements as well as preparation for new Statement of Auditing Standards issued by the American Institute of Certified Public Accountants is placing a significant strain on the department's resources.
- The Accountant/Auditor position is being utilized more and more as an Accountant resulting in a decrease in the number of sales tax audits performed.

## Objectives FY2009/Budget highlights:

- Maintain highest level of financial accounting and reporting through training of department staff as well as staff of all departments and services areas.
- Integration of solid waste fee billing into the GEMS financial accounting and reporting system.
- Documentation of systems/processes for compliance with new SAS's.

## Previous year accomplishments:

- Reviewed and documented the Borough's policies and procedures.
- Implemented CAFR 2000 software to assist in the preparation of the Borough's Comprehensive Annual Financial Report.
- Completed system review of Borough's financial management system.

Significant budgetary changes:

- None

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Staff includes: Financial Planning Manager, 2-General Account Specialists (Payroll and Accounts Payable), Data Input Clerk, Auditor, Audit Specialist, Auditor/Accountant, and Treasury/Budget Analyst.

43210 Transportation/Subsistence. Travel to the Alaska Government Finance Officers Association's (AGFOA) and GFOA conferences. Additional travel to audits and Service Area board meetings.

43410 Printing. To cover the cost of W-2 and 1099 forms and check stock for payroll and accounts payable laser checks.

48710 Minor Office Equipment. Scheduled replacement of printer $(\$ 2,300)$ and two desktop computers (\$1,800 each).

| Fund: | 100 | General Fund |
| :--- | :--- | :--- |
| Dept: | 11440 | Finance - Property Tax and Collections |

## DEPARTMENT FUNCTION

Mission: It is the responsibility of the Property Tax and Collections Division to calculate the annual mill levies, create and mail the tax bills, collect and disburse property tax and related penalty and interest for all Borough taxing authorities; which includes all service areas and the six cities contained within the Borough in accordance with the KPB Code of Ordinance. The department is also accountable for collection of delinquent sales tax and property tax, including foreclosure proceedings mandated by Alaska State Statutes.

## Major long-term issues and concerns:

- None

## Objectives FY2009/Budget highlights:

- Update the tax web page so more information will be available to the public regarding their accounts.
- Process most of the revenues using Check 21, which will send checks to the bank electronically ensuring maximum cash flow.

## Previous year accomplishments:

- Processed the majority of miscellaneous cash receipts on the GRM application, which reduced the need for another cashiering system.
- Processed refunds in a timely manner, resulting in less interest having to be paid out.
- Installed new payment processing remittance system, providing for imaging of all checks.
- Processed tax payments in a timelier manner with the implementation of the new AQ2 software by using the payment processing remittance scanner, which integrates with GRM.

## Significant budgetary changes:

- None

## KENAI PENINSULA BOROUGH <br> BUDGET DETAIL

Fund 100
Department 11440 - Finance - Property Tax and Collections

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Staff includes: Property Tax and Collections Supervisor (1), Delinquent Accounts Specialists (2), Delinquent Accounts Specialist/Property Tax (1), Senior Account Clerk (Revenue) (2), Delinquent Accounts/Revenue Clerk (1), and Receptionist/Account Clerk (Revenue) (1)

43011 Contractual Services. Collection agency $\$ 8,500$, armored car service $\$ 5,000$, web reports and electronic payments $\$ 3,000$.

43019 Software Licensing. Yearly licensing fee for the payment processing remittance system.

43720 Equipment Maintenance. Additional maintenance fees for the two newly added check scanners.

48710 Minor Office Equipment. Scheduled computer upgrades to keep abreast with current technologies, one desktop $(\$ 1,800)$ and replace one laser printer $(\$ 2,300)$.

| Fund: | 100 | General Fund |
| :--- | :--- | :--- |
| Dept: | 11441 | Finance - Sales Tax |

## DEPARTMENT FUNCTION

Mission: Collection and distribution of Borough and Cities' sales tax as defined within the Borough Sales Tax Code section 5.18.100, while remaining in compliance with Borough policies and Alaska State Statutes. Compile and provide accurate and timely sales tax information to the general public and various government officials. Make recommendations regarding policies and ordinances related to sales tax.

## Major long-term issues and concerns:

- The new TaxMantra® sales tax software has many new analytical tools and it is our goal to begin utilizing these features to offer more accurate and useful information to the jurisdictions within the borough. Information that will help the cities and borough make more informed decisions.
- Currently we are imaging all returns, backup documentation and remittance information, then the permanent records are created in borough's records management division. We will be working to implement additional record-keeping components that will make the images acceptable per the State of Alaska permanent record keeping requirements and this will end the need for duplication of records.

## Objectives FY2009/ Budget highlights:

- Implementation of new sales tax cap for the City of Seward through TaxMantra® software modifications, e~tax module changes, revised joint sales tax return form, and training and assistance to business owners around the borough on changes and use of new form.

## Previous year accomplishments:

- Implementation of borough sales tax rate increase from $2 \%$ to $3 \%$.
- Continued implementation of new TaxMantra® sales tax software and e~tax module.
- Review of all accounts from conversion to determine active status or proper closure date within the TaxMantra system.

## Significant budgetary changes:

- None

## DEPARTMENT FUNCTION

Mission: To establish and maintain equitable, fair and uniform real and personal property assessments borough-wide, while adhering to all state and local assessment laws. Provide accurate and timely information to the general public, cities, user departments, and the State of Alaska. Prepare the annual assessment roll.

## Major long-term issues and concerns:

- Improving land ratio utilizing modeling tools available in the Manatron Computer Assisted Mass Appraisal (CAMA) software system.
- Meeting the 5-year inspection cycle per Resolution 2003-008.

## Objectives FY2009/Budget highlights:

- Continue to administer exemption programs, deed changes, and address changes in an efficient manner.

## Previous year accomplishments:

- Completed first year of operations under new Manatron software system.

## Significant budgetary changes:

- None

## DEPARTMENT FUNCTION

Mission: Perform equitable, fair, and uniform real and personal property assessments borough-wide, while adhering to all state and local assessment laws. Provide accurate, courteous, and timely information to the general public, cities, user departments, and the State of Alaska. Prepare the annual assessment roll.

## Major long-term issues and concerns:

- Frequency of anticipated future inspections of Caribou Hills new construction as a result of July 2007 fire.
- Continue to find efficiencies in use of CAMA System with GIS on field tablets/notebooks.

## Objectives FY2009/Budget highlights:

- Field canvas Seward, Sunrise, Hope, Seldovia, and half of Soldotna.

## Previous year accomplishments:

- Field canvassed Cooper Landing, Moose Pass, and one half of Kenai.

## Significant budgetary changes:

- Travel costs have increased due to planned inspection area and increased presence at Manatron User Conference.
- Physical inspections have decreased with implementation of Manatron System due to need to update or acquire new information on all inspected parcels that was not previously required by former appraisal system.

## DEPARTMENT FUNCTION

Mission: Provide professional advice and information to the Planning Commission, Borough Assembly, and other departments for the purpose of assisting in the ongoing socioeconomic development of the borough.

## Major long-term issues and concerns:

- Collect, analyze, and distribute information concerning population, land use, natural resources, and regulatory functions within the Borough.
- Provide information and assistance to other municipalities, local community groups, and the general public regarding subdivision regulations, the Coastal Zone Management Program, land use regulations, and land use planning.

## Objectives FY2009/Budget highlights:

- Establish better communication with the public through the use of the Internet.
- Establish greater interdepartmental communication to help facilitate public inquires.
- Assess changes and monitor the Borough's population for the 2010 census.
- Determine a future network of collector and arterial roads to serve communities outside the cities through platting and vacations.
- Research public beach access for residents of the borough.
- Assist the Cities of Homer and Soldotna with Comprehensive Plan updates.
- Elimination of duplicate street names and provide correct assignment of numerical addresses to all houses and buildings.
- Improve the education and training of department staff.
- Audit flood prone property to comply with FEMA requirements.

## Previous year accomplishments:

- Updated the Plat Committee hearing and review process and chapter 21.20 regarding Board of Adjustment proceedings.
- Established a prioritized project list for the 2007 Coastal Impact Assistance Program.
- Obtained a section 309 NOAA grant to identify coastal erosion hazards.
- Completed the amended Alaska Coastal Management Program to comply with the revised state Plan.
- Assisted with mapping and personnel for the Caribou Hills fire, and damage assessment for the Seward flood.

## Significant budgetary changes:

- None.

| Dept: | 31110 | Major Projects |

## DEPARTMENT FUNCTION

Mission: The Major Projects Division provides overall administration for major and minor capital improvement projects, school and hospital addition construction, solid waste capital projects, and various Service Area improvement projects. The Division provides concept evaluations, cost estimation, design for smaller projects, direct project administration, and engineering criteria review.

This General Fund Division accounts for partial capital projects' staff time and operating expenses not attributable to any specific capital project. The remainder and majority of staff's time are charged to specific capital projects in the Capital Project Fund.

## Major long-term issues and concerns:

- The staffing level for this department is completely based upon the project management needs of the entire Borough. The number and size of projects will dictate the necessary size of this department in the future as it has in the past.

## Objectives FY2009/Budget highlights:

- Continue to emphasize staff development and retention to increase staff proficiency.

## Previous year accomplishments:

- Arsenic Systems Upgrade at 6 schools; Central Emergency Services (CES) Funny River living Quarters design \& construction; CES Funny River Fire Fighting Water Source; Central Peninsula Hospital (CPH) Phase 3 construction; Nikolaevsk-APVFD Station Construction; Keystone Drive environmental/scoping phase; CPH Phase 2; CPL Landfill Closure; OEM Siren system construction; SoHi Sports Field Design; South Peninsula Hospital (SPH) Phase 2 construction; BAB duress alert panic button system, Diamond Ridge fire station-65\% schematic designs; Nikiski pool filtration/tanks; Nikolaevsk School re-roof A roof area; Nanwalek Teachers Housing design; Kenai River Center ice damage repair; OEM Siren study design (completion 02/08); Seward Flood Board creek projects (Salmon Creek, Clear Creek, Lost Creek); Seward Flood Conveyance calculations; Kenai Spur extension; Keystone Drive environmental; Bear Creek fire station design 95\%.

## Significant budgetary changes:

- Transfer of Solid Waste Project Manager to this division for budgeting and oversight. Time spent on Solid Waste projects will be billed utilizing the standard major projects billing rate and procedures.

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Staff includes: Major Projects Director, one administrative assistant, six project managers, and one capital projects clerk. The Solid Waste Projects Manager has been recently moved from Solid Waste capital projects to Major Projects.

43260 Training. To cover course fees for Anchorage claims course, project estimating course, project management course and inclusion of solid waste project management requirements.

43812 Equipment Replacement Payment. Payment to the equipment replacement fund for vehicle.

48710 Minor Office Equipment. Purchase one laptop computer. Purchase new printer shared between departments.

60000 Charges (To) From Other Depts. Department cost estimated to be charged to other departments. See page 41 for a summary showing all interdepartmental charges.

| Fund: | 100 | General Fund |
| :--- | :--- | :--- |
| Dept: | $6 \times X X X$ | Senior Citizens Grant Program |

## DEPARTMENT FUNCTION

Mission: The Kenai Peninsula Borough Code of Ordinances, Chapter 5.22, established the Senior Citizens Grant Program funding. To be eligible for senior citizen program grants an organization, group or adult day care center must be nonprofit, tax exempt; located within the Kenai Peninsula Borough and may be sponsored by a city or recognized by the Kenai Peninsula Borough assembly or the Alaska Commission on Aging.

Organizations that receive funding shall administer those funds in accordance with the following regulations:

- Services are to be provided only to persons who are 60 years of age or older and their spouse.
- Services must be targeted to persons in greatest economic and social need.
- Transportation shall be provided to access services in the following order of priority:

Access to medical appointments, prescriptions, hospital, and essential (non-emergency) health services.

- Access to nutrition and other essential support services;
- Essential shopping and volunteers in services to older persons, disabled and children;
- Attendance at senior organization meetings;
- Non-essential shopping, business; beauticians, cultural and educational purposes.

Each year the assembly shall determine the amount to be appropriated for the senior citizen grant program and adult day care centers. Distribution of the program funds is based upon the latest census figures of election precincts and whether or not the organization previously participated in the program.

## Significant budgetary changes:

- FY2009 funding reflects a $10 \%$ increase. This represents a $21 \%$ increase in funding since FY2006.

Population data from the 2000 Federal census is used in determining the allocation of the program funds. The FY2009 allocation is as follows:

|  | No. of Seniors | \% of Population | FY2009 Funding |
| :---: | :---: | :---: | :---: |
| Anchor Point Seniors | 281 | 5.33 | \$ 25,797 |
| Cooper Landing Seniors | 163 | 3.09 | 14,956 |
| Homer Seniors | 948 | 17.97 | 86,975 |
| Kenai Seniors | 1,257 | 23.83 | 115,337 |
| Nikiski Seniors* | 398 | 7.55 | 36,542 |

## LINE-ITEM EXPLANATIONS

Expenditures and transfers in the General Fund Non-Departmental budget are those which are not attributable to a specific activity.

40511 Other Benefits. Unemployment compensation payments for Borough General Fund Employees.

43009 Contractual Services - EDD. Provide funding for the Economic Development District ( $\$ 50,000$ ). EDD works closely with the Mayor's office and the Assembly on the Community Economic Planning forums and report.

43010 Contractual Services - CARTS. To provide local funding $(\$ 50,000)$ to the Central Area Rural Transit System (CARTS). Funding can be used to match other federal funds, generally on a $90 / 10$ ratio. Additional funding $(\$ 25,000)$, as a one-time contribution, is to be used as matching funds on an 80/20 ratio to purchase replacement vehicles.

43011 Contractual Services - CULVT. Funds to improve fish passage on anadromous streams that are blocked or partially blocked by culverts that are not functioning correctly. The funds would be used to replace the culverts and open up sections of streams that had not been previously accessible. Approval by Assembly through a resolution required before award of contract.

43011 Contractual Services - LOBBY. To provide funding for a lobbyist to represent the interest of the borough $(\$ 55,000)$.

43011 Contractual Services - SBDC. Small Business Development Center contract ( $\$ 109,433$ ). Program provides counseling and workshops for small businesses.

43019 Software Licensing. \$125,302 for Manatron's CAMA systems annual maintenance fee. $\$ 50,557$ for TaxMantra system annual maintenance fee.

43021 Peninsula Promotion. Contract with Kenai Peninsula Tourism and Marketing Council (KPTMC) for marketing the Kenai Peninsula Borough as a prime destination for tourists on a non-areawide basis $(\$ 150,000)$ and development of branding packet ( $\$ 75,000$ ), plus funding for an expanding marketing program $(\$ 70,500)$.

43510 Insurance Premiums. Allocation of insurance coverage funded through the internal service fund.

50241 Transfer to School District Operations. The local effort required for the School District operating budget and in-kind services, which are Maintenance, custodial, audit, insurance, and utilities.

50242 Transfer to Post-Secondary Education. Provide post-secondary education funding on an areawide basis to institutions that are a part of the University of Alaska system. Funding is restricted to operations and may only be used for instruction and the operations of facilities used to provide curriculum or programs offered within the Borough.

50290 Transfer to Solid Waste. For the operations and management of the Solid Waste Department ( $\$ 6,562,194$ ). $\$ 5,280,950$ is for general operations, $\$ 451,000$ for solid waste capital projects and $\$ 830,244$ is for debt service payments on the FY2003 Landfill Expansion Bonds.

50308 Transfer to Debt Service. To cover the current portion of principal and interest on outstanding general obligation bonds for schools ( $\$ 2,334,738$ ). Payment for the Solid Waste capital projects bonds is included in the transfer to the Solid Waste Department.

50400 Transfer to School Revenue Capital Projects. ( $\$ 1,550,000$ ). Funding for improvements at various schools ( $\$ 1,250,000$ ) and for local match toward Tyonek teacher housing $(\$ 300,000)$.

50407 Transfer to General Government Capital Projects. Funding for improvements at the Borough administion building and the Poppy Lane Facility.

60000 Charges (to) From other Departments. (-\$471,383). Amount included in the operating budget of the Maintenance department expected to be charged to the general fund $\$ 225,000$. Indirect cost recovery from Borough Service Areas $(\$ 548,983)$ and indirect cost recovery from Borough capital projects and grants ( $\$ 147,400$ ).

## SPECIAL REVENUE FUNDS

Special revenue funds are established when there are legal requirements restricting specific resources to expenditure for specified purposes, which are not appropriately budgeted elsewhere. They are commonly used for voter-authorized services, grants, entitlements, and shared revenues. Kenai Peninsula Borough Special Revenue Funds are as follows:

## Kenai Peninsula Borough

## Emergency Services Service Areas

The Borough has eight (8) service areas that were created by the voters to prepare and respond to emergency situations within their respective service area boundaries. These services include fire protection, ambulance, search and rescue, and flood mitigation. Each service area has a separate board of directors and it's own taxing jurisdiction although the Borough sets the mill rate and approves their budget.

The major source of revenues for each of these Service Areas is property taxes. Additional funding is provided through state grants, interest earnings and ambulance fees. A listing and summary of these service areas is shown below.

Nikiski Fire Service - this service area provides fire protection, emergency medical and ambulance, and search and rescue for the Nikiski area and Cook Inlet. There are currently 23 permanent employees and 31 volunteers.

Bear Creek Fire Service Area - this service area provides fire protection and first responder medical service for the area outside the City of Seward's city limits. This service area has one 3/4-time permanent employee and 27 volunteers.

Anchor Point Service Area - this service area provides fire protection, emergency medical and ambulance, and search and rescue for the Anchor Point, Nikolaevsk, and surrounding areas. This service area has 1 permanent employee and 40 volunteers.

Central Emergency Services (CES) - this service area provides fire protection, emergency medical and ambulance, and search and rescue for the Soldotna, Kasilof, Kalifornsky Beach, and Sterling areas. There are currently 31.5 permanent employees and 45 on-call employees.

Central Peninsula Emergency Medical Service Area - this service area contracts with CES to provide ambulance and emergency medical for the residents residing in the area from Skilak Lake to Tustamena Lake and surrounding areas not covered by CES.

Kachemak Emergency Service Area - this service area currently contracts with the City of Homer to provide fire protection, emergency medical and ambulance, and search and rescue for the area surrounding the City of Homer and Kachemak City areas. This service area has one permanent 3/4-time employee.

Seward Bear Creek Flood Service Area - this service area was formed to provide flood planning, protection and mitigation services to the residents of the service area, which covers the river drainage area of the City of Seward, Bear Creek, and Lowell Point. This service area has one permanent employee.

Lowell Point Emergency Service Area - this service area provides fire protection and emergency medical services for the residents residing in the Lowell Point area.

## NIKISKI FIRE SERVICE AREA

This service area, established on August 19, 1969, was the first fire service area in the Borough. The seven-member board is elected for three-year terms. The service area provides fire protection, ambulance, and search and rescue for the Nikiski area and Cook Inlet. Many of the 21 permanent employees and 31 volunteers are cross-trained to respond not only to fires and ambulance calls, but also for cold water and mountain rescues.

Four fire stations serve the area; two are located on the Spur Road, one at Milepost 17.9 and one at Milepost 26.8. The other two stations are located in Beluga and Tyonek. Their equipment consists of sixteen fire response vehicles, six EMS response vehicles, two command vehicles, four utility vehicles, two all-terrain vehicles, two snow machines, and two rescue boats.

The major source of revenue is property tax. Additional funding is provided through ambulance billing fees charged to users of the ambulances and interest income. The mill rate is $\mathbf{3 . 0 0}$ mills for fiscal year 2009.

Fire Chief: James Baisden

## Fund: 206 Nikiski Fire Service Area

Dept: 51110

## DEPARTMENT FUNCTION

## Major long-term issues and concerns:

- Maintaining the current level of service to the residents of our service area with the current trend of declining property values of oil \& gas assets and the closure of major industrial plants.
- Our continued ability to update and maintain our aging apparatus, equipment, and facilities in our current economic climate.

## Objectives FY2009/Budget highlights:

- The reduction of total department staff by two positions (the Assistant Chief and a Mechanic) while continuing to maintain six firefighter/medics per shift.
- Increased our capital contribution over $71 \%$ to aid in the updating of our aging apparatus, equipment, and facilities.
- Continue aggressively seeking State and Federal Grants for our immediate and future capital needs.

## Previous year accomplishments:

- Placed two pieces of fire apparatus in service at the Beluga Fire Station.
- Upgraded the department's communication equipment to be compatible with the Alaska Land Mobile Radio System (ALMR).
- Obtained two state grants for the purchase of forestry and emergency response equipment, $\$ 57,000$.
- Established a new volunteer program with firefighter I certification.

## Significant budgetary changes:

- Elimination of the Assistant Chief and a Mechanic position with an estimated annual savings of \$190,000.
- Increased annual contribution to Service Area Capital projects of $\$ 125,000$.

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Staff includes: Fire Chief, 3 Battalion Chiefs, Medical Director (Senior Captain), Captain, 7 Engineer/Medics, 6 Paramedic/Engineers, 1 Auto-Diesel Mechanic, and 1 Administrative Assistant.

Reduction of 2 full time equivalent positions. Assistant Fire Chief and 1 AutoDiesel Mechanic.

40120 Temporary Wages. $\$ 18,210$ increase to provide more hours for the on-call staff to be used for emergencies and station coverage.

42120 Computer Software. New software for database use on the department's server.

42220 Medical Supplies. Increase for purchase of new I-STAT equipment and 24/7 EMS training videos.

42250 Uniforms. Increase to purchase department badges for both full time and on-call staff.

43011 Contractual Services. Includes physician sponsor contract $\$ 81,113$, ambulance billing contract $\$ 12,000$, helicopter medivac services $\$ 6,500$, repeater site contract $\$ 5,227$, instructor contracts $\$ 5,000$, I-STAT licensing $\$ 10,000$, and $\$ 11,258$ other miscellaneous items.

43014 Physical Examinations. Decrease resulting from bi-annual physicals rather than annual.

43260 Training. Increase due to addition of the following classes: EMT I Class at Kenai Peninsula College for new on-call positions, $\$ 4,800$; Hazmat class for oncall positions, $\$ 2,000$; Firefighter II training for full time positions, $\$ 1,500$; and attendance at Alaska State Firefighters Conference, $\$ 750$.

48311 Machinery \& Equipment. For the purchase of an IP phone system for stations 1 and 2.

48740 Minor Machines \& Equipment. For the purchase of a new IP Phone System. This new system will decrease the number of phone lines required, resulting in future cost savings to the department. Outside, public, emergency phones will also be added to stations I and II during this process.

48755 Minor Recreation Equipment. For the purchase of wellness and fitness equipment.

50441 Transfer to Capital Projects. Annual transfer to fund long-term capital projects/ replacement requirements. See the capital projects section of this document.

61990 Admin Service Fee. Fees charged to service areas and departments to cover a portion of the costs associated with providing general government services.

## BEAR CREEK FIRE SERVICE AREA

This service area was created on January 25, 1977, to provide fire protection and limited ambulance service for the area outside the City of Seward's city limits. The fire department is staffed by one $3 / 4$ time permanent employee and 27 volunteers. Five elected citizens serve on its board.

The fire station is located at mile 5.5 on the Seward Highway just outside the City of Seward. Equipment consists of five fire response vehicles and three EMS rescue vehicles.

Revenue is raised through property tax and rescue services billing. The mill rate is $\mathbf{2 . 2 5}$ mills for fiscal year 2009.

Fire Chief: Mark L. Beals

## Fund: 207 Bear Creek Fire Service Area

```
Fund: 207 Bear Creek Fire Service Area
Dept: 51210
```

## DEPARTMENT FUNCTION

Mission: Provide rapid emergency, fire, EMS and rescue response services to the residents and visitors of the Bear Creek Fire Service Area. This includes offering Volunteer Firefighter training, community fire suppressions, prevention, education, rescue, and emergency medical services.

## Major long-term issues and concerns

- Recruit more volunteers resulting in quicker response times and an increased number of volunteers responding to each call.
- Explore the possibility of a joint use apparatus with the City of Seward Fire Department. This would improve water supply to both areas and bring us closer to our goal of having 500 GPM flow at residential fires.

## Objectives FY2009/Budget highlights

- Provide Rapid Intervention Team Training for department and surrounding area departments to further enhance Mutual Aid partnerships and operations.
- Continue with the Public Safety/Multi-Use Facility planning, focusing on community involvement and the cooperation of the Alaska State Troopers (AST), who is proposed to share the facility with the Bear Creek Volunteer Fire Department.

## Previous year accomplishments:

- Applied for and received a Regional Assistance to Firefighters grant for $\$ 54,229$ for the Alaska Land Mobile Radio (ALMR) communications upgrades on the Eastern Kenai Peninsula.
- Applied for and received an Assistance to Firefighters Operations and Safety grant of \$59,050 for turnouts and response gear.
- Received a Volunteer Fire Assistance grant for $\$ 4,000$ for firefighting equipment.
- Water supply apparatus placed in service December 2007 to improve supply to commercial structures with a goal of 1,000 GPM or more.
- Provide volunteers with ETT/EMT training and certification.
- Provide opportunity for Explorers firefighters to high school students.
- Construction documents for new Public Safety building at 95 percent completion.

## Significant budgetary changes

- Increase in staff. Changed the administrative assistant from a $1 / 2$-time temporary position to a $3 / 4$-time permanent position.
- In the October, 2007 election, voters authorized the issuance of $\$ 1,400,000$ general obligation bonds, provided additional grant funding of $\$ 2,100,000$ is obtained, to be used for the purpose of planning, designing, acquiring property for, site preparation, financing, constructing, acquiring, renovating, expanding, installing and equipping the proposed new Bear Creek Fire Service area facility.

Fund 207
Department 51210 - Bear Creek Administration - Continued

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Staff includes: 3/4 Administrative Assistant.
Added: Changed Administrative Assistant from a $1 / 2$ FTE position to a $3 / 4$ time permanent position.

40120 Temporary Wages. Salary for temporary summer hires and monthly payments to the Fire Chief and Operations Chief. Decrease due to administrative assistant formally paid as a temporary position is now a permanent position.

43110 Communications. Increased to reflect actual costs.

43210 Transportation/Subsistence. Increase travel for volunteers and administrative staff to attend Critical Incident Stress Debriefing (CISD) and Kenai Peninsula Fire Chiefs training and meetings.

43260 Training. Training increased to pay for expert on Rapid Intervention Team Training for Bear Creek Volunteers and other surrounding departments that supply mutual aid.

43610 Utilities. Rate increase for heating fuel and electricity anticipated.
50442 Transfer to Capital Projects. Annual transfer to fund long-term capital projects/replacement requirements. See the capital project section of this document.

This page intentionally left blank

Established in October 1983, this service area provides fire protection and emergency services in the Anchor Point area between Sterling Highway mileposts 144.5 and 165. The fire department is staffed by 1 permanent full-time employee and 36 volunteers. The service area is overseen by an elected five-member board, each serving three-year terms.

The service area is housed in a firehouse that was funded from state grant money. The service area operates two pumper fire trucks (one of which is housed in the satellite station in Nikolaevsk Village), one rescue/utility truck, two tankers, two ALS ambulances, a Suburban utility vehicle, and a Brush pick-up.

The major source of revenue is property tax. The mill rate is $\mathbf{1 . 7 5}$ mills for fiscal year 2009.

## Fund: $209 \quad$ Anchor Point Fire \& Emergency Medical Service Area <br> Dept: 51410

## DEPARTMENT FUNCTION

Mission: Provide fire and emergency Medical services to the Anchor Point Fire and Emergency Medical Service Area

## Major long-term issues and concerns:

- Attracting and retaining volunteers.

## Objectives FY2009/Budget highlights:

- Make improvements to our routine maintenance program striving to reduce the cost of major repairs.
- Provide additional equipment and train additional personnel for the Nikolaevsk Fire Station.
- Conduct classes for EMTs and Firefighters for the purpose of recruiting and retaining the volunteer workforce.
- Purchase a New Tanker and Utility vehicle.
- Obtain a New Ambulance for Nikolaevsk Fire Station.
- Strive for a lower ISO insurance rating with the addition of the New Fire Station and the addition of more fire hydrants.

## Previous year accomplishments:

- CPR, First Aid and CERT classes were held at the Anchor Point Fire Station.
- EMT 1 refresher taught.
- EMT 1 and Firefighter 1 class provided for.
- Completed the Nikolaevsk Fire Station

Injuries to 3 EMT's put an extra burden on the rest of the volunteers, resulting in some classes being cancelled or postponed. In addition, the completion of the New Fire station was later than anticipated, causing some classes to be postponed so instruction could be done at the new facility for the volunteers that live in that area.

## Significant budgetary changes:

- The new Fire Station at Nikolaevsk will result in additional expenses for utilities and supplies. There will also be an increase in the amount needed for snow removal and additional time by temporary employees for cleaning and maintenance.

## FUND 209

Department 51410-Anchor Point Fire \& Emergency Medical - Continued

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Staff inclues: Fire Department administrator.
43260 Training. Cover fees for the Aaska EMS Symposium and the Alaska Fire Fighters Association conference.
42110 Operating Supplies. Amount adjusted to more accurately reflect actual expenditures.

43310 Advertising. Decreased to reflect actual expenditures.
43610 Utilities. Increased to cover rate increases and the addition of the Nikoaevsk Station.

43810 Rents and Operating Leases. Decreased due to renting of space for the fire truck at the water treatment plant in Nikolaevsk no longer being needed due to construction on the new station being completed. The repeater site lease for $\$ 500$ will remain.

In October 1991, voters approved the unification of the Ridgeway/Sterling Fire Service Area, the Kalifornsky Fire Service Area, a portion of the Central Peninsula Emergency Medical Service Area, and fire powers from the City of Soldotna. Previously, these areas had been operating as Central Emergency Services under an intergovernmental agreement to provide fire and emergency medical services. At the October 2004 election voters elected to admit the more populated areas of the Central Peninsula Emergency Medical Service Area to this service area. A five-member joint operations board is elected by voters within the Central Emergency Service Area and the Central Peninsula Emergency Medical Service Area.

The staff includes 33.5 permanent employees and 60 on-call employees. There are six stations, sixteen fire response vehicles, six EMS response vehicles, two rescue boats, five command vehicles, five utility vehicles, and three miscellaneous pieces of equipment.

The mill levy for the service area is $\mathbf{2 . 4 5}$ for fiscal year 2009. Additional funding is provided by ambulance billing fees charged to users of the ambulances, and interest income.

Chief: Chris Mokracek Asst. Chief: Gordon Orth

## DEPARTMENT FUNCTION

## Major long-term issues and concerns:

- Maintaining the current level of service to residents of the service area and reducing ISO ratings for those residents currently outside a 5mile driving radius from the current stations.
- Continued ability to update and maintain our apparatus, equipment, and facilities, and plan for new facilities without changing the mill rate.

## Objectives FY2009/Budget highlights:

- Establish high volume water supply for Kasilof station.
- Replace Engine 1.
- Increase water on wheels program by 3,000 gallons with purchase of a portable pump system and one new tanker.

## Previous year accomplishments:

- Constructed 20,000 -gallon cistern with 1,250 gpm pump at the Funny River station.
- Received $\$ 160,000$ grant from State of Alaska for a wildland firefighting vehicle.
- Purchased 3,000-gallon tanker for the Kasilof station.
- Began 24-hour staffing at Kasilof station.

## Significant budgetary changes:

- Reduced out of state travel by hosting in-house training.

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Staff includes: Chief, Assistant Chief, Training Officer; Fire Marshal, Assistant Fire Marshal, 3 Captains, 24 Engineers, an Administrative Assistant, and a half-time Senior Clerk Typist.

40130 Overtime. Increased to meet State EMS training mandates for paramedics and for staffing required by emergency response.

42220 Medical Supplies. Increased $(\$ 13,860)$ due to new ambulance at Kasilof and increased medical call volumes.

42230 Fuel, Oils, and Lubricants. Increase due to higher fuel costs and service area expansion.

42310 Repair and Maintenance Supplies. Increased to purchase parts to repair SCBA air compressor at K-Beach station and dive equipment.

42410 Small Tools. Increased to purchase equipment for additional on-call firefighters and minor equipment needs for apparatus.

43011 Contractual Services. Physician Sponsor $\$ 90,000$, ambulance billing $\$ 40,170$, in-house training $\$ 19,500$, misc $\$ 11,667$.

43019 Software Licensing. Increased to maintain existing software programs with upgrades (Microsoft Office).

43210 Transportation/Subsistence. Increased due to higher airline cost.

43510 Insurance Premiums. Increased due to additional stations and apparatus.

43750 Vehicle Maintenance. Increase based on historical cost, increase in the number of vehicles and increased service area.

43780 Buildings \& Grounds Maintenance. Increased to meet needs of additional stations, includes $\$ 8,052$ for one time cost associated with installing water softners at Kasilof and Funny River stations.

48515 Medical Equipment. I-STAT machines for Kasilof and Funny River stations, \$14,300.

48750 Minor Medical Equipment. Ventilators for Kasilof and Funny River stations $\$ 4,200$ and miscelleneous $\$ 5,000$.

48760 Minor Firefighting/Rescue Equipment. Bunker gear \$44,000, SCBA bottles $\$ 5,500$, wildland clothing $\$ 7,000$, wildland equipment $\$ 10,000$, and miscellanous $\$ 8,900$.

50341 Transfer to Debt Service. To cover the current portion of the principal and interest for bonds issued in FY2007 to finance the construction of one new fire station in Kasilof and upgrades to the existing facility at the Funny River Station.

61990 Admin Service Fee. Fees charged to service area and departments to cover a portion of the costs associated with providing general government services.

This page intentionally left blank

Established in October 1981, this service area was formed to provide ambulance and emergency medical services for the residents of the Central Peninsula area of the Borough. At the October 1991 and 2004 elections, the most populated areas of this service area were consolidated into the Central Emergency Service Area. This process was repeated again at the October 2004 election. Ambulance service to the remaining portion is provided by Central Emergency Services, and the taxes collected in this area are transferred to the Central Emergency Service Area for payment of this service.

A five-member joint operations board is elected by voters within this service area and the Central Emergency Services Area to provide oversight of the joint operations of the two service areas. The mill levy for fiscal year 2009 is 1.00 , which is the maximum allowed.

## LINE-ITEM EXPLANATION

50211 Transfer to Central Emergency Services. Emergency medical services for the service area residents are provided by Central Emergency Services (CES), with compensation provided by the transfer of funds collected on the service areas one mil rate to CES See CES for description of activity, page 150.

## KACHEMAK EMERGENCY SERVICE AREA

This service area was created on October 10, 2000, to provide fire protection and emergency medical service for the area surrounding the City of Homer and Kachemak City. The fire department is staffed by 1 permanent full-time employee and 20 volunteers. Five elected citizens serve on its board for three-year terms.

Revenue is raised through property tax. The mill rate is $\mathbf{1 . 7 5}$ mills for fiscal year 2009.

## KACHEMAK EMERGENCY SERVICE AREA

 REVENUES AND EXPENDITURES

KACHEMAK EMERGENCY SERVICE AREA UNRESERVED FUND BALANCE

## Fund: 212 Kachemak Emergency Service Area <br> Dept: 51810

## DEPARTMENT FUNCTION

## Major long-term issues and concerns:

- Implement a plan to phase out contracted operations with the City of Homer for response to fire and EMS response to having service area volunteers respond.
- Acquisition of fire and EMS response equipment for equipping two stations within the service area .

## Objectives FY2009/Budget highlights:

- Complete design of Diamond Ridge station.
- Recruitment of 20 volunteers.
- Continue aggressively seeking State and Federal Grants for our immediate and future capital needs.
- Host one EMT I and one ETT class.
- Complete operational control plan for EMS for the entire service area.

## Previous year accomplishments:

- Acquisition of a command/utility vehicle.
- Contracted for architectural services for the proposed Diamond Ridge station.
- Appointed the first KESA volunteers.

## Significant budgetary changes:

- The service area has contracted with the City of Homer for fire and EMS response since it was formed in 2001 and is working on a plan to phase the contract out. As part of this plan the $3 / 4$ administrator will become full time in FY2009.

## SEWARD-BEAR CREEK FLOOD SERVICE AREA

Established in August 2003, this service area was established to provide flood planning, protection and mitigation services to the residents of the service area. The service area is overseen by an elected seven-member board, each serving one to threeyear terms.

Revenue is raised through property tax. The mill rate is . 5 mills for fiscal year 2009 .

## SEWARD BEAR CREEK FLOOD SERVICE AREA REVENUES AND EXPENDITURES

## SEWARD BEAR CREEK FLOOD SERVICE AREA UNRESERVED FUND BALANCE

- Minimum Unrestricted Fund Balance Maximum Unrestricted Fund Balance -——Fund Balance

```
Fund: 259 Seward-Bear Creek Flood Service Area
Dept: 21212
```

## DEPARTMENT FUNCTION

Mission: Establish and provide flood planning, protection and mitigation services to the residents in the Seward/Bear Creek Flood Service Area.

## Major long-term issues and concerns:

Long-term goals include maintaining drainage through bed load removal, reducing flood damage and preventing future flood damage through increasing public awareness and participating in flood plain management and development.

## Objectives FY2009/Budget highlights:

- Pursue capital projects funding for flood mitigation projects and develop grant funding where possible.
- Obtain needed engineering and contract for upgrade, repair and/or new construction of flood prevention infrastructure within the service area.
- Increase active participation in the floodplain development permitting process by working closely with the Kenai River Center, the KPB Planning Commission, City of Seward Planning and Zoning Commission, City of Seward Development Office, US Army Corps of Engineers and the State of Alaska.
- Expand public knowledge by hosting informational town meetings, establishing a "Flood Awareness" week to raise the understanding of service area residents about developing and building in a flood prone area, disseminating information through mailings and advertising.
- Continue education of the Service Area Board and administrative staff in flood plain management.
- Participate in quarterly work sessions with the City of Seward Planning and Zoning Commission to promote sound flood plain development planning.

## Previous year accomplishments:

- Completed a significantly revised Flood Hazard Plan under a FEMA Planning Grant. Plan has been submitted to FEMA for preliminary approval and will be presented to the KPB Assembly and the Seward City Council for official ratification before year-end.
- Established a working relationship with the City of Seward Planning and Zoning Commission through quarterly work sessions and increased communication.
- Hosted two community meetings to assist Northwest Hydrology Consultants in gathering flood data to generate a flood inundation map showing the extent of flooding in October 2006 to add to the information for the FEMA Flood Map Modernization effort.
- Assisted Northwest Hydrology Consultants, through FEMA, in collecting data and accomplishing an updated hydrology study of Long Term Sedimentation trends on Seward, Alaska Valley Streams.
- Completed flood mitigation projects on Clear Creek and on Lost Creek with the assistance of the KPB Projects Division, Purchasing Department and the Kenai River Center including scoping, and permitting.
- With the assistance of the KPB Legal Department, established the first formal Temporary Usage Permit to be used to gain permission from private property owners to do flood mitigation work in their streams.

## Significant budgetary changes:

- Having achieved its goal of accruing SBCFSA fund balance in an amount sufficient to provide matching funds for future grant opportunities, the board increased its "Contract Services" account budget in FY2008 in order to respond to urgent flood mitigation needs in the service area, this will continue this into FY2009.

## LOWELL POINT EMERGENCY SERVICE AREA

Established in March 2003, to provide fire protection and emergency medical service for the eastern Kenai Peninsula immediately south of the City of Seward. The service area is overseen by an elected five-member board, each serving one to three-year terms.

Revenue is raised through property tax. The mill rate is $\mathbf{1 . 7 5}$ mills for fiscal year 2009.

BOARD MEMBERS

John W Sears (Butch)
Jim McCracken
George T Walker Jr.

## Fund: 213 Lowell Point Emergency Service Area <br> Dept: 51510

## DEPARTMENT FUNCTION

Mission: Establish and provide fire suppression and fire prevention education to the residents of the Lowell Point Service Area.

## Major long-term issues and concerns:

- Attracting and retaining volunteers.
- Mutual aid agreements.

## Objectives FY2009/Budget highlights:

- Complete construction of the two bay fire station in the Lowell Point Service Area, including electrical and mechanical functions.
- Continue recruitment, training and certification programs for volunteers and interface mutual aid training programs.
- Continue to research sources for additional funding through grant applications and special events.

## Previous year accomplishments:

- Completed construction on the 20,000-gallon underground tank, pump/generator building.
- Installed exhaust extraction system.
- Completed construction of building with assistance from AVTEC.

## Significant budgetary changes:

- Provide Tsunami awareness to community with adequate signage and participation in the Tsunami Ready Program - mainly signage and purchase of emergency radios.

## LINE-ITEM EXPLANATIONS

40120 Temporary Wages. Eliminated to reflect non-use.

43110 Communications. Increased to cover fax line in new building.

43610 Utilities. Increased to cover anticipated rate increases.
61990 Admin Service Fee. Fees charged to service areas and deparments to cover a portion of the costs associated with providing general government services.

# Kenai Peninsula Borough 

## Road Improvement Funds

The Road Service Area has 4 funds; the Road Service Area Fund, the Engineer's Estimate Fund, the RIAD Match Fund, and the Road Service Area Capital Improvement Fund. A listing and summary of each fund is shown below.

The major source of revenue for Road Service Area Funds is property taxes, with additional funding provided through state grants and interest earnings. The road service area encompasses all areas outside the city limits of Soldotna, Kenai, Homer, Seward, Seldovia, and the area on the south side of Kachemak Bay. There are currently 8 permanent employees.

Road Service Area Fund - this fund provides summer and winter road maintenance on roads within the Road Service Area, administers the right-of-way permit system, administers a dust control program, and oversees the abandoned vehicle removal policy. This fund also provides funding to the Road Service Area Capital Project Fund, the Engineer's Estimate Fund, and the RIAD Match Fund. The Borough contracts out all road maintenance.

Engineer's Estimate Fund - this fund provides funding for preliminary engineering costs associated with estimating the total project cost for road improvement assessment districts pursuant to KPB 14.31 to assess viability.

RIAD Match Fund - this fund provides funding to defray cost associated with road improvement assessment districts. Borough policy allows for up to $50 \%$ funding for local or internal subdivision road improvements or up to $70 \%$ funding for improvement to collector roads.

Road Service Area Fund Capital Improvement Fund - this fund accounts for major repairs of Borough roads and is funded by contributions from the road service area operating fund, grants, and interest earnings. Detail expenditures of this fund is in the Capital Improvement Fund section of this document, see page 308.

Four road maintenance service areas were established in 1982 after voter approval. During fiscal year 1991-92 the Borough Assembly consolidated the four areas into one borough-wide area for greater efficiency. A seven-member board, with at least one representative from each of the four former service areas and three at-large members, is appointed by the Mayor and confirmed by the Assembly for three-year terms. The Roads Director and seven staff oversee the maintenance.

The mill levy for fiscal year 2009 is set at 1.40 mills. Revenue is raised through property taxes.

POPULATION: 33,587
24,138.28 SQ. MI.

## DEPARTMENT FUNCTION

## Major long-term issues and concerns:

- Cost of maintaining roads not built to Borough Road Standards.
- Providing road maintenance under prescriptive rights on roads that do not have platted right-of-way.
- Location of utilities in road right-of-way that cause maintenance conflicts.
- Ability to address in-house technical engineering concerns.
- Address road maintenance costs that increase with the different weather fluctuations in each region.
- Secure project management and administration functions for $\$ 8 \mathrm{~m}$ Federal Earmark Funds that State DOT is considering administering.

## Objectives FY2009/Budget highlights:

- Contract for CIP upgrades to sixteen roads.
- Obtain right-of-way or easements needed for general road maintenance on Capital Improvement Projects.
- Complete proposed road swap program with State of Alaska, Department of Transportation.
- Address glaciation issues on Mann Road and Vio Lane.
- Identify projects to expend $\$ 8 \mathrm{~m}$ Federal Earmark Funding.
- Implement a dust control policy.

## Previous year accomplishments:

- Completed repairs to eight roads and two bridges damaged by floods that occurred in October 2006.
- Completed seven CIP's that brought thirteen roads up to standards.
- Applied calcium chloride to 176 miles of roads for dust control.
- Relocated and upgraded Kasilof River Road through Hazard Mitigation Grant.
- Pursued acceptance and administrative procedures relating to $\$ 8 \mathrm{~m}$ Federal Earmark Funding.
- Completed a long-term engineering contract for Capital Improvement Projects.
- Completed long-term road maintenance contracts for 13 of the 28 road maintenance units.

## Significant budgetary changes:

- Increase in staff. Added 1 Engineer/Assistant Administrator (60\%), balance to be charged to other departments (40\%).
- Contract surveying services to obtain easements and right-of-ways for proposed Capital Improvement Projects.
- Included $\$ 125,000$ in operating budget to perform relocates of utilities in right-of-ways that interfere with road maintenance.

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Staff includes: Roads Director, 4 Road Inspectors, 1 Engineer/Assistant Administrator, Administrative Assistant/Contract Coordinator, and Secretary.

Added: 1 Engineer/Assistant Administor (40\% charged to other departments).
40120 Temporary Wages. Temporary personnel will be used in fieldwork. Primary fieldwork will be sign installation, road traffic counts, brushing, and review complaints.

42020 Signage Supplies. Signs purchased for street re-naming project and to replace damaged or vandalized signs.

43011 Contractual Services. Surveying services ( $\$ 10,000$ ), utility relocates $(\$ 125,000)$, abandoned vehicle removal from Borough right-of-way $(\$ 15,000)$, steam thaw, street sweep, striping and pavement patch (\$10,000).

43210 Transportation/Subsistence. Travel for Road Service Area Board Members to board meetings, travel to Homer, Seldovia and Seward for road inspections (Director), travel to AML and to Juneau for the Director and DOT training in Fairbanks for 2 road inspectors.

46910 Road Service Area Maintenance. Provide general maintenance as well as brushing, ditching and road alignment improvements. Administer 28 road maintenance contracts. Increased to cover increased contract costs due to fuel increases.

46911 Dust Control. Purchase and apply calcium chloride for dust control on gravel roads in the Borough. Increased to cover additional roads with high maintenance needs.

48710 Minor Office Equipment. Replace one computer and 2 printers.
50238 Transfer to RIAD Match Fund. To promote and fund road improvement assessment district projects.

50434 Transfer to Capital Projects Fund. Transfer funds necessary to complete capital improvement projects.

61990 Admin Service Fee. Fees charged to service areas and departments to cover a portion of the costs associated with providing general government services.

## KENAI PENINSULA BOROUGH

BUDGET DETAIL
Fund 238
Department 33950 - RIAD Match Fund

43011 Contractual Services. No projects have been identified as part of the
FY2009 budget that require funding.

## Kenai Peninsula Borough

## Recreation Service Area

## Fund Description

The Borough has one (1) recreation service area, the North Peninsula Recreation Service Area. This service area was created in 1974 to provide recreation services for the residents of Nikiski and Tyonek.

Facilities include an enclosed swimming pool with waterslide, multipurpose fields, a covered ice rink, two running/skiing trails, a skateboard park, racquetball courts with exercise area, and a community center.

The major source of revenue is property taxes, with additional funding provided through user fees, state grants and interest earnings.

## NORTH PENINSULA RECREATION SERVICE AREA

The recreation service area was formed to provide recreation services for the Nikiski and Tyonek area residents. Established in 1974, five elected members serve on its board. The service area has $131 / 4$ full-time equivalent employees. Programs include youth basketball, volleyball, flag football, dodge ball, hockey, teen night, open gym schedule, and arts and crafts. The service area sponsors "Family Fun" in June as a community wide gathering. The Boys \& Girls Club of South Central Alaska provides the recreation for Tyonek.

Facilities in Nikiski consist of an enclosed swimming pool with waterslide, multipurpose fields, a covered natural ice rink, two running trails, skateboard park and two racquetball courts with exercise area and a community center. In 2004 Nikiski Elementary School closed and became vacant. The service area had adopted the vacant school as our "Nikiski Community Recreation Center", and used the gymnasium and kindergarten classroom for our programs. Plans for future limited renovation of the Nikiski Community Recreation center are on the drawing board. This would provide additional square footage for programs and facility use.

Revenues are derived primarily through property tax. The mill rate for fiscal year 2009 is $\mathbf{1 . 0 0}$ mill. Other revenues include facility user fees, program fees, and interest income.

Fund: $\mathbf{2 2 5}$ North Peninsula Recreation Service Area

NORTH PENINSULA RECREATION REVENUES AND EXPENDITURES

NORTH PENINSULA RECREATION UNRESERVED FUND BALANCE

```
Fund: 225 North Peninsula Recreation Service Area
Dept: 61110
```

## DEPARTMENT FUNCTION

General Objectives: To provide recreation programs for the public, including swimming lessons, water safety, recreation, and sports programs. Promote health and safety through education, participation, and recreation. Maintain and operate the following facilities: Nikiski Pool, Exercise Room with Racquetball/Wallyball Courts, Jason Peterson Memorial (JPM) Ice Rink, Nikiski Community Trails and Nikiski Pool Trails, Multi-Purpose Fields, and the Nikiski Community Recreation Center (NCRC).

## Objectives FY2009:

- Develop long-term plan for the NCRC.
- Increase community awareness of the NCRC and programs.
- Research synthetic ice for Jason Peterson Memorial Ice Rink.
- Continue to develop and offer quality aquatics programs including water safety and fitness.
- Increase water safety instructors to provide swimming lessons to meet the needs of the community.
- Update taxpayer user file system.

## Program Changes:

- Increased adult usage at the NCRC by offering adult gym night for basketball and volleyball, adult walking, and a women's basketball league.
- Increased youth sports camps with the addition of a football, cheer, volleyball, and basketball camp.
- Offer a weekly afterschool fitness class for Nikiski North Star students.
- Offer more rental space at the NCRC for small and large group gatherings, community meetings, and classroom trainings.

## Previous year accomplishments:

- Replaced the Nikiski Pool surge tank and high-rate sand filters.
- Conducted swimming lessons for kindergarten and first grade Cook Inlet Academy students.
- Sponsored Learn to Return cold-water survival classes for oilfield employees.
- Aquatic staff won the state Postal Lifeguard Olympics.

## Significant budgetary changes:

- Increased personnel to include one $3 / 4$ time shift supervisor for the NCRC.

## KENAI PENINSULA BOROUGH BUDGET DETAIL

Fund 225
Department 61110 - North Peninsula Recreation Administration

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Staff includes: Recreation Director, Recreation 43110 Communications. Increase due to NPRSA now paying for TLS connection

Supervisor, Pool Supervisor, Maintenance Mechanic II, 13/4 Shift Supervisors, Secretary, $11 / 4$ Lifeguards, and a $1 / 2$ time Instructor-Lifeguard.

Increase of $3 / 4$ time shift supervisor for the Nikiski Community Recreation Center (NCRC).

42120 Computer Software. Annual licensing of Microsoft Office product.
42210 Operating Supplies. Increase due to rising product and shipping costs, as well as increased use of supplies at the NCRC.

42230 Fuel, Oil and Lubricants. Increase in fuel costs.
42250 Uniforms. Increase due to staff uniforms needed for NCRC.

42310 Repair/Maintenance Supplies. Increase due to rising supply and shipping costs, as well as increased repairs and maintenance for the NCRC.

42960 Recreational Supplies. Increase due to increase of programs at the NCRC.

43011 Contractual Services. Includes contract with Boys \& Girls Club to provide services and programs for the village of Tyonek ( $\$ 14,000$ ), Siemens air handler diagnostic ( $\$ 8,200$ ), and miscellaneous smaller contracts $(\$ 7,000)$.
charges.

43210 Transportation/Subsistence. Increased due to an increase in transportation and lodging costs.

43310 Advertising. Increase due to an increase in programming and events that need to be advertised.

43610 Utilities. Increase due to the increase in electric, natural gas, and propane to operate the facilities.

43750 Vehicle Maintenance. Increase due to anticipated maintenance of service area truck.

43780 Buildings/Ground Maintenance. Increased due to increased maintenance at the NCRC.

43810 Rents \& Operating Leases. For anticipated rent/utilities/insurance payment for the NCRC to the Borough's Land Management fund. Increase due to an increase in utility cost.

48740 Minor Machines \& Equipment. Purchase of snow blower.
50459 Transfer to Capital Projects Fund. To transfer funds necessary to complete capital improvement projects.

61990 Admin Service Fee. Fees charged to service area and departments to cover a portion of the costs associated with providing general government services.

## Kenai Peninsula Borough

## Education Special Revenue Funds

The Borough has three (3) Special Revenue Funds that have been established for school purposes: the School Fund, the Postsecondary Education Fund, and the Underground Storage Tank Removal and Upgrade Fund.

## School Fund

The School Fund records activity associated with operational funding the Borough provides the Kenai Peninsula Borough School District. Operational funding for the FY09 budget year is estimated at $\$ 40,886,886$.

Operational funding for the school district is appropriated as follows: $\$ 32,456,264$ for local effort and in-kind of $\$ 8,430,622$ consisting of $\$ 6,182,830$ for maintenance, $\$ 63,745$ for utilities, $\$ 2,038,234$ for property and liability insurance and worker's compensation, $\$ 42,000$ for audit cost, and $\$ 103,813$ for custodial services. The Borough controls the budget for in-kind expenditures; local effort is controlled by the School District.

Revenue for the School Fund is from a transfer from the Borough's General Fund and is from sales tax and property taxes. The Borough has a 3\% sales tax that is dedicated for schools; the rate was $2 \%$ prior to January 2008.

In addition to operational funding, the Borough also provides funding of $\$ 2,334,738$ for school related debt of which $\$ 1,616,856$ is expected to be reimbursed from the State of Alaska, and $\$ 1,250,000$ for school district capital projects. Total funding provided for school purposes is $\$ 44,471,624$; net of State reimbursement, the amount is $\$ 42,854,768$. Sales tax revenues provide approximately $66 \%$ of the funding provided for schools, the balance comes from property taxes.

| Equivalent mill rate, net of sales tax | 4.80 | 4.60 | 4.40 | 3.21 | 2.29 |

## Postsecondary Education Fund

The Postsecondary Education Fund was set up to account for funding provided by the Borough to institutions that are part of the University of Alaska system. Borough voters approved funding for this program at an amount not to exceed the amount that would be generated by an areawide tax levy of .1 mills. Funding is restricted to operations and may only be used for instruction and the operations of facilities used to provide curriculum or programs offered within the Borough. Funds may not be used for capital improvements or construction of facilities.

## Underground Storage Tank Removal and Upgrade Fund

The Underground Storage Tank Removal and Upgrade program was started in 1989 to account for activity associated with removal and closure of forty-three (43) tanks from twenty-six (26) sites. Twenty-five (25) of the sites have received closure approval from the Alaska Department of Environmental Conservation. The remaining site (Homer maintenance shop) still requires additional assessment. Closure of this site is expected to be completed in four to five years. Revenue is provided by a transfer from the Borough's General Fund. There are no transfers provided for the current year. This is a project length fund.

| Dept: | 41010 | Maintenance |

## DEPARTMENT FUNCTION

Mission: The maintenance department provides maintenance on all school facilities and provides project administration on most school capital projects, those less than $\$ 100,000$. The department also maintains some Borough facilities, for which time and materials are billed to those departments.

## Major long-term issues and concerns:

- Aging of Borough facilities.
- Retirement of maintenance staff and the inability to fill positions due to the Borough's pay scale, which is 20$30 \%$ lower than industry norm.
- Asbestos removal at Kenai Middle School.
- New building codes that went into effect in fall 2007 will increase the cost of all capital projects.

## Objectives FY2009/Budget highlights:

- Continued overall maintenance, electrical and mechanical/HVAC upgrades to reduce energy cost.
- Address water quality issues.

## Previous year accomplishments:

- Completion of approximately 10,500 work orders.
- Completed major playground upgrades at numerous schools.
- Completed sidewalk/asphalt replacement projects and corrected drainage problems at several facilities.

## Significant budgetary changes:

- Added new water treatment operator in Spring 2008 to comply with ADEC and EPA requirements.

## DEPARTMENT FUNCTION

Mission: The mission of the Postsecondary Education fund is provide funding on an areawide basis to postsecondary education institutions that are a part of the University of Alaska system, to use in providing postsecondary programs and operations within the borough, in accordance with chapter 5.24 of the Borough Code of Ordinances.

Funding is provided by a transfer from the Borough's General Fund and the total of all funding may not exceed the amount that would be generated by an areawide tax levy of 0.1 mills.

The funding provided has the following limitations:

- No funds provided by the borough may be used for capital improvements, or construction of facilities.
- Funds may only be used for instruction and the operations of facilities used to provide curriculum or programs offered within the borough.
- No money may be utilized for the provision of programs outside the borough; this restriction includes general administrative expenses or overhead costs involved in providing programs within the borough, unless the assembly has consented by resolution to such expenses or costs being utilized in connection with a particular program.
- Institutions receiving funds must sign an agreement that its use of the funds will be in accordance with the provisions of the ordinance and that it will be responsible to refund any moneys used for purposes not authorized by the ordinance.
- Institutions receiving funding must also agree to provide an accounting for the funds received and provide verification by its auditors that the funds were used in compliance with the ordinance.

## Objectives FY2009/Budget highlights

Provide funding to the Kenai Peninsula College branch of the University of Alaska - Anchorage. Funding is to be used for the following: Tuition waivers; service learning/community engagement; adult basic education/general education development; tutors in learning centers; courses at Resurrection Bay Extension; career center; Library Clerk position; operating costs at Kachemak Bay Campus; Computer Technician at Kachemak Bay Campus; Coordinator/Night staffing; Information/Registration Clerk; Financial Aid Support Clerk.

## LINE-ITEM EXPLANATIONS

## 43023 Kenai Peninsula College (KPC). Funding to be used as follows:

Tuition Waiver. Funding provides a partial waiver for up to six credit/semester for high school seniors wanting to enroll in college classes. In Fall 2008, students will pay $\$ 43 /$ credit while this funding will cover the remaining $\$ 91 /$ credit. This is an $\$ 8 /$ credit increase to students due to increasing University of Alaska tuition rates. Since the last JumpStart increase three years ago, tuition has increased $23 \%$; this FY09 increase to JumpStart students is also $23 \%$. We propose to annually increase the cost to JumpStart students the same percentage as UA tuition increases; therefore, in FY10, due to the UA Board of Regents approved 5\% tuition increase, the JumpStart cost to students will increase to $\$ 45 /$ credit in FY10 $(\$ 118,000)$.

Service Learning/Community Engagement. Service-learning is a teaching and learning strategy that integrates meaningful community engagement with instruction and reflection to enrich the learning experience, teach civic responsibility and strengthen communities. KPC began its service-learning program in Spring 2004 through a national grant that ended in June 2007. Funding provides for a part-time assistant coordinator and faculty mini-grants to support this growing program that benefits Kenai Peninsula agencies and students $(\$ 38,400)$.

Adult Basic Education/General Education Development. Funding provides personnel, travel, and materials to make the ABE/GED program available at Nikiski, Homer, Ninilchik, Tyonek, Seldovia, Port Graham and Nanwalek $(\$ 96,702)$.

| Central Peninsula - Nikiski, Ninilchik, and Tyonek | $\$ 57,602$ |
| :--- | :--- |
| South Peninsula - Seldovia, Nanwalek, Port Graham, Homer | $\$ 39,100$ |

Courses at Resurrection Bay Extension Site - Seward. Funding provides courses in basic general requirements such as English, Psychology, Art, Speech, professional development courses and community interest courses. (\$19,000).

Computer Technician Position, Kachemak Bay Campus. Funding provides a full-time computer technician at the Homer campus to provide services to students and reduce downtime for the computer labs $(\$ 44,600)$.

Student Advisor Staff Support. Kachemak Bay Campus. Funding provides for advisory staffing $(\$ 9,039)$.

Campus Career Center, Kenai River Campus. The Career Center is an integral part of the services KPC provides to students, potential students and other Kenai Peninsula residents. The center provides workshops and individual sessions on career decision making, interest inventories, resume writing, cover letters, application forms and interviewing techniques. Borough funding provides staffing at the Kenai River Campus for 40 -hours per week for ten months, an employee to assist and materials and resources to support these activities $(\$ 73,200)$.

Coordinator/Night Staffing, Kenai River Campus. Of the 200 plus courses offered at the Kenai River Campus each semester, about 80 of those are evening classes. There are limited services provided for these students and no direct oversight of the evening program. This funding provides salary, benefits, and support for a 32 -hr/per week position $(\$ 44,500)$. This position:
-Provides general advising information for evening students.
-Coordinates the evening program.
-Provides administrative staffing for evening hours, thereby improving security during that time.
-Provides staff support for special projects.
-The night coordinator is trained in CPR, First Aid, and Operation of the Automatic External Defibrillator machines.

Library Clerk Position, Kachemak Bay Campus. Funding provides a part-time ( $30 \mathrm{hr} / \mathrm{wk}$ ) Library Assistant to help students make the best use of the limited resources available and to maintain a level of security and accountability for the holdings. Funding also provides additional resources such as reference materials, books and databases ( $\$ 34,300$ ).

Operating Costs for West Campus, Kachemak Bay Campus. Funding provides additional operational support for the West Campus for custodial and clerical staffing. The college leases the top floor of the old Homer Intermediate School from the City of Homer which houses KBC classes, faculty and staff offices, nursing lab and student study area. We have shifted $\$ 5,383$ included in last year's borough budget request to KPC's operating budget for FY2009 (\$52,061).

Information/Registration Clerk, Kachemak Bay Campus. Funding provides $50 \%$ of the cost for staffing a 10-month full-time Information/Registration clerk. This position serves students at both the West and East campuses $(\$ 21,900)$.

Tutors - Learning Centers. Funding provides tutors at both campuses. These tutors are students who are trained to assist other students who are having difficulty in a college course $(\$ 10,900)$.

$$
\begin{array}{ll}
\text { Kenai River Campus } & \$ 8,700 \\
\text { Kachemak Bay Campus } & \$ 2,200
\end{array}
$$

On-Line Tutoring Software. Purchase one-time on-line Tutoring/Advising Software for Distance Education Students. (\$10,000).

Financial Aid Support Clerk, Kenai River campus. Funding provides for a part-time clerk position to increase access to students and the general public for financial aid advising via e-mail, web, phone and in-person. This position assists with financial aid instructional sessions for Kenai Peninsula communities $(\$ 22,700)$.

| Fund: | 265 | Underground Storage Tank Removal and Upgrade |
| :--- | :--- | :--- |
| Dept: | 32560 |  |

## DEPARTMENT FUNCTION

Mission: The Borough's Underground Storage Tank Program began in 1989 and is mainly complete with the removal of 43 tanks from 26 sites, 25 of the sites have received closure approval from the Alaska Department of Environmental conservation (ADEC). The remaining site (Homer Maintenance Shop) has residual soil and groundwater contamination that exceeds ADEC cleanup levels. An additional assessment was conducted in FY 2008.

## Major long-term issues and concerns:

Soil contaminated with diesel fuel was found at a new location at the property and at a concentration exceeding the ADEC "migration to groundwater" pathway cleanup level for diesel range organics. The residual soil contamination is likely contributing to groundwater contamination. The groundwater contamination plume extends to the approximate boundary of the property. As the soil contamination does not exceed worker "inhalation" and "ingestion", pathway cleanup levels and the groundwater plume appears to be limited to Borough property, the KPB will seek "conditional closure" and long-term groundwater monitoring.

## Objectives FY2009/Budget highlights:

- Continue long-term monitoring (Sampling) of the groundwater plume.
- Dispose of waste generated during FY2008 site assessment.
- Hold reserve for contaminated soil removal (only if directed by ADEC).

## Previous year accomplishments:

- Decommissioned 2 broken groundwater monitoring wells. Installed 3 new groundwater monitoring wells.
- Sampled 4 groundwater monitoring wells. Conducted site survey for establishing groundwater flow direction/gradient.
- Conducted test pits for tank locations in new source areas. Submitted reports of findings to ADEC.

## Significant budgetary changes:

None

## Kenai Peninsula Borough

## General Government Special Revenue Funds

The Borough has four (4) General Government special revenue funds, with annual budgets, that were established for specified purposes due to legal requirements restricting specific resources for expenditure or which are not appropriately budgeted elsewhere. These funds are the Land Trust Fund, the Kenai River Center Fund, the Disaster Relief Fund, and the Nikiski Senior Service Area Fund.

Land Trust Fund - this fund was established to account for all moneys accruing to the Borough in lieu of lands or from the use or sale of lands and to manage all Borough owned and municipal entitlement lands. The major sources of revenues are from land sales and interest earnings.

Kenai River Center - the Kenai River Center (KRC) was created to increase coordination and communication between permitting agencies in order to streamline the permitting process for landowners and improve protection of the Kenai Peninsula's natural resources. The agencies involved include the Kenai Peninsula Borough; the State of Alaska, Department of Natural Resources, Office of Habitat Management \& Permitting, Department of Natural Resources, Division of Parks \& Outdoor Recreation; the United States Environmental Protection Agency, and the Kenai Watershed Forum. The KRC is also designed to serve as a source of information and education for landowners and others concerned with resource management. The major source of revenue is a transfer from the Borough's General Fund.

Disaster Relief Fund - this fund was established to provide funding for the initial response in the event of a disaster, and to account for funding provided by federal, state, and local sources in responding to a local, state, or federally declared disaster.

Nikiski Senior Service Area - the voters in the Nikiski and Tyonek area in 1993 created this service area. The purpose of the service area is to provide programs and services to seniors who live in the service area. The service area provides funding to Nikiski Senior Citizens, Inc., a non-profit organization that provides meals, transportation, social activities, and information and referral. The major source of revenue is from property taxes.

Fund: 250 Land Trust Fund

## LAND TRUST FUND HISTORICAL AND PROJECTED REVENUES

| Fund: | $\mathbf{2 5 0}$ |  |
| :--- | :--- | :--- |
| Dept: | $\mathbf{2 1 2 1 0}$ | Land Trust Fund |
|  |  |  |

## DEPARTMENT FUNCTION

Mission: Administer the Borough's land inventory and natural resources by applying and enforcing KPB Chapter 17.10. Assist Borough departments and agencies in satisfying present and future land needs. Oversee conveyance of municipal grant land entitlements under A.S. 29.65. Manage programs that provide for responsible use and protection of borough lands. Protect and enhance the Borough's Land Trust both in terms of landholdings and Land Trust Fund principle.

## Major long-term issues and concerns:

Promote goals for the Land Trust Fund to:

- Sustain all operating costs through reoccurring revenue;
- Retain principle from land sales to preserve the corpus of the Land Trust;
- Grow the Land Trust to obtain self-sustenance and ultimately endowment abilities;
- Obtain the best quality lands through municipal entitlement for the purpose of municipal needs, community growth, and revenue potential;
- Plan for and strategically secure lands to provide for municipal needs;
- Reinvest from the Land Trust Fund to enhance and add value to land holdings;
- Review of KPB Code of Ordinances Chapter 17.10 to promote effective management, planning, disposal, acquisition, and protection of borough lands.

## Objectives FY2009/Budget highlights:

- Complete subdivision and construct roads and utilities for 2 residential subdivisions in Hope. Conduct initial sale of select parcels. (FY2009 funding request is $\$ 450 \mathrm{~K}$. Estimated total project cost: $\$ 600 \mathrm{~K}$; estimated total revenue: $\$ 1.3 \mathrm{M}$ ).
- Complete survey and design work on Widgeon Woods Phase 2 Subdivision. Begin construction of roads and utilities. (FY2009 funding request is $\$ 650 \mathrm{k}$. Estimated total project cost: $\$ 800 \mathrm{~K}$; estimated total revenue: \$2.75M).
- Rework/renegotiate Ladd Option for presentation to Assembly.
- Apply for the conveyance of occupied/leased tidelands under Alaska Statute 38.05.125.
- Prepare 5 -year land sale and land acquisition plans, including associated subdivision plans.
- Contract for development of gravel material site in Beluga.
- Prioritize and order 2-5 State survey instructions for approved municipal entitlement selections
- Complete Seward Rock Quarry Mine Engineering and Management Plan. Initiate phase 1 development.
- Update 2006 Land Management Report to include Land Trust fiscal plan and LM operating plan.
- Continue to develop municipal entitlement strategic plans.
- Work with Cooper Landing APC in updating the 1996 Cooper Landing Land Use Plan (CLLUP)
- Apply GIS analysis to land evaluation, planning, decision-making, and promoting efficiency in the delivery of services.
- Institute trespass policy and procedures for Borough lands.
- Develop an alternative to the one-year land use permit, allowing for multi-year authorizations and appropriate fee structures.
- Promote efforts to clean-up borough properties.
- Revisit land sale financing terms set forth in code; propose changes to allow for extended terms.
- Work with Solid Waste Department (SWD) in long-term landfill planning and with the Rocky Ridge Landfill resource management.
- Assist SWD in acquiring and classifying lands for solid waste transfer facilities in Moose Pass and Ninilchik
- Assist Bear Creek Flood Service Area with their office lease arrangements expiring 5/30/09.
- Promote Land Trust revenues through collection of land use fees, rents (leases), hard rock sales, and financed land sales.

## Land Management Administration - Department Function (Continued)

## Previous year accomplishments:

- Worked with Hope/Sunrise APC to develop objectives and criteria for subdivision development in Hope.
- Worked on 5 subdivision plats to facilitate land sales, exchanges, and right-of-way dedications.
- Managed 4 material sites, conducted storm water management improvements, administered small quantity permits, hard rock sales, resource exploration, management plan development, and quarry planning.
- Administered three existing Municipal Entitlement surveys and prepared contracting for two additional surveys.
- Established contacts and plans for resolution of 4 trespasses, successfully resolved one trespass.
- Researched, reviewed and outlined lease/option for Ladd Landing.
- Created digital filing systems and GIS datasets for management authority parcels, sold parcels, financed parcels, patents, market data.
- Administered community slash disposal sites in Cooper Landing and Hope.

## Significant Budgetary Changes:

Emphasis on increased reoccurring revenues to offset operational costs. Shift toward long-term management of the Land Trust to: balance monetary and real-property assets, achieve long-term self-sustaining growth of the Fund; and deliver endowment capabilities to insure and finance future borough property related needs.

## DEPARTMENT FUNCTION

Mission: To provide staff and support facilities needed for the operation of the Kenai River Center in accordance with the terms of agreement developed with the state and federal government. Provide participation and guidance to local, state, and federal agencies involved in developing projects, issuing permits, or managing land or resources within the coastal boundary of the borough. Manage the continued public use of the Kenai River access and outdoor education facilities.

## Major long-term issues and concerns:

Grant funding for the Kenai River Center Education Coordinator, a position established 5 years ago and funded by the Kenai Watershed Forum, will expire in April of 2009. \$2,500 has been included in the contractual services line of the Center's FY2009 budget to fund $1 / 4$ of this position for the remaining two-months of FY2009. Future funding will need to be secured to continue this key position at the center beyond FY2009.

## Objectives FY2009/Budget highlights:

- To expand the public's knowledge of habitat restoration.
- Continue the coordination of issuing the 50 -foot habitat protection and flood plain permits.
- Continue to perform high quality ACMP consistency reviews for coastal resource planning.
- Coordinate with the Kenai Peninsula Watershed Forum to continue the education and library resource programs at the Kenai River Center.
- Request federal monies to expand the Kenai River Center building to include US Army Corps of Engineers, Kenai Field Office staff.
- Complete the multi-agency coordinated Kenai River Access Plan.
- Produce educational material titled "A Guide to Owning and Managing Bluff and Coastal Property".

## Previous year accomplishments:

- Since the beginning of its operation the center has been involved in over 5,154 projects, of which 2,720 were within the Borough's 50 -foot habitat area, 2,070 were within the Borough's managed flood plain, and 532 of which were tax credit projects.
- The KPB Coastal Program accomplished grant-funding requirements through continued reviews of local, state and federal projects within the coastal boundary. Coordinated the adoption of a revision to the KPB Coastal Management Plan.
- The 2007 Kenai River ice \& flood incident attributed to a record number of KRC applications. This created a $70 \%$ increase in our permit workload, and required the development of river and bank debris clean up plan. The average processing time for all Borough flood damage permits was 18 days, a result that was achieved from a committed and hard working permanent and temporary staff.

## Significant budgetary changes:

- Inclusion of $1 / 2$ position previously funded by grant funds. This program is now being accounted for in the KRC fund. Impact to the fund is zero as revenue is also being budgeted.

## KEY MEASURES

|  | FY06 <br> Actual | FY07 <br> Actual | FY08 <br> Estimated | FY09 <br> Projected |

Department 21135-Kenai River Center

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Staff includes: 1 KRC Manager, 2.5 Planners, and 1 administrative assistant. The increase reflects the cost of a position previsously not included, as the funding source was uncertain. Confirmation has been received and estmated revenues have been increased to offset the cost and the net effect is zero.

43011 Contractual Services. Sanding, snow plowing, janitorial service, and education coordinator. $\$ 50,000$ for production of educational material titled "A Guide to Owning and Managing Bluff and Coastal Property". \$4,000 for Kenai Peninsula Fish Habitat program.

43610 Utilities. Increase to cover rise in utility costs.

43810 Rents and Operating Leases. For summer portable toilet rental and service.

43812 Equipment Replacement Payment. See the payment schedule below.
48710 Minor Office Equipment. Purchse 1 laptop computer (\$2,500), 1 desktop computer ( $\$ 2,000$ ) and 1 printer ( $\$ 500$ ).

48720 Minor Office Furniture. Purchase two office chairs (\$500) and a computer table. (\$750).

## DEPARTMENT FUNCTION

Mission: Funds available to the Mayor for initial response in the event of a disaster within the Kenai Peninsula Borough, such as oil spills, flooding, volcano eruptions, fires, earthquakes, etc.

## Major long-term issues and concerns:

- Frequency and severity of disasters occurring.

## Objectives FY2009/Budget highlights:

- Ability to continue to respond in the event of disaster.

## Previous year accomplishments:

- August 2006. Response to high wind power outages in Seldovia and Halibut Cove.
- September 2006. Assembled and distributed over 200 Senior Citizen home "ready kits" during Alaska Preparedness Month.
- October 2006. Response to Seward area flooding declared disaster.
- January 2007. Response to flooding and ice jams on Lower Kenai River from Skilak Lake to Cook Inlet.
- October 2006 - Current. Ongoing recovery and clean-up efforts related to Seward and Kenai River flooding.

## Significant budgetary changes:

- None

## NIKISKI SENIOR SERVICE AREA

Voters in the Nikiski area approved the formation of the Nikiski Senior Service Area in October 1993 to provide programs and services for the senior citizens within the service area. A five-member board of directors, elected by the voters in that service area, has the power to provide for these services and programs. The board members, who are qualified voters in the Borough and residents of the Nikiski Senior Service Area, serve staggered three-year terms.

Funding is provided by a mill rate levy not to exceed 0.2 mills on taxable property and by a portion of grant funds provided by the Kenai Peninsula Borough to all senior citizen groups within the Borough. The mill rate for FY 2009 is set at .20 mills.

NIKISKI SENIOR SERVICE AREA UNRESERVED FUND BALANCE

■ Minimum Unrestricted Fund Balance $-\longrightarrow$ Maximum Unrestricted Fund Balance $-\Delta$ Unrestricted Fund Balance

## Fund: 280 Nikiski Seniors Service Area <br> Dept: 63190

## DEPARTMENT FUNCTION

Mission: The purpose of the service area is to provide programs and services to seniors (over 60) who live in the service area. The service area provides funding to Nikiski Senior Citizens, Inc., a non-profit organization that provides meals, transportation, social activities, and information and referral. The major source of revenue is from property taxes.

## Major long-term issues and concerns:

- Providing funding and support to the non-profit organization to allow them to provide their program and services.

Previous year accomplishments:

- See key measures.

## Significant budgetary changes:

- Transferred program administrator position to the non-profit organization from the Service Area. The minimum and maximum fund balance amounts have changed due to changes in factors used in determining the amounts.

## KENAI PENINSULA BOROUGH BUDGET DETAIL

Fund 280
Department 63190 - Nikiski Seniors Service Area

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. The Program Administrator position is being transfered to 61990 Admin Service Fee. Fees charged to service areas and departments to Nikiski Senior Citizens, Inc. and will no longer be an employee of the Borough. cover a portion of the costs associated with providing general government services.

43011 Contractual Services. Contracting with Nikiski Senior Citizens, Inc. to provide the services and programs to meet the general objects of the service area $(\$ 220,981)$ and with the Native Village of Tyonek to provide for the administration of the Tyonek Senior Citizen programs $(\$ 25,000)$.

## Kenai Peninsula Borough

## Solid Waste Special Revenue Funds

The Borough has one (1) Solid Waste special revenue fund, with an annual budget, it was established for specified purposes due to legal requirements restricting specific resources for expenditure or which are not appropriately budgeted elsewhere.

Solid Waste Special Revenue Fund - this fund was established to account for activities of the borough's solid waste program. This program is accounted for in a special revenue fund because less than $5 \%$ of its revenues come from user fees, $90 \%$ of its revenues are from a transfer from the Borough's general fund.

## KENAI PENINSULA BOROUGH

## SOLID WASTE FUND

The Solid Waste fund was established to account for activities of the borough's solid waste program. This program is accounted for in a special revenue fund because less than $5 \%$ of its revenues come from user fees, $90 \%$ of its revenues come from a transfer from the Borough's general fund.

The Solid Waste fund is made up of 5 divisions as follows; Administration, Central Peninsula Landfill; Seward Transfer Facility, Homer Baler and Landfills, Hauling and Waste Program.

Solid Waste Administration - this division provides for the planning, design, development and operating of the solid waste facilities. This division is responsible for ensuring waste is managed in accordance with the Borough Code and state and federal requirements. This division also plans for the closure and post-closure requirements of borough landfills.

Central Peninsula Landfill - this division's mission is to collect and dispose of waste, recycle to reduce waste requiring burial and to provide hazardous materials disposal. This facility is located in the Soldotna. Prior to FY2006, operation and maintenance of this facility was contracted out.

Seward Transfer Facility - this division's mission is to collect and transfer solid waste generated in the Eastern Peninsula to the Central Peninsula Landfill for disposal, manage inert waste with on-site burial, recycle to reduce waste requiring burial and provide for proper hazardous material disposal. The operations at this facility is contracted out.

Homer Baling Facility - the mission of this facility is to collect, bale and dispose of waste generated in the Southern Peninsula, recycle to reduce waste requiring burial and provide for proper hazardous materials disposal.

Landfills, Hauling and Waste Program - this division is responsible to collect, consolidate, and dispose of solid waste, recycle to reduce waste requiring burial, and provide for proper hazardous materials disposal. To provide integrated solid waste programs including the development, operations and maintenance of landfills in remote areas of the borough, eight waste drop box/transfer sites, 13 mobile recyclable collection stations, hazardous waste collection program, solid waste environmental monitoring and litter program. These programs are all contracted out.

## DEPARTMENT FUNCTION

## Mission:

- Plan, design, develop, and operate solid waste facilities and programs to ensure waste is managed in accordance with the Borough Code and with state and federal requirements.
- Provide an integrated solid waste program, including development, operations, and maintenance of five landfills, two baling facilities, four transfer sites, eight waste drop-box/transfer sites, recycling and hazardous waste collection stations, environmental monitoring, and litter programs.
- Ensure feasible and cost-effective waste management and compliance with regulatory requirements.
- Plan for closure and post-closure requirements for all Borough landfills.

## Major long-term issues and concerns:

- See specific sites

## Objectives FY2009/Budget highlights:

- Implement DEC Research, Development and Demonstration (RD\&D) permit for managing Leachate. Select consultant for term contract to develop reporting program for RD \& D permit requirement.
- Complete design and commence partial closure of the Homer Landfill.
- Implement Alaska Department of Environmental Conservation regulatory changes at all solid waste facilities.
- Develop Solid Waste Management Plan.
- Expand comprehensive health and safety program at all solid waste facilities.

## Previous year accomplishments:

- Re-bid operations and maintenance at several facilities.
- Program specific accomplishments and statistics are detailed under the applicable program budget.

## Significant budgetary changes:

- Contractual services is decreasing significantly as the FY2008 budget included a onetime appropriation of $\$ 200,000$ for the Borough's Solid Waste Management Plan. This project is ongoing and may require additional funding in the FY2010 budget.
- Increase .5 secretary to full-time necessary due to increased work load with taking over the Central Peninsula Landfill operations, Junk Vehicle program and recycling efforts.
- Transferred the Capital Project Manager position to the Major Projects Division and added a full-time contract administrator position.

Remote Camera's/Web Monitor's for all eight dumpster transfer sites $(\$ 120,000)$. Junk vehicle program (\$190,000). |

| Fund | 290 | Solid Waste Fund |
| :--- | :--- | :--- |
| Dept: | 32122 | Central Peninsula Landfill |

## DEPARTMENT FUNCTION

## Mission:

To collect and dispose of waste, recycle to reduce waste requiring burial, and provide for proper hazardous materials disposal.

## Major long-term issues and concerns:

- Currently Solid Waste Administration is working with design engineers for the new landfill cell to determine why the leachate piping freezes during the winter months. The Administration may request the KPB Purchasing Department and the KPB Legal department to assist on the determination of potential design or installation errors. Supplemental funding may be required to repair frozen piping in preparation for winter 2009 operation.
- Uncertainty of major equipment repair costs at Central Peninsula Landfill (CPL). CPL has experienced only minor repair requirements due to the new condition of the equipment. The loaders, compactors, dozer, etcetera were purchased in FY06/FY07.
- With the implementation of the Research, Development and Demonstration (RD \& D) permit at CPL, daily management of leachate is a major function of the department. The goal is to place as much leachate back on to the trash as possible. The trash is capable of holding only so much leachate before reaching saturation. At any given year, unusual large amounts of rainfall may force the transport of leachate off-site for treatment. The ultimate goal is to re-circulate leachate into the trash to enhance the decomposition of the trash and to gain more volume in the landfill cell due to increased decomposition. This action will also decrease the post closure cost and care due to rapid stabilization of the waste mass.
- Lack of backup equipment at CPL including large loader, roll off truck.

## Objectives FY2009/Budget highlights:

- Implement RD \& D permit for leachate and landfill gas management. Apply as much leachate back on to trash as possible to reduce cost of hauling leachate off-site for treatment and to enhance biodegrading of the waste.
- Reduce the amount of waste requiring disposal in lined cell by diverting construction \& demolition waste from lined cell and provide recycling and disposal opportunities for used oil, household hazardous waste, and batteries.

## Previous year accomplishments:

- Constructed facility improvements, performed facility repair and maintenance and repairs/fabrication on heavy equipment/rolling stock and baler equipment to bring facility equipment back into good operational condition.
- Performed extensive site and facility safety and code improvements.
- Managed special waste to reduce the material requiring management as a hazardous waste. Assisted with the collection, transport and marketing of lead-acid batteries.
- Controlled anticipated cost increases for the operation and maintenance of the new lined landfill cell, leachate and gas management systems, mechanical building with blowers, pumps and other controls.
- Closed existing unlined landfill cell.

## Significant budgetary changes

- C \& D cell expansion to add one-year of life to cell. Funding includes contract services, design and project management.
- New position added - Lead Landfill Operator. Replaced a 80 contract administrator with a lead operator.

## LINE-ITEM EXPLANATIONS

40110 Regular Wages Staff includes: Landfill Manager, 1 Lead Landfill Operator, 2 Landfill Operator I, 2 Landfill Operator II, 1 Landfill Operator/General Maintenance Mechanic, 1 Landfill Operator/Mechanic, 2 Landfill Laborer/Operator, and 2 Scale/Attendant Clerk.

Deleted: . 80 Contract Administrator/Operator
Added: 1 Lead Landfill Operator

Replaced Contract Administrator/Operator with Lead Operator. Lead Operator will act as foremen during the weekends and when the Landfill manager is off site

40120 Temporary Wages. Increased to cover personnel running the junk vehicle program.

42230 Fuel, Oils, and Lubricants. Increase due to new cell operations, new compactor, junk vehicle program and to address fuel cost increases.

42310 Repair/Maintenance Supplies. Materials, supplies, parts, tools, signs, etc., to maintain facility and equipment. Yearly costs to purchase vertical waste mass wells, leachate supply piping, landfill gas piping to accomplish leachate recirculation (\$119,300).

43011 Contractual Services. Surveying ( $\$ 5,000$ ), septic ( $\$ 1,000$ ), recycle hauling ( $\$ 34,000$ ), junk vehicles recycling $(\$ 10,000)$. Offsite treatment of 750,000 gallons of leachate hauling ( $\$ 72,400$ ). C \& D cell expansion to add one-year life to cell at CPL, funds include contract services, design and project management (\$150,000).

43095 Solid Waste Closure/Post-Closure. Annual amount funded toward landfill closure and post-closure. (Up to 30 years after the new lined landfill cell reaches capacity). Potential liabilites of $\$ 66,306$ pay out in FY09 for additional four rounds of assessment monitoring. Additional assessment monitoring will be determined in June 2008, after May 2008 samples are analyzed. With the old original landfill closed in Fall 2007, the May 2008 samples should prove to be less aggressive and allow for no additional assessment monitoring.

43610 Utilities. Homer Electic Association (HEA) rates have increased. Operational changes to save energy and minimise cost increases have been implemented.

43750 Vehicle Maintenance. Contract services for maintenenace and repairs of vehicles and equipment.

43780 Buildings/Grounds Maintenance. Contract services for electrical, mechancial, plumbing, gravel, and other faciltiy and grounds services.

43812 Equipment Replacement Payment. Increase due to replacement of 1989 Freighter-Roll-Off truck.

## DEPARTMENT FUNCTION

## Mission:

To collect and transfer solid waste generated in the Eastern Peninsula to the Central Peninsula Landfill in Soldotna for disposal, manage inert waste with on-site burial, recycle to reduce waste requiring burial, and provide for proper hazardous materials disposal.

## Major long-term issues and concerns:

- Re-bid Operation/Maintenance and Hauling contract in FY10.

## Objectives FY2009/Budget highlights:

- Develop the Seward inert waste monofill in an efficient manner to reduce the amount of material requiring transfer to Soldotna.

Previous year accomplishments:

- Developed the inert waste area to provide a convenient and economical disposal option for large, bulky, inert wastes that are not practical to transport to Soldotna or to recycle.

## Significant budgetary changes:

- Delete: . 20 Contract Manager/Operator. All solid waste operations contracts will be managed through the Solid Waste Administration office.

## DEPARTMENT FUNCTION

## Mission:

To collect, bale and dispose of waste generated in the Southern Peninsula, recycle to reduce waste requiring burial, and provide for proper hazardous materials disposal.

## Major long-term issues and concerns:

- Anticipated increase cost for closure of Landfill in 2014.

## Objectives FY2009/Budget highlights:

- Develop the landfill in a vertical manner in order to utilize the existing landfill to the fullest extent possible.
- Complete construction and demolition cell development and reduce slopes to meet Alaska Department of Environmental Conservation requirements.

Previous year accomplishments:

- Developed grades to reduce costs of closure of the landfill.
- Expanded the construction and demolition disposal area
- In-house rebuild of baler equipment avoiding cost to contract this work.
- Utilized Homer staff in Nanwalek to perform landfill development to bring the site into regulatory compliance.
- Finished expansion of Pt. Graham Landfill including installation of new burn box and reconfiguring landfill to accomplish seven additional years of life at the existing site.

## Significant budgetary changes:

- Increase of $\$ 106,000$ in SW Closure/Post Closure account for anticipated increase for second phase of Landfill Closure in approximately 2014.
- Increase of $\$ 35,000$ in vehicle maintenance due to replacement of engine on 966 D Loader at 8,000 hours.

## Fund 290

Department 32310 - Homer Baler - Continued

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Staff includes: Landfill Supervisor, 2 Landfill Operator II 43610 Utilities. Increased to covered rates increases. and 1 Landfill Operator I.

42230 Fuel, Oil, and Lubricants. Increase due to fuel prices.
43011 Contractual Services. Surveying ( $\$ 5,150$ ), septic/water $(\$ 2,000)$ and recycling hauling $(\$ 22,454)$, junk vehicle recycling $(\$ 3,065)$.

43750 Vehicle Maintenance. Increase due to replacement of engine on 966 D Loader at 8,000 hours.

43095 Solid Waste Closure/Post-Closure. Annual amount funded toward landfill
48740 Minor Machines and Equipment. To purchase new wirefeed welder and replace pressure washer. Increase due to anticipated increased landfill closure costs.

| Fund | $\mathbf{2 9 0}$ | Solid Waste Fund |
| :--- | :--- | :--- |
| Dept: | $\mathbf{3 2 5 7 0}$ | Landfills, Hauling and Waste Programs |

## DEPARTMENT FUNCTION

## Mission:

To collect, consolidate, and dispose of solid waste, recycle to reduce waste requiring burial, and provide for proper hazardous materials disposal. To provide an integrated solid waste program, including the development, operations, and maintenance of landfills in Seldovia, Port Graham, Nanwalek, Beluga, and Tyonek; eight waste drop-box/transfer sites; three transfer sites (Kenai, Nikiski, Sterling); 13 mobile recyclable collection stations; hazardous waste collection program; solid waste environmental monitoring; and litter program.

## Major long-term issues and concerns:

- Increase fuel cost for upcoming re-bids for dumpster transfer sites.

## Objectives FY2009/Budget highlights:

- Identify and conduct necessary studies and analysis for new landfill locations in Tyonek and Port Graham and a drop-box site in Moose Pass.
- Utilize trained borough staff in Soldotna and Homer to assist with rural landfill, transfer facility projects, and special waste management.

Previous year accomplishments:

- Performed extensive site expansion and development for Pt Graham landfill by Homer Landfill staff.
- Continued to conduct lead-acid battery collection and transport to market in Anchorage with borough staff.
- Continued planning and coordination to determine the preferred location for landfill sites and waste management methods for the communities of Tyonek, Nanwalek and Port Graham.

## Significant budgetary changes:

- Increase hauling contract $\$ 110,000$ due to segregation of Construction and Demolition (C \& D) at transfer stations and associated increased hauls. Segregating C \& D from Municipal/Mixed Solid Waste (MSW) will extend the life of the new lined cell at CPL. Construction and Demolition (C \& D). Segregation of C \& D will eliminate placing non-biodegradable waste from Kenai, Sterling and Nikiski transfer stations into the lined landfill cell.

## LINE-ITEM EXPLANATIONS

40120 Temporary Wages. Includes temporary staff to conduct battery hauling and special waste management.

42310 Repair/Maintenance Supplies. Solid waste containers and facility materials for repair and maintenance - portion of work to be performed by Central Peninsula and Homer Landfill staff.

43011 Contractual Services. Contract services include the hazardous, used oil, and special waste programs ( $\$ 255,274$ ). Operations, maintenance, and improvements at five rural landfills $(\$ 431,869)$ and operations, maintenance and improvements at three transfer facilities and eight drop-box/transfer sites $(\$ 985,797)$. Increase due to segregation of construction and demolition (C \& D) at transfer stations and associated increased hauls.

43095 Solid Waste Closure/Post-Closure. Annual amount funded toward landfill closure and post-closure activities ( 30 years after the landfill reaches capacity) for the Seldovia, Beluga, Tyonek, Port Graham, Rocky Ridge, and Nanwalek landfills and the closed Kenai and Sterling sites.

43210 Transportation/Subsistence. Ground transportation to inspect landfills, drop-box/transfer sites, and other facilities. Air transportation to village landfills as required by regulations/permits.

43780 Building/Grounds Maintenance. Contract services for electrical, mechanical, plumbing, gravel, and other facility and grounds services.

## Kenai Peninsula Borough

## Hospital Service Areas

The Borough has 2 hospital service areas, the Central Kenai Peninsula Hospital Service Area and the South Kenai Hospital Service Area.

The major source of revenue for the hospital service areas is property taxes, with additional funding provided through state grants and interest earnings. Powers granted by the voters authorize these service areas to construct, maintain and operate a hospital, and to provide other health care or health facilities within the service areas jurisdiction. Both service areas support hospitals and long-term care facilities, for which operations of have been contracted to a third party.

Only the expenditures budgeted by the service area appears within this budget document. Each hospital prepares a separate operating and capital budget, which is approved by the operating board of each respective entity. The comprehensive annual financial report is done on a combined basis, and copies are available from each respective hospital.

Central Kenai Peninsula Hospital Service Area - this service area encompasses the area from Tyonek to Hope to Clam Gulch. Operation of the Central Peninsula Hospital, including Heritage Place (a long-term care facility purchased in 2006) has been contracted out to Central Peninsula Hospital Inc. Service Area funding is currently being used to pay debt service, capital expenditures, an operating subsidy for a alcohol and drug treatment program, an operating grant for a sexual abuse program, and for operating expense of the service area board.

South Kenai Hospital Service Area - this service area encompasses the area from south of Clam Gulch to Homer to Kachemak City to Halibut Cove. Operation of the South Peninsula Hospital has been contracted out to South Peninsula Hospital Inc. Service Area funding is currently being used to pay debt service, capital expenditures, an operating subsidy for the hospital, and for operating expense of the service area board.

## CENTRAL KENAI PENINSULA HOSPITAL SERVICE AREA

Formed in March of 1969, this was the first service area in the Borough. Its purpose is to provide a hospitalization facility for residents in the Central Peninsula area. Effective January 1, 1993, the hospital was converted to a nonprofit corporation with a nine-member operating board. Management of the hospital is contracted out to this board, CPGH, Inc., a non-profit entity. The CPGH, Inc. board hires an independent CEO to manage its operations.

The Central Kenai Peninsula Hospital Service Area Board was created by enactment of Ordinance 97-70 and has seven members. Prior to the election of the seven member Service Area board, the Kenai Peninsula Borough Assembly had oversight of the Service Area.

Service area taxes provide for debt service requirements, equipment purchases, construction, auditing costs, and board expenses. The mill rate for fiscal year 2009 is $\mathbf{0 . 9 0}$ mills.

## Fund: $600 \quad$ Central Kenai Peninsula Hospital Service Area <br> Dept: 81110

## DEPARTMENT FUNCTION

## Major long-term issues and concerns:

- Continuing to meet the changing health care needs of the residents of the Service Area.

## Objectives FY2009/Budget highlights:

- Provide operation funding for Serenity House, a drug and alcohol treatment program, which enables Peninsula residents to obtain treatment on the peninsula.
- Provide operational funding for SART/SANE, a sexual assault response program.
- Provide funding for payment of long-term debt that was approved by the voters in 2003 for expansion of the hospital's facilities.
- Provide funding for hospital capital projects and equipment purchases.

## Previous year accomplishments:

- The hospital completed their expansion project, which included the opening of a new wing and remodel of the old wing.
- Capital budget expenditures include; a diagnostic ultrasound system, an upgrade to the endoscopy equipment, and an upgrade to the MRI.
- Integration of Heritage Place, a long-term care facility that was purchased July 1, 2006.

## Significant budgetary changes:

- None.

## SOUTH PENINSULA HOSPITAL SERVICE AREA

Established in May of 1969, the service area was formed to provide hospitalization and medical services to the residents of Homer and the surrounding areas. The nine-member board is elected and is responsible for the level of services provided and, to that end, must be responsible to the electorate for the amount of taxes necessarily raised to provide such services. The Service Area Board works in conjunction with a separate operating board to oversee the hospital. The hospital is located in Homer.

Service area taxes fund the hospital's equipment purchases, capital improvements, major repairs, and board expenses. The mill rate for fiscal year 2009 is $\mathbf{2 . 3 0}$.

## Fund: $601 \quad$ South Kenai Peninsula Hospital Service Area <br> Dept: 81110

## DEPARTMENT FUNCTION

## Major long-term issues and concerns:

- Continue to meet the changing health care needs of the residents of the Service Area.

## Objectives FY2009/Budget highlights:

- Provide funding of $\$ 300,000$ to assist in covering operating costs for the community-based programs of home health, respite, PCA, and education.
- Provide funding for payment of long-term debt that was approved by the voters in 2003 and 2007 for expansion of the hospital's facilities.
- Provide funding for hospital capital projects and equipment purchases.
- Continue construction of Phase III of the hospital's expansion project.

## Previous year accomplishments:

- Completion of Phase II of the expansion project.
- Capital budget expenditures include: a diagnostic ultrasound system, an upgrade to the endoscopy equipment, and an upgrade to the MRI.
- Net assets of the hospital increased $\$ 3.7$ million.
- New general obligation bonds of $\$ 14,700,000$ issued for Phase III of the hospital's expansion project.

## Significant budgetary changes:

- Reduction in operational support of $\$ 201,085$.
- Increase funding for capital projects of $\$ 445,915$.
- Mill rate increased for debt service on new General Obligation bonds associated with Phase III of the hospital's expansion project, authorized by the voters in a special election in May 2007.

Secretarial services ( $\$ 20,000$ ); Kachemak Bay Family Planning ( $\$ 4,000$ ), community focus groups $(\$ 3,000)$, website development $(\$ 2,500)$, strategic planning services $(\$ 25,000)$, and to provide funding for the community based programs of home health, respite, PCA, and education (\$300,000).

43012 Audit Service. As required by Alaska Administrative Code 45.010 and in conformance with Alaska State Statute 29.35.120.

43260 Training. Fees for Service Area Board Members to attend the Alaska Municipal League Conference ( $\$ 1,000$ ); speaker for board retreat ( $\$ 5,000$ ); and board member education $(\$ 4,000)$.

50361 Transfer to Debt Service Fund. For debt on hospital expansion project phase II ( $\$ 794,663$ ); for debt on hospital expansion project phase III $(\$ 1,129,644)$, and for lease payment on a CT Scanner and PAC system (\$395,021).

50491 SKPH-Capital Projects Fund. Transfer to capital projects fund for equipment and major remodel expenditures.

61990 Admin Service Fee. Fees charged to service area and departments to cover a portion of the costs associated with providing general government services.

## DEBT SERVICE FUNDS

The Borough's Debt Service Funds, pages 285-287, are used to accumulate monies for payment of general obligation bonds issued for construction, improvements, and equipping of public facilities throughout the Borough and for debt issued for the purchase of equipment. The following debt service funds have activity:

## School Debt Service Fund

This fund was set up to account for debt issued for construction and capital improvement to various schools located in the Borough. Bond payments are paid from the Borough's General Fund tax levy and from the State of Alaska, which reimburses the Borough for up to $70 \%$ of debt service expenditures on school bonds approved after June 30, 1983. The current outstanding issues are as follows:

- Bonds issued December 2000 for capital improvements, including re-roofing of various schools, in the amount of $\$ 7,429,000$. The outstanding balance as of July 1, 2008 is \$2,249,000.
- Bonds issued August 2003 for the construction of a new middle school in Seward, in the amount of $\$ 14,700,000$. The outstanding balance as of July 1,2008 is $\$ 11,860,000$.
- Bonds issued January 2007, for capital improvements, including arsenic removal at various schools, in the amount of $\$ 2,515,000$. The outstanding balance as of July 1, 2008 is \$2,310,000.

## Solid Waste Debt Service Fund

This fund was set up to account for debt issued for construction, capital improvement, and equipment at Borough landfill sites. The bond payments are paid from the General Fund tax levy. Voters in October 2002 authorized the issuance of $\$ 12,000,000$ in bonds, of which $\$ 7,040,000$ was issued. The unissued balance of $\$ 4,960,000$ is expected to be issued in 2010. The current outstanding issue is as follows:

- Bonds issued May 2003 in the amount of $\$ 7,040,000$. The outstanding balance as of July 1,2008 is $\$ 3,755,000$.

## Central Emergency Services Debt Service Fund

This fund was set up to account for debt issued for construction, capital improvement, and equipment for the Central Emergency Service (CES) Area. Bond payments are paid from the CES tax levy. The current outstanding issue is as follows:

- Bonds issued June 2006, for constructing and equipping a station in Kasilof and upgrading the Funny River station in the amount of $\$ 2,500,000$. The outstanding balance as of July 1, 2008 is $\$ 2,345,000$.

## Central Kenai Peninsula General Hospital Service Area Debt Service Fund

This fund was set up to account for debt issued for construction, capital improvement, and equipment at the Central Peninsula Hospital. Bond payments are paid from the Central Kenai Peninsula General Hospital Service Area tax levy and from operating revenues of the hospital. The current outstanding issue is as follows:

- Bonds issued December 2003, for expansion and remodel of the current hospital in the amount of $\$ 47,985,000$. The outstanding balance as of July 1, 2008 is $\$ 41,580,000$.

## South Kenai Peninsula General Hospital Service Area Debt Service Fund

This fund was set up to account for debt issued for construction, capital improvement, and equipment at the South Peninsula Hospital. Bond payments are paid from the South Kenai Peninsula General Hospital Service Area tax levy. The current outstanding issues are as follows:

- Bonds issued September 2003, for Phase II expansion of the hospital in the amount of $\$ 10,290,000$. The outstanding balance as of July 1, 2008 is $\$ 9,065,000$.
- Bonds issued August 2007, for Phase III expansion of the hospital in the amount of $\$ 14,555,000$. The outstanding balance as of July 1,2008 is $\$ 14,555,000$.
- Debt issued June 2006, for the lease-purchase of a CT Scanner and Picture Archiving System in the amount of $\$ 2,000,000$. The outstanding balance as of July 1,2008 is \$1,109,570.

## Other Debt - Bear Creek Fire Service Area Public Safety Building

During the October 2007 regular election, voters of the Bear Creek Fire Service Area approved the issuance of $\$ 1,400,000$ of General Obligation Bonds for the purpose of planning and design, property acquisition, construction, capital improvement, and equipping of the Bear Creek Fire Service Area Public Safety Building. Issuance of this debt is contingent upon receipt of $\$ 2,100,000$ in grant funding.

# Kenai Peninsula Borough FY2009 Budget Capital Improvement Program 

## Introduction

The Capital Improvement Program (CIP) is a projection of the Borough's capital investments plan over a five-year period. Capital investments normally involve major projects that have long useful lives. The CIP is both a fiscal and planning device that allows the Borough to monitor all capital project costs, funding sources, department responsibilities, and timing which will allow the Borough to maintain its assets at a level adequate to protect its capital investments and to minimize future maintenance and replacement cost.

The CIP contained herein includes five years of projected needs. The first year of the program will be become the capital budget for which project money will be authorized. The remaining four years of the CIP will serve as a financial plan for capital investments. This financial plan will be reviewed each year as the CIP is updated and prepared.

## Organization of the CIP

The CIP is broken into five sections. The first section shown below describes the various funds that have been set up for the CIP. The second section also shown below is a summary of the funding sources. The third section is an Expenditure Summary for the Fiscal Years 2009 through 2013 and is on page 292. The fourth section is a listing of the projects being funded for the current fiscal year and starts on page 293. The fifth section consists of a detail five-year summary for each fund and starts on page 298.

## Capital Project Funds

The Borough has two functional categories for which capital project funds have been created; one category that serves the general government, and a second category that serves service area and other voter authorized programs.

General Government capital project funds have been set up to account for school projects funded by the general government, projects funded by bond proceeds, general government capital projects, 911 communication projects, resource management projects, and solid waste projects.

Service area capital project funds have been set up for Nikiski Fire Service Area, Bear Creek Fire Service Area, Anchor Point Fire and Emergency Medical Service Area, Central Emergency Service Area, Kachemak Emergency Service Area, North Peninsula Recreation Service Area, Road Service Area, Central Kenai Peninsula Hospital Service Area, and South Kenai Peninsula Hospital Service Area.

## Summary of funding sources

With the exception of the capital project fund that has been set up to account for projects that are funded from bond proceeds, the major source of revenue for each capital project fund is property taxes in the form of a transfer from each individual oversight fund. Additional funding is provided through state and federal grants, and interest earnings.

## KENAI PENINSULA BOROUGH CAPITAL PROJECT FUNDS DETAILED PROJECT DESCRIPTIONS

## School Revenue Capital Projects

Auditorium seating at Seward High School (project cost \$100,000)
The existing auditorium seating at Seward High School is over 30 years old and worn out. Replacing the seats will result in a small reduction in maintenance expense at the school. Project no 400.75020.09744.49999.

Area-wide HVAC upgrades (project cost $\$ 100,000$ )
This is a multi-year project of replacing existing controls with newer digital controls, resulting in a reduction in maintenance and energy cost. Project no 400.78050.09801.49999.

Area-wide playground upgrades (project cost $\$ 70,000$ )
Upgrading playgrounds with resilient cushioning material for compliance with national playground standards. Project no 400.78050.09780.49999.

Area-wide flooring replacement upgrades (project cost $\$ 100,000$ )
Annual funding for upgrading flooring through out the school district. Project no 400.78050.09755.49999.
Area-wide electrical and lighting upgrades (project cost \$100,000)
This is a multi-year project of replacing existing electrical and lighting through out the school district, making them safer and more energy efficient. The energy savings is estimated to be $\$ 7.65$ per fixture per year resulting in a return on investment of 2.81 years. The FY2009 focus will be on Kenai Central and Hope School. Project no 400.78050.09758.49999.

Portables and outbuildings (project cost $\$ 100,000$ )
Annual funding for construction, repairs, and movement of portables and outbuildings. Project no 400.78010.09511.49999.

Area-wide asphalt, paving, and concrete replacement/upgrade (project cost $\$ 200,000$ )
Annual funding for asphalt and concrete replacement/upgrade. Project no 400.78050.09802.49999.
Area-wide ADA upgrades (project cost $\$ 80,000$ )
Annual funding for upgrading school facilities to meet ADA compliance requirements. Project no 400.78050.09782.49999.

Bleacher Replacement (project cost \$200,000)
This will replace bleachers at Homer Middle School and Soldotna High School that were deemed unsafe and removed. Project no 400.78050.09727.49999

Area-wide doors and entries (project cost $\$ 100,000$ )
Many of the exterior doors at Borough schools are over 30 years old. This is the start of a multi-year project of replacing existing doors at school facilities with newer doors; resulting in a decrease in maintenance and energy cost. Project no 400.78050.09728.49999.

Area-wide elevator upgrades (project cost $\$ 100,000$ )
Annual funding for upgrading elevators, replacing outdated mechanical switching with modern electronic switching and bringing them into compliance with new codes. Project no 400.78050.09803.49999.

## General Government

Conference rooms upgrade (project cost $\$ 100,000$ )
Upgrades to Borough conference rooms including electrical and audio. Project no 407.19010.09407.49999.

Security upgrades (project cost $\$ 100,000$ )
Implement a number of the security upgrades recommended in security study including clerk's office exit and limited door access system. Project number 407.19010.09SEC. 49999

## Solid Waste/Poppy Lane Building remodel (project cost \$250,000)

Relocate and remodel cost for Solid Waste department to move to building across from landfill and remodel the Poppy Lane building, which currently does not have sufficient space for the Major Projects Department project managers. Project number 400.78035.09POP. 49999

## Solid Waste

Burn Box, Beluga (project cost $\$ 105,000$ )
The existing burn box was de-commissioned in 2007, currently all waste is being surfaced burned and buried which reduces the life of the landfill. A new burn box will extend the life of the landfill and make the Beluga location consistent with Nanwalek, Pt Graham and Seldovia landfills. Project no 411.32220.09BEL.49999.

Remote Monitoring for Dumpster sites (project cost $\$ 120,000$ )
Installation of monitoring devices will allow the administration of the sites from the administrative offices rather than having someone drive out to the site for inspection. The annual operating cost of the monitoring devices will be offset by a reduction in current operating cost. Project no 411.32220.09CAM.49999.

Ninilchik-New Transfer Site (project cost $\$ 226,000$ )
Development of new transfer site to allow for adequate 'line of site". The current location has limited "line of site", and creates an unsafe situation for vehicles entering the highway. Project no. 411.32220.09NIL.49999.

Junk Vehicle Removal Program (project cost \$190,000)
Purchase of wrecker/fork truck $(\$ 135,000)$ and establishment of a prep station $(\$ 43,000)$ including power connection ( $\$ 12,000$ ). Project no. 411.32220.09VEH. 49999.

## Nikiski Fire Service Area

Rescue boat replacement (project cost: \$30,000)
Replace the department's 1985 boat, which has deteriorated to a level that it requires constant repairs. Replacement cost is estimated at $\$ 30,000$. The current motor, steerage mechanisms, fuel cells, and rescue equipment will be retained. Purchase of a new boat should result in a reduction in maintenance cost. Project no 441.51111.09411.49999.

## Bear Creek Fire Service Area

SCBA fill station (project cost $\$ 10,000$ ):
Replacement of a Class 2-fill station with a Class-3 fill station, which offers more safety to service area personnel when refilling the SCBA tanks. Project no 442.51210.09421.49999

New station design (project cost $\$ 150,000$ ):
Completion of design and plans for new station. Project no 442.51210.09422.49999.

## Anchor Point Fire and Emergency Service Area

Code Blue Ambulance (project cost \$10,000)
Matching funds for purchase of an ambulance for Nikolaevsk that is being obtained by Southern Region EMS through the Department of Transportation. Currently Nikolaevsk does not have an ambulance and service must be provided from Anchor Point. Project no 444.51410.09AMB.49999.

Tanker (project cost $\$ 100,000$ )
Service area match for purchase of tanker that is estimated to cost between $\$ 120,000$ and $\$ 170,000$. The service area previously received a State grant of $\$ 70,000$ for this purpose. This would replace the department's 1964 tanker. Project no 444.51410.09TKR. 49999

Pickup (project cost $\$ 50,000$ )
Purchase of utility vehicle for transporting personnel and equipment, which could also be used for snow plowing the two stations. Project no 444.51410.09TRK. 49999.

## Central Emergency Services

Tanker, Funny River station (project cost \$320,000)
Purchase of 3,000-gallon tanker for the Funny River station. This will enable the area to maintain the required fire flow per ISO standards. Annual operating cost are estimated to increase $\$ 3,900$. Project no 443.51611.09461.49999

Funny River electric transfer switch (project cost $\$ 30,000$ )
This project will allow for the completion of the Funny River Fire Station well-house and electric transfer switch. Project no 443.51611.09462.49999

High capacity well, Kasilof station (project cost $\$ 310,000$ )
This station currently does not have a reliable, accessible year around firefighting water supply. This project would provide a 20,000-gallon in-ground concrete tank with a portable trailer pump, generator and framed building to house the pump. The State of Alaska is providing a $\$ 250,000$ grant for partial funding of this project. Project no 443.51611.09463.49999.

High capacity wells for proposed stations located in Ciechanski and Forest Lane areas, (project cost $\$ 620,000$ )
Based upon current growth, CES is estimating that fill sites will be needed in the Ciechanski and Forest Lanes areas. The State of Alaska is providing funding in the amount of $\$ 250,000$ per site. The projects would provide $20,000-$ gallon in-ground concrete tanks with a portable trailer pump, generator and framed building to house the pump. Project number 443.51611 .09469 .49999 in the amount of $\$ 310,000$ and project number 443.51611.09470.49999 in the amount of \$310,000.

Turnout washer \& dryer station, Kasilof (project cost $\$ 16,487$ )
Washer and dryer to clean and dry firefighting turnout gear. Project no 443.51611.09464.49999
Pickup (project cost $\$ 50,000$ )
Replacement of eleven-year-old vehicle with 100k plus mileage. Project no. 443.51611.09465.49999
Engine 1 replacement (project cost $\$ 500,000$ )
Replacement of 20-year fire engine, which currently does not meet required flow measurements and does not meet current NFPA requirements. Project no 443.51611.09466.49999.

Equipment for new tankers (project cost $\$ 51,520$ )
Equipment required for two (2) new tankers, including hoses and drafting appliances necessary for supplying water to a fire. Project no 443.51611.09467.49999

Land for proposed station in Ciechanski area (project cost \$120,000)
Due to growth in the Ciechanski area, CES has determined that a new station will probably be required in the future in the K-Beach Ciechanski area. Acquisition of land will allow the department to consider locations for putting in a water source and station when it become financially feasible. Project no 443.51611.09468.49999

## Kachemak Emergency Service Area

Personal Protection Gear (project cost: $\$ 70,000$ )
Purchase of firefighting and EMS personal protective equipment. Project no 446.51810.09481.49999.

## North Peninsula Recreation Service Area

Tractor/Mower replacement (project cost \$60,000)
Replace 1996 tractor/mover and accessories. New unit to include broadcast spreader, loader, mid-mounted mowers, material collection system, and aerator. Project no 459.61110.09459.49999.

## Road Service Area

Moose Ridge Avenue, Kyee Street, Amow Street (project cost: $\$ 227,997$ )
Upgrade existing roads to Borough road standards. Project will include: clearing right-of-way, constructing adequate ditching for drainage improvements, adding gravel to roadbed, properly aligning road in the right-of-way where needed, widening road to RSA standards, and constructing appropriate turnarounds. This project will improve this poorly constructed road. Improvements will reduce spring breakup frost boil repairs, and improve safety with the widening effort. Project no 434.33950.09RD1.49999

Greenfield Drive, Ridgecrest Circle (project cost: $\$ 284,996$ )
Upgrade existing roads to RSA standards where practical. Project will include: Right of way clearing, drainage improvements, geotextile fabric installation, road alignment, and adding gravel to roadway. Improvements will reduce summer maintenance effort and spring breakup repair expenses. Project no 434.33950.09RD2.49999

Interlake Drive, Shelikoff Street (project cost: $\$ 206,168$ )
Upgrade existing roads to RSA standards where practical. Project will include: Right of way clearing, align road centerline of right-of-way, improve drainage, and adding gravel to roadway. Improvements will minimally reduce summer maintenance expenses and will eliminate spring breakup repair expenses. Project no 434.33950.09RD3.49999.

Juel Ave, Nielson St, Kenaitze Ave (project cost: \$158,628)
Upgrade existing roads, align roadbed where feasible. Project will include: Right-of-way clearing where needed, drainage improvements, glaciation improvements, adding gravel to roadbed. Project will reduce winter glaciation repair expense, will reduce spring break-up expense, and minimally reduce general summer maintenance. Project no 434.33950.09RD4.49999

Etah Maku, Tyena Ka Road, Kwanta Hah, Mena Hona (project cost: \$108,177)
Upgrade existing roads. Align roadbed in sections where feasible, clearing right-of-way where needed, align road center of right-of-way where available, improve drainage, and add gravel to roadbed. Project will improve safety for traveling public with site-distance improvements, and minimally reduces long-term summer maintenance with improved roadbed conditions. Project no 434.33950.09RD5.49999

## Beach Dr (project cost \$201,477)

Upgrade existing road. Project will include: clearing narrow 40 ft right-of-way, improve drainage in appropriate manner where necessary, create ditches, and add gravel to roadbed. Project will improve drainage issues caused by flooding during high tides and improve safety issues created during summer tourist season due to adjoining camper park. Minimal maintenance cost savings. Project no 434.33950.09RD6.49999.

## Sary Su Street, David Lee Street (project cost: $\$ 239,628$ )

This project will upgrade the roads to RSA standards where practical within budget limits. This will include: Clearing right-of-way full width, improve drainage, align road to centerline, provide geotextile fabric where needed, improve grade of hills as needed, add gravel to roadbed to provide proper width. Project no 434.33950.09RD7.49999

## Central Kenai Peninsula Hospital Service Area

Digital Mammography (project cost \$640,000)
Purchase and installation of mammography system, replacing the current system which over 5 years old. It is estimated that with the new system, biopsy procedure time will be reduced by one-half. Return on investment is expected within 3-4 years. Project no 490.81111 .09 CH 1.49999

Digital Radiographic Fluoroscopic (project cost $\$ 600,000$ )
Purchase and installation of digital radiographic fluoroscopic system, replacing the current system which over 8 years old and constantly breaking down. Project no 490.81111.09CH2.49999

## Medical Records Automation (project cost $\$ 325,000$ )

Automation of patient medical records. The end result of this project will be to provide patients records faster, increase patient safety, reduce staff time required to pull records, and a reduction in the storage area required to maintain patient records. Project no 490.81111.09CH3.49999

Archive Storage (project cost \$269,400)
Increase storage in the current DR Centera enclosure to accommodate future image archiving and anticipated Digital Mammography. This project will provide capability for offsite DR storage disaster recovery, currently there is not a backup or archival data on Centera. Project no 490.81111.09CH4.49999.

Infusion Pumps (project cost (\$450,000)
Hospital-wide replacement of IV pumps. Infusion pumps generally have a expected life of 10 years and most of the hospital's pumps are at or are approaching that age. Project no 490.81111.09CH5.49999.

HVAC System Upgrade (project cost $\$ 275,000$ )
Completion of the digital building controls project. Currently $70 \%$ of the building has been converted resulting in energy efficiency and high patient satisfaction scores. The remaining areas to be converted include Obstetrics. Project no 490.81111.09CH6.49999.

## South Kenai Peninsula Hospital Service Area

Digital Radiographic Fluoroscopic (project cost $\$ 375,000$ )
Purchase and installation of digital radiographic fluoroscopic system, replacing the current system, which was purchased in 1991. This replacement will complete the hospitals upgrade of all its imaging equipment to digital.
Project no 491.81211.09SH1.49999
New Ceiling Lifts (project cost $\$ 259,944$ )
New ceiling lifts for each patient's room. Installation of the lifts should result in a reduction in on-the-job injuries. Project no 491.81211.09SH2.49999.

## PYXIS Pharmacy Dispensing System (project cost \$196,223)

Upgrade of the hospital's current pharmacy dispensing system, which is being phased out by the manufacturer. Project no 491.81211.09SH3.49999.

## Chemistry Analyzer (project cost $\$ 166,000$ )

Replacement of the hospital's current chemistry analyzer, which was purchased in 2001 and has outlived its normal life expectancy of 5 to 6 years. In addition, a backup unit will be purchased that will provide backup for critical cardiac testing. Project no 491.81211.09SH4.49999.

## Point of Care (POC) Laptop Computers (project cost \$42,000)

Replace 18 computers (out of approximately 225 workstations), which are used for record keeping in the hospital's POC patient information management system, resulting in greater efficiency. The hospital is expecting a reduction in maintenance of $\$ 5,400$ per year. Project no 491.81211.09SH5.49999.

## Point of Care (POC) Replacement Carts (project cost \$56,999)

Replace 15 computers on wheels, which are used for record keeping in the hospital's POC patient information management system, and have exceeded their life span. Replacing the computers will result in faster and more efficient billing. The hospital is expecting a reduction in maintenance of $\$ 4,500$ per year. Project no 491.81211.09SH6.49999.

Various equipment (project cost \$219,642)
Various capital purchases with cost ranging from $\$ 1,200$ to $\$ 28,000$. Project no 491.81211.09SH7.49999.

## Projected Revenues and Appropriations School Revenue Capital Projects Fund Fiscal Years 2009 Through 2013

## Bond Funded Capital Projects Fund Projected Revenues and Appropriations Fiscal Years 2009 Through 2013

NOTE: Projects shown on this page require a separate ordinance, and voter approval is needed on all new projects in excess of $\$ 1,000,000$. Projected expenditures for FY2009 are for information only and represent interest earned on bond proceeds that could be made available for the previously approved project.

* The Solid Waste bonds were previously approved by Borough voters and are expected to be issued in FY2010.
** These projects are also included in the individual Service Area capital project fund and will not be included on the Expenditure Summary for Fiscal Years $2009-2013$. (1) Service Area voters have approved bonds in the amount of $\$ 1,400,000$ which must be matched by grants of at least $\$ 2,100,000$ in order for the project to move forward.

## INTERNAL SERVICE FUNDS

These funds are used to account for a government's business-type activities supported, at least in part, by fees or charges. These services are not rendered to the general public but are for other governmental units within the Borough, i.e. the service areas, individual funds and departments, and the school district. The following funds have been established:

PAGE \#
Combined Revenues and Expenses ........................................................................................... 313
Insurance and Litigation Reserve Fund 314

The Insurance and Litigation Reserve Fund is used to account for the provision of insurance for the Borough. All funds requiring insurance coverage make contributions to this fund in amounts equal to their proportional share of the total cost of insurance. Additionally, the fund maintains reserves for litigation contingencies, insurance contingencies, and self-insurance deductible requirements.

Health Insurance Reserve Fund ................................................................................................................ 326
The Health Insurance Reserve Fund is used to account for the costs of the Borough's employee health insurance plan. The reserve fund will accommodate the smoothing of plan cost variances by allowing the variances to be applied over multiple years premiums. In years where the plan costs do not equal budgeted amounts for premiums in all borough funds, the amount over/under will be recovered/refunded in subsequent years through increases/decreases in plan premiums. This process will eliminate large year-end supplemental appropriations or unspent budget amounts in the Borough's and Service Area's operating funds.

Equipment Replacement Fund
The Equipment Replacement Fund is used to finance the major purchases of user departments. The departments are charged an annual fee over the expected life of the vehicle or piece of equipment. This manner of financing major purchases eliminate the substantial impact such purchases would otherwise have on annual operating budgets

COMBINED REVENUES AND EXPENSES

## DEPARTMENT FUNCTION

Mission: This division administers and manages the Borough and School District's self-insured programs for property, general liability, auto liability, as well as Workers' Compensation coverage.

## Major long-term issues and concerns:

The Borough is an active consumer in the commercial excess insurance market. The cost of policies is subject to market conditions and regulatory environment. These factors require longer term planning and periodic adjustments in budget and self-insurance levels. The price of insurance has stabilized with Workers' Compensation coverage as the exception. Employee benefits are a focus of federal regulation and legislation. Monitoring and complying with the changes will require on-going effort.

## Objectives FY2009/Budget highlights:

- Refine and document procedures for the in-house claims adjusting function to control claim cost.
- Continued emphasis on safety and environmental issues through training, inspections, and monitoring samples of drinking water and treatment of drinking water.
- Develop and/or update Safety and Risk Management policies for the Borough and School District.

## Previous year accomplishments:

- Developed and improved in-house claims adjusting functions using new Envision software.
- New Risk Manager hired in September of 2007.

## Significant budgetary changes:

- Requested funding to purchase personal protective equipment (PPE) for Risk Manager, Safety Manager and Environmental Compliance Manager for use in the field or in emergency situations.
- Requested $\$ 3,000$ under Office Machines to pay for half the cost for a new copy machine for the HR/RM office.
- Requested funding to purchase a professional VHS to DVD recording equipment to duplicate VHS tapes into the DVD format. To purchase the current Safety Training library in the DVD format would cost the borough over \$34,000.
- Increase in transportation and subsistence for travel to annual Risk Insurance Managers Society and Public Risk Insurance Managers Association conferences for Safety Manager, Risk Manager, and Risk Committee members.

| :--- | :--- | :--- |
| Dept: | 11236 | Risk Management - Worker's Compensation |

## DEPARTMENT FUNCTION

Mission: As required under the Alaska Workers' Compensation Act, workers' compensation is a program that requires employers to pay medical costs and lost wages in the event an employee becomes injured or ill due to working conditions. The Risk Management, Workers' Compensation Division is responsible for complying with the State of Alaska's Workers' Compensation Act of Self-Insured Employers by administering a comprehensive selfinsurance program. This includes identifying and mitigating, to the extent possible, the hazards that could cause injury to the visiting public, students, and employees; and analyzing, managing, and processing claims.

## Major long-term issues and concerns:

Workers' Compensation administers a comprehensive self-insurance program that continues to identify and mitigate the hazards that could cause injury to employees and will continue to analyze, manage, and process the claims that may result from those claims. This requires long-term planning and periodic adjustments in budget and self-insurance levels.

## Objectives FY2009/Budget highlights:

- Promote employee Return-to-Work programs for the Borough and School District. Educate supervisors on how to accommodate employees in temporary transitional work to help reduce time away from work.
- Utilize new Envision software to identify hazards for increased emphasis on safety for accident prevention and lost time claims. Cross train the Risk Management staff on Envision usage.

## Previous year accomplishments:

- Implemented on-line claim and incident reporting.
- Returned 4 KPB injured employees to temporary transitional duty until they return to full duty. By offering transitional light duty, the time loss was reduced by 56 days.
- Returned 9 KPBSD employees to temporary transitional duty. By offering transitional light duty, time loss was reduced by 211 days.

## Significant budgetary changes:

- $\$ 7,450$ to purchase web portion of Envision program. Previous expenditures for this software total $\$ 88,304$.
- Increase of $\$ 20,000$ in contract services to cover insurance broker fee. Fee has increased due to buy out of previous broker.
- Worker's compensation administrator position being deleted, with duties being shared between remaining staff in Insurance and Litigation fund.

## LINE-ITEM EXPLANATIONS

40110 Regular Wages. Workers' Compensation Manager position being deleted, with job duties to be shared by other staff within the Risk Management Fund.

43011 Contractual Services. Increase due to new Broker AK USA Insurance, purchasing prior broker, Willis $(\$ 20,000)$ and WebEnvision completion $(\$ 7,450)$.

43019 Software Licensing. Annual maintenance fee for Envision and WebEnvision $(\$ 8,000)$.

43210 Transportation/Subsistence. Travel to KPB and KPBSD facilities for safety reviews and for continuing education on safety and workers compensation.

43260 Training. Cost to attend classes for continuing education on safety and workers' compensation.

43508 Workers' Compensation. Estimated cost of claims, fees, excess insurance, and third party administration based upon most recent actuarial analysis. Coverage includes both the Borough and School District. Excess insurance to be purchased from third-party vendor at $\$ 250,000$ per claim retention. Includes brokerage fees for excess insurance.

43530 Disability Coverage. Supplemental disability insurance policy for volunteer firefighters.

60000 Charges to Other Dept's. Allocation of risk management administration costs to insurances provided by the fund; (40\%) Workers Compensation, (50\%) Property Insurance, and (10\%) General Liability.

| Fund: | $\mathbf{7 0 0}$ | Insurance and Litigation Fund |
| :--- | :--- | :--- |
| Dept: | $\mathbf{1 1 2 3 7}$ | Risk Management - Property |

## DEPARTMENT FUNCTION

Mission: Administered by the office of Risk Management, Property Insurance including claims is for coverage of the buildings, contents, and vehicles of the Borough, School District, and Service areas.

## Major long-term issues and concerns:

Property Insurance within the Borough takes the form of self-insurance and purchased excess insurance. The selfinsurance retention (SIR) level for property losses may vary, depending upon market conditions. The SIR for FY2008 was $\$ 250,000$ per claim. Cost for the insured and self-insured programs are allocated back to the Borough Departments, School District and Service Areas. The total insurable value of property (buildings and vehicles) is approximately $\$ 708$ million dollars.

## Objectives FY2009/Budget highlights:

- Use broker to obtain the most competitive excess property insurance coverage for all lines of Property Insurance.

## Previous year accomplishments:

- None

## Significant budgetary changes:

- No significant budget changes, property rates are expected to remain steady for FY 2009.

## DEPARTMENT FUNCTION

Mission: To account for the Borough's employee health insurance plan.

This fund was created in FY2007 to account for the costs of the Borough's employee health insurance plan. The reserve fund will accommodate the smoothing of plan cost variances by allowing the variances to be applied over multiple years premiums. In years where plan costs do not equal budgeted amounts for premiums in all borough funds, the amount over/under will be recovered/refunded in subsequent years through increases/decreases in plan premiums.

## KEY MEASURES

|  | FY06 <br> Actual | FY07 <br> Actual | FY08 <br> Estimated | FY09 <br> Projected |
| :--- | :---: | :---: | :---: | :---: |
| Monthly Cost per Employee <br> (Net of Employee Contributions) | $\$ 912$ | $\$ 865$ | $\$ 960$ | $\$ 1,005$ |

VEHICLE \& EQUIPMENT PURCHASES

EQUIPMENT REPLACEMENT FUND RETAINED EARNINGS

```
Fund: 705 Equipment Replacement Fund
Dept: 94910 Non-Departmental
```

## DEPARTMENT FUNCTION

Mission: To purchase vehicles and other equipment for various user departments. The user departments will pay for new vehicles or equipment over the useful life of the asset. Accumulated cash will be used to purchase replacement vehicles and equipment as necessary.

## Major long-term issues and concerns:

The expected useful life of vehicles and equipment appear to be extending out beyond the current 7 and 10 -year life cycles, a review will be done to determine if the expected useful life of vehicles and equipment should be adjusted in the future.

## Objectives FY2009/Budget highlights:

- Purchase vehicles and equipment for various departments within the borough.

Previous year accomplishments:

- Purchased vehicles and equipment for various departments within the borough.

## Significant budgetary changes:

- None

48610 Land Purchase: Land purchases.

## CHART OF ACCOUNTS

48515 Medical Equipment: Purchase of medical equipment costing $\$ 5,000$ or more (each item).
48610 Land Purchase: Land Purchases
48620 Building Purchase: Buildings purchases.
48630 Improvements Other Than Buildings: Fences, parking lots, garage doors, etc. over costing over \$5,000.
48710 Minor Office Equipment: Capital office machines costing less than $\$ 5,000$ with a life of more than one year.
48720 Minor Office Furniture: Capital furniture and furnishings costing less than $\$ 5,000$ with a life of more than one year.
48730 Minor Communication Equipment: Communications equipment costing less than $\$ 5,000$ with a life of more than one year.
48740 Minor Machinery and Equipment: Machinery and equipment costing less than $\$ 5,000$ with a life of more than one year.
48750 Minor Medical Equipment: Medical equipment costing less than $\$ 5,000$ with a life of more than one year.
48755 Minor Recreation Equipment: Recreational/Physical fitness equipment costing less than $\$ 5,000$ with a life of more than one year.
48760 Minor Fire Fighting Equipment: Fire fighting equipment costing less than $\$ 5,000$, with a life of more than one year.
49101 Construction: Costs associated with new construction or major remodel.
49125 Remodel: Office Renovations
49311 Design: New building design.
49313 Reimbursable: Reimbursed fees paid to architects/engineers.
49424 Surveying: Survey costs on new construction.
49313 Permits: Permit costs on new construction.
49433 Plan Reviews: Fees paid for the review of plans for compliance with fire and building codes.

## Transfers - 50XXX

$50^{* * *}$ Interfund Transfers: Transfer of funds from one fund to another. *** denotes receiving fund number.

## Interdepartment Charges - 6XXXX

60000 Charges (To) From Other Depts.: Interdepartmental charges.
61990 Admin. Service Fee: Fees charged to cover portion of costs associated with providing general government services.

## GLOSSARY OF KEY TERMS

Accrual Basis - The basis of accounting under which the financial effects of a transaction and other events and circumstances that have cash consequences for the governmental entity are recorded in the period in which those transactions, events and circumstances occur, rather than only in the periods in which cash is received or paid by the entity.

Adopted Budget - Refers to the budget amounts as originally approved by the Kenai Peninsula Borough assembly at the beginning of the year and also to the budget document which consolidates all beginning of the year operating appropriations and new capital project appropriations.

Annual Budget - A budget developed and enacted to apply to a single fiscal year.

Appraise - To estimate the value, particularly the value of property. if the property is valued for taxations, the narrower term "assess" is substituted.

Appropriation Ordinance - The official enactment by the borough assembly establishing the legal authority for the borough administrative staff to obligate and expend resources.

Assess - To establish an official property value for taxation.

Assessed Valuation - The valuation set upon all real and personal property in the borough that is used as a basis for levying taxes. Tax-exempt property is excluded from the assessable base.

Assessment Roll - With real property, the official list contains the legal description of each parcel of property and its assessed valuation, as well as the name and address of the last known owner. With personal property, the assessment roll contains the name and address of the owner, a description of the personal property and its assessed value.

Audit - A systematic collection of the sufficient, competent evidential matter needed to attest to the fairness of management's assertions in the financial statements or to evaluate whether management has efficiently and effectively carried out its responsibilities. The auditor obtains this evidential matter through inspections, observation, inquiries and confirmations with third parties.

Available Fund Balance - The difference between fund assets and fund liabilities of governmental and proprietary fund types that is not reserved for specific purposes.

Baler - Specialized equipment used to compress solid waste materials into compact bales such that the useful lives of landfills are extended.

Basis of Accounting - A term used to refer to when revenues, expenditures, expenses, and transfers - and the related assets and liabilities - are recognized in the accounts and reported in the financial statements. Specifically, it relates to the timing of the measurements made, regardless of the nature of the measurement, on either the cash or accrual method.

Bond - Most often, a written promise to pay a specified sum of money, called the par value or principal, at a specified date or dates in the future, called the maturity date(s), together with periodic interest at a specified rate. The difference between a note and bond is that the latter is issued for a longer period and requires greater legal formality.

Bond Ordinance - An ordinance authorizing a bond issue.

Budget - A plan of financial operation embodying an estimate of proposed expenditures for a given period and the proposed means of financing them. Sometimes the term "budget" designates the financial plan presented to the appropriating governing body for adoption, and sometimes, the plan finally approved by that body.

Budgetary Control - The control or management of a government or enterprise in accordance with an approved budget to keep expenditures within the limitations of available appropriations and available revenues.

Budget Document - The official written statement prepared by the borough's administrative staff to present a comprehensive financial program to the borough assembly. The first part provides overview information, together with a message from the budgetmaking authority, and a summary of the proposed expenditures and the means of financing them. The second consists of schedules supporting the summary. These schedules show in detail the past years' actual revenues, expenditures and other data used in making the estimates. The third part is composed of personnel and salary schedules, the chart of accounts, and a glossary.

Capital Improvement Plan - A plan that identifies: (a) all capital improvements which are proposed to be undertaken during a five fiscal year period; (b) the cost estimate for each improvement; (c) method of financing each improvement; and (d) the recommended time schedule for each project.

Capital Projects - Projects which purchase or construct fixed assets. Typically, a capital project encompasses a purchase of land and/or the construction of a building or facility.

## GLOSSARY OF KEY TERMS

Capital Projects Funds - Funds established to account for financial resources to be used for the acquisition or construction of major capital facilities (other than proprietary and trust funds).

Component Unit - A separate government unit, agency or nonprofit corporation that is combined with other component units to constitute the reporting entity in conformity with GAAP.

Comprehensive Annual Financial Report (CAFR) The official annual report of a government. It includes: (a) the five combined financial statements in the combined statement-overview and their related notes and (b) combining statements by fund type and individual fund and account group financial statements prepared in conformity with GAAP and organized into a financial report pyramid. It also includes support schedules necessary to demonstrate compliance with finance-related legal and contractual provisions required supplementary information, extensive introductory material and detailed statistical sections.

Contingency - Those funds included in the budget for the purpose of providing a means to cover minor unexpected costs during the budget year.

Contractual Services - Items of expenditure from services the borough receives primarily from an outside company.

Debt Service Funds - Funds established to account for the accumulation of resources for and the payment of, general long-term debt principal and interest that resulted from the issuance of bonds.

Deficit - The excess of expenditures over revenues during an accounting period, or in the case of proprietary funds, the excess of expenses over revenues during an accounting period.

Department - The borough administration is divided into departments. While a department may refer to a single activity, it usually indicates a grouping of related activities.

Depreciation - In accounting for depreciation, the cost of a fixed asset, less any salvage value, is prorated over the estimated service life of the asset. Each period is charged with a portion of the cost. Through this process, the entire cost of the asset less the salvage value is ultimately charged off as an expense.

Division - A major organization unit within a department. Usually divisions are responsible for carrying out a major component of the department.

Employee Benefits - Contributions made by the borough to designated funds to meet commitments or obligations for employee fringe benefits. Included is the
borough's share of costs for social security and the various pension, medical, and life insurance plans.

Encumbrances - Commitments related to unperformed contracts, in the form of purchase orders or contracts, for goods or services. Used in budgeting, encumbrances are not expenditures or liabilities, but represent the estimated amount of expenditures that will result if unperformed contracts in process are completed.

Enterprise Fund - A proprietary fund established to account for operations that are financed and operated in a manner similar to private business enterprises. In this case the intent of the governing body is that the expenses including depreciation of providing goods as services to the general public on a continuing basis be financed or recovered primarily through user charges. Included in this category are two hospitals.

Expenditure - Decreases in net financial resources. Expenditures include current operating expenses, requiring the present or future use of net current assets, debt service and capital outlays, and inter-governmental grants, entitlements and shared revenues.

Expenses - Outflows or other using up of assets or incurrence of liabilities (or a combination of both) from delivering or producing goods, rendering services or carrying out other activities that constitute the entity's ongoing major or central operations.

Fiduciary Fund Types - The trust and agency funds used to account for assets held by a government unit in a trustee capacity or an agent for individuals, private organizations, other government units and/or other funds.

Financial Resources - Cash and other assets that, in the normal course of operations, will become cash.

Fiscal Year - The twelve-month period to which the annual operating budget applies and at the end of which a government determines the financial position and results of its operations. the borough's fiscal year extends from July 1 to the following June 30.

Fixed Assets - long-lived tangible assets obtained or controlled as a result of past transactions, events or circumstances. Fixed assets include buildings, equipment, and improvements other than buildings and land.

Foreclosure - The seizure of property as payment for delinquent tax. Ordinarily, property foreclosed is sold to liquidate delinquent tax, but on occasion governments retain possession for their own needs.

## GLOSSARY OF KEY TERMS

Function - A group of related activities aims at accomplishing a major service for which a government is responsible.

Fund - A fiscal and accounting entity with a selfbalancing set of accounts in which cash and/or other financial resources, all related liabilities, and residual equities, or balances, and changes therein, are recorded and segregated to carry on specific activities or attain certain objectives in accordance with special regulations, restrictions or limitations.

Fund Balance - The difference between fund assets and fund liabilities of governmental and similar trust funds.

Fund Balance Appropriated - The amount of fund balance budgeted as a revenue source.

Fund Categories - Funds used in governmental accounting are classified into three broad categories: governmental, proprietary and fiduciary.

Fund Type - The three broad fund categories of governmental accounting are subdivided into seven fund types. The seven fund types are: general, special revenue, debt service, capital projects, enterprise, internal service, and fiduciary.

General Fund - A type of governmental fund used to account for revenues and expenditures for regular day-to-day operations of the borough, including the school district, which is not accounted for in specific purpose funds. The primary sources of revenue for this fund are local taxes and federal and state revenues.

Generally Accepted Accounting Principles (GAAP) Uniform minimum standards and guidelines for financial account and reporting. They govern the form and content of the financial statements of an entity. GAAP encompass the conventions, rules and procedures necessary to define accepted accounting practice at a particular time. They include not only broad guidelines of general applications, but also detailed practices and procedures. GAAP provide a standard by which to measure financial presentations.

Governmental Fund Types - Funds used to account for the acquisition, use and balances of expendable financial resources and the related current liabilities except those accounted for in the proprietary funds and fiduciary fund. Under current GAAP, there are four governmental fund types: general, special revenue, debt service and capital projects.

Grants - Contributions or gifts of cash or other assets from another government or other organization to be used for a specified purpose, activity or facility. Typically, these contributions are made to local governments from the state and federal governments.

Interfund Transfers - Amounts transferred from one fund to another fund. This includes reimbursements, residual equity transfers and operating transfers.

Intergovernmental Revenues - Revenues from other governments in the form of grants, entitlements, or shared revenues or payments in lieu of taxes.

Internal Service Fund - A proprietary fund type used to account for the financing of goods or services provided by one department of a government to other departments.

Investment - Securities held for the production of income in the form of interest in compliance with the policies set out by the borough code of ordinances.

Landfill Closure/Postclosure - Funds used for municipal solid waste landfill closure and postclosure care costs that are required to be incurred by federal, state, or local laws or regulations.

Levy - To impose taxes, special assessments or service charges for the support of government activities. Also used to denote the total amount of taxes, special assessments or service charges imposed by a government.

Liabilities - Debt or other legal obligations, arising from present obligations of a particular entity, to transfer assets or provide services to other entities in the future as a result of past transactions or events.

Measurement Focus - The accounting convention that determines (1) which assets and which liabilities are included on a government's balance sheet and where they are reported there, and (2) whether an operating statement presents information on the flow of financial resources (revenues and expenditures) or information on the flow of economic resources (revenues and expenses).

Mill - A measure of the rate of property taxation, representing one one-thousandth of a dollar of assessed value.

Mill Rate - The tax rate on property, based on mill(s). A rate of 1 mill applied to a taxable value of $\$ 100,000$ would yield $\$ 100$ in tax.

Modified Accrual Basis of Accounting - A basis of accounting in which revenues and other financial resources are recognized when they become susceptible to accrual, that is when they are both "measurable" and "available to finance expenditures of the current period." "Available" means collectible in the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures are recognized when the fund liability is incurred except for (1) inventories of materials and supplies that may be

## GLOSSARY OF KEY TERMS

considered expenditures either when purchased or when used, and (2) prepaid insurance and similar items that may be considered expenditures either when paid for or when consumed. All governmental funds, expendable trust funds and agency funds are accounted for using the modified accrual basis of accounting.

Non-Departmental - Refers to a group of governmental activities, which are not associated with and cannot be allocated to any particular department.

Ordinance - A formal legislative enactment by the legislative body which, if not in conflict with any higher form of law, has the full force and effect of law within the boundaries of the municipality to which it applies. The difference between an ordinance and a resolution is that the latter requires less legal formality and has a lower legal status. Revenue raising measures, such as the imposition of taxes, special assessments and service charges, universally require ordinances.

Other Financing Sources - Increase in current financial resources that is reported separately from revenues to avoid distorting revenue trends.. Governmental fund general long-term debt proceeds, land lease payments, land sale payments, proceeds from the sale of fixed assets, operating transfers in, service charges, and fees for governmental services.

Performance Measures - Specific quantitative productivity measures of work performed within an activity or program. Also, a specific quantitative measure of results obtained through a program or activity.

Personnel Services - Items of expenditures in the operating budget for salaries and wages paid for services performed by borough employees, including employee benefit costs such as the borough's contribution for retirement, social security, and health and life insurance.

Program - Group activities, operations or organizational units directed to attaining specific purposes or objectives.

Property Tax - A tax levied on the assessed value of property.

Proprietary Funds - A type of fund that accounts for governmental operations that are financed and operated in a manner similar to private business enterprises. Proprietary fund types used by the borough include the enterprise and internal service funds.

Purchase Order - A document authorizing the delivery of specified merchandise or the rendering of certain services for a stated estimated price. Outstanding purchase orders at the end of the fiscal year are called encumbrances.

Replacement Cost - The amount of cash or other consideration that would be required today to obtain the same asset or its equivalent.

Reserve For Working Capital - A portion of the general fund balance set aside to provide the necessary cash flow to fund the day to day operations of the borough. This reserve is not available for appropriation.

Retained Earnings - An equity account reflecting the accumulated earning of an enterprise or internal service fund.

Revenue - Increases in the net current assets of a governmental fund type other than expenditure refunds and residual equity transfers. General long-term debt proceeds and operating transfers are classified as 'other financing sources' rather than as revenues. Increases in the net total assets of a proprietary fund type other than expense refunds, capital contributions, residual equity transfers. Operating transfers, as in governmental fund types, are classified separately from revenues.

Sales Tax - State legislation allows local governments to levy a sales tax on retail sales in its jurisdiction. The borough currently levies and collects $3 \%$ on all taxable retail sales and also collects $3 \%$ sales tax on behalf of the cities located within the borough.

Self-Insurance - The retention by an entity of a risk of loss arising out of the ownership of property or from some other cause, instead of transferring that risk to an independent third party through the purchase of an insurance policy. It is sometimes accompanied by the setting aside of assets to fund any related losses.

Single Audit - An audit performed in accordance with the single audit act of 1984 and the office of management and budget (OMB) circular a-128, audits of state and local governments. The single audit act allows or requires governments (depending on the amount of federal assistance received) to have one audit performed to meet the needs of all federal grantor agencies.

Special Revenue Fund - A fund used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) that are legally restricted to expenditure for specified purposes.

Tax Levy - The total dollar amount of tax that optimally should be collected based on tax rates and assessed values of personal and real properties.

## TAX EXEMPTIONS

\$10,000 Volunteer Firefighter/EMS Provider - Exempts $\$ 10,000$ of assessed value of the home of an active volunteer firefighter or EMS provider. Maximum of 2 per household allowed. Also recognized by Seward, Homer and Kachemak cities.
\$20,000 Homeowner - Available to any Borough resident who owns their own home. The exemption is a maximum of $\$ 20,000$ assessed value of the home and the land on which it sits. This exemption also applies to the City of Homer tax.
$\mathbf{\$ 1 0 0 , 0 0 0}$ Personal Property - Exempts the first $\$ 100,000$ of personal property owned by a taxpayer, excluding motor vehicles and U.S. Coast Guard registered vessels.
\$300,000 Senior Citizen - Available to any Borough resident who is at least 65 years old, owns their home, and qualifies for a PFD. The State exempts up to $\$ 150,000$ of their total assessment. The Borough exempts an additional $\$ 150,000$. If a senior citizen lives inside the city boundaries, the city only recognizes the exemption to $\$ 150,000$ value. The amount of exemption is proportional to the seniors' ownership and/or use of the property.

Agriculture Deferment - Mandated by the State of Alaska, this deferment is available to people whose farmlands produce a minimum of $10 \%$ of their annual income.

ANCSA Native - Exempts property deeded to Alaskan native corporations under the Alaska Native Land Claims Settlement Act.

Cemetery - Completely exempts those properties used exclusively for cemetery purposes.

Charitable - Completely exempts those properties owned by charitable organizations that are used exclusively for charitable purposes.

Community Purpose - Exempts property of an organization not organized for business or profit-making purposes and used exclusively for community purposes.

Conservation Easement Deferment - To secure this deferment, the property owner of land subject to a conservation easement created under AS 34.17 must apply annually by May 15th. The Assessor shall maintain records valuing the land for both full and true value and value subject to the easement.

Disabled Resident - Available to any disabled Peninsula resident who is receiving Social Security disability payments. Maximum available is $\$ 500$ in taxes owed.

Disabled Veteran - Granted to honorably discharged veterans of the US armed forces who have a service connected disability rating of $50 \%$ or more.

Electrical Cooperative - Exempts property held by electricity producing associations.

Fire Suppression - Partially exempts commercial properties whose owners have installed fire prevention systems approved by the Fire Marshall.

Government - Completely exempts all City, Borough, State, and Federal properties from taxation.

Habitat Protection - Provides tax credits as partial reimbursement for habitat protection and restoration project expenses to promote the health of the Kenai River system.

Hospital - Completely exempts those properties owned by nonprofit organizations and used exclusively for hospital purposes.

Housing Authority - Granted in accordance with rules governing the Housing and Urban Development Authority.

Mental Health Trust - Exempts Mental Health Trust property from taxation as a branch of state government.

Multi Purpose Senior Center - Exempts a parcel which has a multi-purpose senior center developed and operated by a nonprofit corporation.

Native Allotment - BIA issues to native individuals a restricted deed for homestead purposes, which expressly states that the land is inalienable and nontaxable until otherwise provided by Congress.

Religious - Completely exempts those properties owned by religious organizations that are used exclusively for nonprofit, religious purposes.

River Restoration and Rehabilitation - Exempts all or part of the improvement value for 4 years when the improvement meets the criteria defined for habitat protection and restoration along the river.

State Educational - This exemption is applied to state nonprofit educational property used exclusively for classroom space.

Vessel Exclusion - Vessels having a homeport location outside the Borough, but are brought into the Borough solely for lay-up or repair, are not deemed to have established taxable situs. This exclusion does not apply to city tax.

Veteran - Exempts property of a non-business organization or its auxiliary composed entirely of persons with 90 days or more of active service in the armed services of the United States.

University - Exempts property owned by the University of Alaska as a branch of state government.
